ABC International School categorizes incidents into four severity levels to ensure appropriate response and escalation. Each level has defined procedures, responsible personnel, and documentation requirements. This classification helps maintain consistency in incident handling and ensures fair treatment of all students.

1.2 Incident Severity Levels

Level	Severity	Examples	Response Authority	Action
Level 1	Minor	Uniform violation, late arrival, incomplete homework, minor classroom disruption	Class Teacher	Verbal warning, note in diary, parent communication
Level 2	Moderate	Repeated uniform violations, bunking class, disrespect to teacher, fighting with peers	HOD/Counselor	Written warning, meeting with parents, behavior contract
Level 3	Serious	Cheating in exams, bullying, vandalism, substance possession, physical aggression	Discipline Committee	Suspension (1-3 days), parent meeting, counseling, detention
Level 4	Critical	Sexual misconduct, violence, theft, drug trafficking, severe bullying, weapon possession	Principal + Discipline Committee	Suspension (up to 7 days), expulsion proceedings, police involvement if needed

Any staff member or student who witnesses an incident must report it immediately to the class teacher, HOD, or Principal. Incident report form must be filled within 24 hours with details of what happened, when, where, and who was involved.

Step 2: Initial Assessment

The responsible authority (Class Teacher/HOD/Principal) assesses the incident severity, gathers information from all parties involved, and determines the appropriate response level. Student and parents are informed of the incident and their right to present their version.

Step 3: Investigation (if needed)

For Level 2 and above incidents, a formal investigation is conducted. Statements are collected from witnesses, evidence is documented, and both sides are given opportunity to present their case. Investigation should be completed within 5 working days.

Step 4: Decision & Action

Based on investigation findings, the appropriate authority decides on disciplinary action. Decision is communicated to student and parents in writing. Student has right to appeal within 5 days of receiving the decision.

Step 5: Documentation & Follow-up

All incidents and actions taken are documented in the student's file. Follow-up meetings are scheduled to monitor student behavior and ensure improvement. Counseling support is provided as needed.
