SECTION 1 · ERP TROUBLESHOOTING GUIDE

1.1 Overview of ABC School ERP System

The ABC International School ERP (Enterprise Resource Planning) system is a comprehensive platform designed to manage academic records, fee collection, attendance, and administrative functions. The system is accessible via web browser and mobile application. This guide addresses common issues users may encounter while accessing or using the ERP system.

1.2 Common ERP Issues & Solutions

Issue: "Server Connection Failed" or "Unable to Connect to ERP"

Step 1:

Check your internet connection. Ensure you have a stable WiFi or mobile data connection.

Step 2:

Clear your browser cache and cookies. Go to Settings > Clear Browsing Data > Select "All Time" and check "Cookies and cached images".

Step 3:

Try accessing the ERP from a different browser (Chrome, Firefox, Safari) or device.

Step 4:

If the issue persists, contact IT Support at itsupport@abcschool.edu.in with your student/parent ID and the exact error message.

Issue: "Page Loads Slowly" or "Timeout Error"**Step 1:**

Check your internet speed. A minimum of 2 Mbps is recommended for smooth ERP access.

Step 2:

Disable browser extensions that may slow down page loading (ad blockers, VPNs, etc.).

Step 3:

Restart your device and try accessing the ERP again.

Step 4:

Try accessing during off-peak hours (early morning or late evening) when server load is lower.

Issue: "Data Not Updating" or "Showing Old Information"**Step 1:**

Perform a hard refresh of the page. Press Ctrl+Shift+R (Windows) or Cmd+Shift+R (Mac).

Step 2:

Log out completely and log back in after 5 minutes.

Step 3:

Clear browser cache and try again.

SECTION 2 · LMS TROUBLESHOOTING**2.1 Learning Management System (LMS) Overview**

ABC School's LMS platform hosts online classes, course materials, assignments, and assessments. It is accessible through the school portal and mobile app. Common issues include login problems, video streaming issues, and assignment submission errors.

2.2 LMS Common Issues

Issue: "Cannot Access Course Materials" or "Courses Not Visible"

Step 1:

Verify that your enrollment status is active. Check with your class teacher or academic coordinator.

Step 2:

Log out and log back in to refresh your course list.

Step 3:

Check if the course has been published by the instructor. Unpublished courses are not visible to students.

Issue: "Video Streaming Issues" or "Videos Not Playing"

Step 1:

Check your internet bandwidth. Video streaming requires at least 5 Mbps for HD quality.

Step 2:

Lower the video quality settings. Click the gear icon in the video player and select a lower resolution.

Step 3:

Close other applications consuming bandwidth (downloads, streaming services, etc.).

Step 4:

Try accessing the video from a different device or network.

Issue: "Cannot Submit Assignment" or "Upload Failed"

Step 1:

Check the file size. Maximum upload limit is 50 MB per file.

Step 2:

Verify the file format is supported (PDF, DOC, DOCX, JPG, PNG, MP4).

Step 3:

Check the assignment deadline. Submissions after the deadline may not be accepted.

Step 4:

Try uploading from a different browser or device.

SECTION 3 · PARENT PORTAL ISSUES

3.1 Parent Portal Features

The ABC School Parent Portal provides access to student attendance, academic performance, fee status, announcements, and communication with teachers. Parents can monitor their child's progress in real-time through this secure platform.

3.2 Common Parent Portal Issues

Issue: "Cannot View Child's Attendance or Grades"

Step 1:

Ensure you are logged in with the correct parent account linked to your child.

Step 2:

Check if your account has been activated by the school. New parent accounts may take 24-48 hours to activate.

Step 3:

If you have multiple children, ensure you have selected the correct child from the dropdown menu.

Step 4:

Contact the Accounts Department if the issue persists.

Issue: "Not Receiving Notifications or Alerts"

Step 1:

Check notification settings in your parent portal profile. Ensure notifications are enabled.

Step 2:

Verify your email address and phone number are correct in your profile.

Step 3:

Check your spam/junk folder for school notifications.

Step 4:

Enable push notifications for the mobile app in your device settings.

Issue: "Fee Payment Portal Not Working"**Step 1:**

Ensure your internet connection is stable and secure (HTTPS).

