2. GRADE 1 HANDBOOK

Welcome to Grade 1

Grade 1 marks the formal beginning of primary education at ABC International School. Children transition from play-based learning in Kindergarten to structured yet engaging classroom activities. Our Grade 1 programme focuses on developing foundational literacy, numeracy, and social-emotional skills in a nurturing, print-rich environment.

Age Criterion

A child must have completed 6 years of age on or before 31st March of the academic year of admission to Grade 1, as per CBSE norms.

Assessment Policy — Grade 1

Grade 1 follows a continuous and comprehensive evaluation (CCE) approach with no formal written exams in Term 1. Assessment is portfolio-based, observational, and activity-driven.

- Portfolio assessment every 4 weeks
- Oral reading checks – fortnightly
- Math concept checks through games and worksheets
- Term 2: simple written assessments introduced in March

Homework Policy

Homework for Grade 1 is limited to a maximum of 20 minutes per day, combining reading aloud, simple worksheet practice, or creative tasks. No homework is assigned on weekends.

School Bag Guidelines

To protect spinal health, Grade 1 bags must not exceed 1.5 kg. The school operates on a subject-rotation timetable; parents receive a weekly schedule via the school app to ensure children bring only the required books each day.

3. GRADE 2 HANDBOOK

Overview

Grade 2 consolidates and extends the foundational skills built in Grade 1. Reading fluency, place-value understanding, and collaborative learning are central themes. Students are introduced to short writing paragraphs, skip counting, and basic map-reading through EVS.

Subjects — Grade 2

Subject	Periods/Week	Textbook
English	7	Marigold – 2 (NCERT)
Hindi	5	Rimjhim – 2 (NCERT)

Art & Craft	3	—
Physical Education	3	—
Value Education	1	School text

Learning Milestones — End of Grade 2

- ✓ Read passages of 150+ words independently with comprehension
- ✓ Write a structured paragraph of 5–6 sentences
- ✓ Perform addition and subtraction up to 1000
- ✓ Understand concepts of length, weight, and capacity using standard units
- ✓ Locate home state on India map and describe community helpers

Remedial Support

Students who need additional support are identified through fortnightly assessments. The school offers Learning Support sessions (Tuesday & Thursday, 2:35–3:30 PM) conducted by trained Special Educators free of charge.

4. GRADE 3 HANDBOOK

Overview

Grade 3 is a milestone year — it represents the transition from 'learning to read' to 'reading to learn'. Science and Social Studies emerge as distinct strands within EVS. Creative writing, multiplication, and digital literacy receive greater emphasis.

Subjects — Grade 3

Subject	Periods/Week	Textbook

Grade 3 Reading Programme

Every Grade 3 student participates in the **ABC Reads** programme — a structured reading initiative where each child reads a minimum of 12 books per year chosen from the school's levelled library. A Reading Log is maintained and reviewed at parent-teacher meetings.

5. GRADE 4–5 HANDBOOK (Upper Primary I)

Overview

Grades 4 and 5 constitute the Upper Primary I phase. Science and Social Science are now taught as independent subjects. Students begin essay writing, fractions, decimals, and basic data handling. Leadership roles (class monitors, house captains) are introduced.

Subjects — Grades 4 & 5

6. GRADE 6–8 HANDBOOK (Middle School)

Overview

The Middle School phase (Grades 6–8) is characterised by departmental teaching, subject-specialist teachers, and a shift toward independent research and project work. Students prepare their first investigatory science project in Grade 8 and develop critical thinking through debate, MUN, and STEM clubs.

Mathematics Standard vs Basic — Decision Guide

Students opting for Science or Commerce streams in Grade 11 MUST choose Mathematics Standard. Students opting for Humanities or Vocational streams may opt for Mathematics Basic. The choice must be confirmed during LOC submission in September.

