SECTION 3: GOVERNING BODY RESOLUTIONS

Resolution No. ABC/RES/2026/43 Authorization of Automated Procurement Workflow STATUS: PASSED

RESOLVED THAT the 'Procurement Approval Workflow and Budget Matrix' be implemented campus-wide. SECTION 4: CATEGORY 43 — PROCUREMENT APPROVAL WORKFLOW

- 3. Quotation Sourcing:** For items > INR 10,000, Procurement Office must source minimum 3 competitive quotes.
- 4. Comparative Statement:** A 'Technical & Commercial Comparison' is generated for the approving authority.
- 5. Approval:** Workflow routes the PR to the relevant authority based on the Budget Matrix (see 4.3).
- 6. Purchase Order (PO):** Upon final approval, a formal PO is generated and sent to the vendor.
- 7. GRN & Payment:** Goods Receipt Note (GRN) is generated upon delivery; Finance processes payment within 30 days.

SECTION 5: CHATBOT TRAINING Q&A (BACKEND OPERATIONAL ASSISTANT)

Q1: How do I initiate a request for new library books? **A:** You must raise a Purchase Requisition (PR) in the ERP system. Ensure you specify the book titles and estimated costs. The PR will be routed to the Librarian (HOD) for initial review.

Q2: Why was my requisition for lab chemicals flagged by the system? **A:** Requisitions are flagged if the requested amount exceeds the department's remaining quarterly budget. Please review your budget balance or submit a 'Budget Reallocation Request' to the Finance Office.

Q3: What is the mandatory requirement for purchasing equipment worth INR 25,000? **A:** For any purchase between INR 10,001 and INR 50,000, the Procurement

Office must source at least 3 competitive quotations and provide a comparative statement for the Principal's approval.

Q4: Who is the final authority for a capital expenditure of INR 5,00,000? A: For purchases between INR 2 Lakhs and 10 Lakhs, the Finance Trustee is the final approving authority, following a recommendation from the Principal.

Q5: Can I bypass the 3-quotation rule for urgent repairs? A: In cases of 'Emergency Repairs' (e.g., pipe burst), a 'Proprietary/Emergency Purchase' form can be used with the Principal's direct authorization, bypassing the standard 3-quote rule.

Q6: What is a GRN and why is it necessary for payment? A: A Goods Receipt Note (GRN) is a document generated upon delivery of items. It confirms that the goods received match the Purchase Order (PO) in terms of quantity and quality. Finance will only process vendor payments once a GRN is linked to the invoice.