Step 2:

Try using a different payment gateway or method (Credit Card, Debit Card, Net Banking, UPI).

Step 3:

Contact your bank to ensure there are no restrictions on online transactions.

Step 4:

If the issue persists, contact the Accounts Department for manual payment assistance.

SECTION 4 · PASSWORD RESET SOP**4.1 Password Reset Procedure for Parents****Step 1: Access Login Page**

Go to the ABC School Parent Portal homepage (www.abcschool.edu.in/parent-portal). Click on "Forgot Password" link below the login fields.

Step 2: Enter Email or Phone

Enter your registered email address or phone number associated with your parent account.

Step 3: Verification

You will receive a One-Time Password (OTP) via email or SMS. Enter this OTP on the verification page. OTP is valid for 10 minutes only.

Step 4: Create New Password

Enter your new password. Password must be at least 8 characters long, containing uppercase, lowercase, numbers, and special characters (!@#\$\$%^&*).

Step 5: Confirmation

Click "Reset Password" button. You will receive a confirmation message. Your new password is now active.

4.2 Password Reset for Students

Students cannot reset their own passwords. Parents or guardians must contact the school's IT Support or Class Teacher to request a password reset. The school will generate a temporary password and send it via email or SMS.

4.3 Password Security Guidelines

- Never share your password with anyone, including school staff
- Use a unique password that is not used on other platforms

- Change your password every 90 days for security
- Do not use easily guessable information (birthdate, phone number, etc.)
- Always log out after accessing the portal, especially on shared devices

SECTION 5 · LOGIN ISSUE GUIDE

5.1 Common Login Problems

Issue: "Invalid Username or Password"

Step 1:

Verify that you are entering the correct username. Username is case-sensitive.

Step 2:

Ensure Caps Lock is off. Password is also case-sensitive.

Step 3:

Click "Forgot Password" to reset your password if you cannot remember it.

Step 4:

Check if your account has been deactivated. Contact the school office for account status.

Issue: "Account Locked" or "Too Many Login Attempts"

Step 1:

Your account is temporarily locked after 5 incorrect login attempts for security purposes.

Step 2:

Wait for 30 minutes before attempting to log in again. The account will automatically unlock.

Step 3:

If the account remains locked, contact IT Support at itsupport@abcschool.edu.in.

Issue: "Session Expired" or "You Have Been Logged Out"**Step 1:**

Sessions expire after 30 minutes of inactivity for security reasons.

Step 2:

Log in again with your username and password.

Step 3:

Check the "Remember Me" option if you want to stay logged in longer (not recommended on shared devices).

SECTION 6 · BIOMETRIC ATTENDANCE TROUBLESHOOTING**6.1 Biometric System Overview**

ABC School uses advanced biometric fingerprint and facial recognition systems for accurate student attendance tracking. The system is integrated with the ERP and automatically updates attendance records. Students must mark attendance at designated biometric terminals located at school entrances.

6.2 Biometric Issues & Solutions**Issue: "Fingerprint Not Recognized" or "Scan Failed"****Step 1:**

Ensure your finger is clean and dry. Dirt, moisture, or cuts can prevent recognition.

Step 2:

Place your finger firmly on the scanner. Do not move your finger while scanning.

Step 3:

Try scanning the same finger 2-3 times. The system may require multiple attempts.

Step 4:

If the issue persists, inform your class teacher. Your biometric data may need to be re-registered.

Issue: "Facial Recognition Not Working"**Step 1:**

Ensure adequate lighting at the facial recognition terminal.

Step 2:

Remove sunglasses, caps, or face masks that may obstruct facial features.

Step 3:

Stand at the correct distance (12-18 inches) from the camera.

Step 4:

Look directly at the camera without tilting your head.

Issue: "Attendance Not Marked" or "No Record in System"**Step 1:**

Check if the biometric terminal is powered on and functioning. Look for a green light indicator.

Step 2:

Verify that you have successfully completed the scan. The system will display a confirmation message.

Step 3:

Wait 5-10 minutes for the attendance to sync with the ERP system.

Step 4:

If attendance is still missing, contact your class teacher or the office immediately with the date and time.