Practical Examination Protocol

- Science practical exam is conducted by an external examiner appointed by CBSE
- Lab record (experiment file) must be complete and signed by the subject teacher
- Students must carry their CBSE admit card on all exam days
- For Computer/IT subjects, the practical includes a viva and a live coding/task session

School Preparation Programme

Activity	Frequency	Platform
Weekly Chapter Tests	Every Saturday	School Campus
Sample Paper Practice	Every Sunday (Oct–Feb)	School Portal / App
Doubt Clearing Sessions	Mon, Wed, Fri (4–5:30 PM)	School / Online
Pre-Board Mock Board	2 times (Nov & Jan)	School Campus
Parent Result Review Meet	After each pre-board	School Campus
CBSE Previous Year Papers	Self-study kit provided	School Library / App

9. GRADE 11–12 HANDBOOK (Senior Secondary)

Overview

Grades 11 and 12 prepare students for the CBSE Class 12 Board Examination and for competitive entrance examinations (JEE, NEET, CUET, CA Foundation, NDA, etc.). Students choose a stream — Science, Commerce, or Humanities — and select five subjects plus one optional subject.

Streams Available

Stream	Core Subjects	Optional Add-ons
Science (PCM)	English, Physics, Chemistry, Mathematics	Computer Science / PE / Fine Arts
Science (PCB)	English, Physics, Chemistry, Biology	Mathematics / Biotechnology / PE
Commerce	English, Accountancy, Business Studies, Economics	Mathematics / IP / PE / Fine Arts
Humanities	English, History, Political Science, Geography / Psychology	Economics / Fine Arts / Sociology / PE

10. CLASS-SPECIFIC RULES & REGULATIONS

Primary (Grades 1–5)

1. Students must arrive by 7:40 AM; gates close at 7:50 AM.
2. School diary must be brought every day and signed by parent nightly.
3. Snack box must contain a healthy, home-cooked item — no chips, candy, or aerated drinks.
4. All books, stationery, and belongings must be labelled with the child's name and class.
5. Students are not permitted to carry mobile phones to school.
6. Washroom breaks are allowed only between periods or during break time.
7. Lost and found articles are retained for 30 days in the school office.
8. Birthday celebrations (small, nut-free snack for the class) must be pre-approved by the class teacher.

Middle School (Grades 6–8)

1. Uniform must be worn strictly as prescribed; no modifications in collar, sleeve, or fit.
2. Mobile phones are strictly prohibited; confiscated phones will be returned only to parents.
3. Students are responsible for maintaining their own lockers; lockers are subject to random inspection.
4. Submission of assignments on time is mandatory; a late penalty of 10% per day applies.
5. Bullying, ragging, or cyberbullying will result in suspension and mandatory counselling.
6. Attendance below 75% in any subject will disqualify the student from examinations.
7. Students must not leave the school campus without a signed gate pass.
8. Internet access in the computer lab is monitored; misuse results in suspension of lab privileges.

Secondary (Grades 9–10)

1. Students must maintain a minimum attendance of 75% to be eligible for CBSE Board Exams.
2. All internal assessment components are mandatory; absence without medical certificate results in a zero.
3. The use of unfair means (UFM) in any examination is dealt with as per CBSE guidelines.
4. Students undertaking competitive exam coaching outside school must notify the school counsellor.
5. Study leave is not permitted before Board Exams; regular classes continue until the official last day.
6. Students must collect and verify their CBSE admit card two weeks before the exam.
7. Dress code for practical examinations: full school uniform; no casual wear.

Senior Secondary (Grades 11–12)

1. Students are treated as young adults; discipline is self-driven and monitored through a Student Code of Honour.
2. Attendance of 75% per subject is mandatory for appearing in Class 12 Board Exams.
3. Practical and project submissions have firm deadlines; no extensions beyond 5 days.
4. Students must declare all competitive exam registrations (JEE, NEET, CUET) to the school by October 31.
5. Guest lectures and Career Counselling sessions are compulsory for all Grade 11–12 students.
6. The Student Council is elected annually; all Grade 11 students are eligible to contest.
7. Possession or consumption of tobacco, alcohol, or any controlled substance leads to immediate expulsion.

11. SUBJECT COMBINATIONS GUIDE (Grade 11–12)

How to Choose Your Stream

Subject selection for Grade 11 is one of the most consequential decisions a student makes. ABC International School offers structured counselling sessions in February of Grade 10 to guide students and parents. The guide below outlines all approved combinations, eligibility criteria, and career pathways.

Eligibility for Streams

Stream	Minimum Grade 10 Marks Required
Science PCM	60% aggregate; 65% in Maths & Science
Science PCB	60% aggregate; 65% in Science; 55% in Maths
Commerce + Maths	55% aggregate; 55% in Maths
Commerce (no Maths)	50% aggregate
Humanities	No specific cutoff; counsellor approval

Approved Subject Combinations

Combination Code	Subjects (Compulsory + 1 Optional)	Career Pathway
PCM-CS	Eng, Physics, Chemistry, Maths + Computer Science	Engineering, IT, Data Science
PCM-PE	Eng, Physics, Chemistry, Maths + Physical Education	NDA, Sports Management
PCB-BT	Eng, Physics, Chemistry, Biology + Biotechnology	MBBS, Pharmacy, Research
PCB-Maths	Eng, Physics, Chemistry, Biology + Mathematics	Medical + Engineering
COM-M	Eng, Accountancy, Business Studies, Economics + Maths	CA, MBA, Finance
COM-IP	Eng, Accountancy, Business Studies, Economics + IP	Commerce + IT hybrid
COM-FA	Eng, Accountancy, Business Studies, Economics + FA	Design, Media, Commerce
HUM-GEO	Eng, History, Pol Science, Geography + Economics	Civil Services, Law, Geography
HUM-PSY	Eng, History, Pol Science, Psychology + Sociology	Psychology, Social Work, Journalism
HUM-FA	Eng, History, Pol Science, Fine Arts + Economics	Architecture, Fine Arts, Media

Note: A minimum of 15 students is required to run a combination. Combinations with fewer registrations may be discontinued, and affected students will be counselled for alternatives.

15. Q&A; DATASET FOR SCHOOL CHATBOT

Structured Q&A; Pairs — Class-Specific Topics

The following question-and-answer pairs are curated for training the ABC International School AI Chatbot. Each pair targets a distinct user query.

Q1: What is the minimum age for Grade 1 admission?

A: A child must have completed 6 years of age on or before 31st March of the academic year of admission, as per CBSE regulations.

Q2: What board does ABC International School follow?

A: ABC International School, Powai, is affiliated to the Central Board of Secondary Education (CBSE), New Delhi. The affiliation code is 1100XXX.

Q3: What are the school timings?

A: School operates from 7:45 AM to 2:30 PM Monday to Friday. On Saturdays, school runs from 7:45 AM to 12:30 PM for co-curricular activities and coaching classes.

Q4: Is ABC International School co-educational?

A: Yes, ABC International School is a co-educational (boys and girls) English-medium day school.

Q5: What subjects are taught in Grade 1?

A: Grade 1 students study English, Hindi, Mathematics, Environmental Studies (EVS), General Knowledge, Computer Fundamentals, Art & Craft, Physical Education, and Music/Dance. Library period is also included.

Q6: Are there formal exams in Grade 1?

A: Grade 1 follows a continuous and comprehensive evaluation (CCE) model. There are no formal written exams in Term 1. Simple written assessments are introduced in Term 2 (March).

Q7: How much homework is given in Grade 1?

A: Homework for Grade 1 is limited to a maximum of 20 minutes per day. No homework is assigned on weekends, as per the school's homework policy.

Q8: What is the maximum school bag weight for Grade 1?

A: Grade 1 bags must not exceed 1.5 kg. A weekly timetable is sent via the school app so children bring only the required books each day.

Q9: What subjects does Grade 2 study?

A: Grade 2 students study English, Hindi, Mathematics, EVS, General Knowledge, Computer, Art & Craft, Physical Education, and Value Education.

Q10: What are the learning milestones for Grade 2?

A: By the end of Grade 2, students should read 150+ word passages independently, write structured 5-6 sentence paragraphs, perform addition and subtraction up to 1000, and understand standard units of measurement.

Q11: Does the school offer remedial support for Grade 2 students?

A: Yes. Learning Support sessions are held every Tuesday and Thursday from 2:35 to 3:30 PM, conducted by trained Special Educators at no extra charge. Students are identified through fortnightly assessments.

Q12: What is the ABC Reads programme for Grade 3?

A: ABC Reads is a structured reading initiative where every Grade 3 student must read a minimum of 12 books per year selected from the school's levelled library. A Reading Log is maintained and reviewed at PTMs.

Q13: When is the Half-Yearly exam for Grade 3?

A: The Half-Yearly Examination for Grade 3 is held in September–October, carrying 80 marks. It forms part of Term I assessment.

Q14: Is a third language offered in Grade 3?

A: Yes, Sanskrit and French are offered as optional third languages from Grade 3, for 2 periods per week.