Issue: "Duplicate Attendance Marked"**Step 1:**

Do not scan multiple times consecutively. Wait at least 2 minutes between scans.

Step 2:

If duplicate attendance has been recorded, contact your class teacher to report the issue.

Step 3:

The school office can manually correct duplicate attendance records in the ERP system.

SECTION 7 · CHATBOT Q&A KNOWLEDGE BASE**Q: How do I reset my password if I cannot log in?**

A: Click on "Forgot Password" on the login page. Enter your registered email or phone number. You will receive an OTP via email or SMS. Enter the OTP and create a new password with at least 8 characters including uppercase, lowercase, numbers, and special characters.

Q: Why is my account locked?

A: Your account is locked after 5 incorrect login attempts for security purposes. Wait for 30 minutes and try again. The account will automatically unlock. If it remains locked, contact IT Support at itsupport@abcschool.edu.in.

Q: What should I do if I cannot see my child's grades in the parent portal?

A: Ensure you are logged in with the correct parent account. Check if your account has been activated by the school (may take 24-48 hours). If you have multiple children, select the correct child from the dropdown menu. Contact the Accounts Department if the issue persists.

Q: How can I pay fees through the parent portal?

A: Log in to the parent portal, navigate to "Fee Payment" section, select the payment period, and choose your payment method (Credit Card, Debit Card, Net Banking, or UPI). Follow the on-screen instructions to complete the payment. You will receive a payment confirmation via email.

Q: What is the maximum file size for assignment submissions in the LMS?

A: The maximum file size for assignment submissions is 50 MB per file. Supported formats include PDF, DOC, DOCX, JPG, PNG, and MP4. If your file exceeds the limit, compress it or split it into multiple files.

Q: Why are my videos not playing in the LMS?

A: Check your internet speed (minimum 5 Mbps for HD quality). Lower the video quality in the player settings. Close other applications consuming bandwidth. Try accessing from a different device or network. If the issue persists, contact IT Support.

Q: How do I contact IT Support for technical issues?

A: You can reach IT Support at itsupport@abcschool.edu.in or call 022-XXXX-XXXX during office hours (9 AM - 5 PM, Monday to Friday). Provide your student/parent ID and a detailed description of the issue for faster resolution.

Q: What should I do if my biometric fingerprint is not recognized?

A: Ensure your finger is clean and dry. Place your finger firmly on the scanner without moving it. Try scanning 2-3 times. If the issue persists, inform your class teacher. Your biometric data may need to be re-registered.

Q: How long does it take for attendance to appear in the ERP system after biometric scanning?

A: Attendance records typically sync with the ERP system within 5-10 minutes after successful biometric scanning. If attendance is missing after this time, contact your class teacher or the office immediately.

Q: Why am I not receiving notifications from the school?

A: Check notification settings in your parent portal profile to ensure notifications are enabled. Verify your email address and phone number are correct. Check your spam/junk folder for school emails. For mobile app, enable push notifications in your device settings.

Q: What is the session timeout duration for the parent portal?

A: Sessions expire after 30 minutes of inactivity for security reasons. You will need to log in again. Check the "Remember Me" option if you want to stay logged in longer, but this is not recommended on shared devices.

Q: Can I access the LMS and parent portal on mobile devices?

A: Yes, both the LMS and parent portal are accessible through mobile browsers and dedicated mobile applications. Download the ABC School app from Google Play Store or Apple App Store for the best experience.

Q: What should I do if I cannot submit an assignment before the deadline?

A: Ensure your file size is within the 50 MB limit and the format is supported. Check your internet connection. Try uploading from a different browser or device. If the deadline has passed, contact your teacher immediately to request an extension.

Q: How do I update my contact information in the parent portal?

A: Log in to the parent portal, go to "Profile" or "Account Settings," and update your email address, phone number, or other contact details. Click "Save Changes." Your updated information will be used for all future notifications.

Q: What should I do if the ERP system shows incorrect fee information?

A: Contact the Accounts Department at accounts@abcschool.edu.in with your student ID and a screenshot of the incorrect information. They will verify and correct the records within 2-3 working days.