Q15: How many periods of Science does Grade 4 have per week?

A: Grade 4 has 4 periods of Science per week. Science is taught as an independent subject (not merged with Social Studies) from Grade 4 onwards.

Q16: When are leadership roles introduced at ABC?

A: Leadership roles such as class monitors, house captains, and prefects are introduced from Grade 4 onwards.

Q17: What is a Multi-Disciplinary Project (MDP)?

A: The MDP is a project that integrates concepts from multiple subjects. It is assessed for 10 marks each term in Grades 6 to 8, encouraging cross-curricular thinking and research skills.

Q18: What happens if a student's attendance falls below 75% in middle school?

A: Students with attendance below 75% in any subject are disqualified from appearing in the respective subject's examination, as per CBSE norms.

Q19: Does Grade 8 involve a science investigation project?

A: Yes. Grade 8 students prepare their first investigatory science project, which is a precursor to the CBSE science practicals in Grade 9 and 10.

Q20: What are the compulsory subjects in Grade 9?

A: Grade 9 compulsory subjects are: English Language & Literature (Code 184), Hindi Course-A (Code 002), Mathematics Standard (Code 041), Science (Code 086), and Social Science (Code 087).

Q21: What optional subjects can Grade 9 students choose?

A: Grade 9 optional sixth subjects include Sanskrit, French, Information Technology (Code 402), Artificial Intelligence (Code 417), or Physical Education (Code 048).

Q22: What are the internal assessment marks in Grade 9?

A: The 20-mark internal assessment comprises Periodic Tests (best of two, 10 marks), Multiple Assessments like quizzes and oral tests (5 marks), and Portfolio (5 marks). The Board Exam carries 80 marks.

Q23: When does the CBSE Class 10 Board Exam begin in 2026?

A: The CBSE Class 10 Board Examinations for 2025-26 are tentatively scheduled to begin on February 15, 2026 and conclude by March 30, 2026. Exact dates are confirmed by CBSE.

Q24: What is the difference between Mathematics Standard and Mathematics Basic?

A: Mathematics Standard (Code 041) is required for students planning to take Mathematics in Grade 11 (Science or Commerce with Maths). Mathematics Basic (Code 241) is for students not planning to continue Maths in senior school. Both carry the same weightage (80 marks Board + 20 internal).

Q25: How many Pre-Board exams does Grade 10 have?

A: Grade 10 students appear in two Pre-Board Examinations — Pre-Board I in November and Pre-Board II in January — before the actual CBSE Board Exams.

Q26: What is the LOC submission for Grade 10?

A: LOC (List of Candidates) is the official registration of Grade 10 students with CBSE, which must be submitted by the school in September. Students must verify their name, date of birth, subject choices, and photo before the LOC deadline.

Q27: How are doubt-clearing sessions scheduled for Grade 10?

A: Dedicated doubt-clearing sessions are held on Monday, Wednesday, and Friday from 4:00 PM to 5:30 PM, both on campus and online via the school portal.

Q28: What streams are available in Grade 11 at ABC?

A: Three streams are available: Science (PCM — Physics, Chemistry, Mathematics), Science (PCB — Physics, Chemistry, Biology), Commerce (with or without Mathematics), and Humanities.

Q29: What is the eligibility for the Science PCM stream in Grade 11?

A: Students must have scored at least 60% aggregate in Grade 10 Board Exams, with a minimum of 65% in Mathematics and Science combined.

Q30: Can a Commerce student take Mathematics in Grade 11?

A: Yes. The Commerce stream offers two combinations: Commerce with Mathematics (Accountancy, Business Studies, Economics, Mathematics) and Commerce without Mathematics. The former requires a minimum of 55% in Maths in Grade 10.

Q31: Which subject combination leads to an engineering career?

A: The PCM-CS combination (Physics, Chemistry, Mathematics + Computer Science) is the most popular pathway for engineering, IT, and data science aspirants.

Q32: What is the minimum number of students required to run a subject combination?

A: A minimum of 15 students must register for a specific subject combination for it to be offered. Combinations with fewer registrations may be discontinued, and students will be counselled for alternatives.

Q33: Are mobile phones allowed in school?

A: No. Mobile phones are strictly prohibited for all students from Grade 1 to Grade 12. Phones brought to school will be confiscated and returned only to parents.
