SECTION 1 · SPORTS POLICY & PHILOSOPHY

1.1 Mission & Vision

ABC International School believes that sports and physical education are integral components of holistic development. Our sports program aims to develop physically fit, mentally resilient, and morally upright individuals who can contribute positively to society. We promote excellence, teamwork, sportsmanship, and lifelong fitness through a comprehensive sports curriculum and competitive opportunities.

1.2 Core Sports Policies**Mandatory Physical Education**

All students from Grade 1 to Grade 12 must participate in Physical Education classes as per CBSE guidelines. PE classes are held 3 times per week for 45 minutes each. Exemption from PE requires medical certificate from a qualified doctor and approval from the Principal.

Sports Participation & Inclusivity

ABC School encourages all students to participate in sports activities regardless of skill level. We offer diverse sports options including individual and team sports to ensure every student finds an activity suited to their interests and abilities. Participation in inter-house and inter-school competitions is open to all eligible students.

Sportsmanship & Discipline

Students are expected to maintain the highest standards of sportsmanship, respect, and discipline during all sports activities. Unsporting conduct, verbal abuse, or physical aggression will result in disciplinary action including suspension from sports activities. All participants must follow the code of conduct established by the Sports Department.

Equipment & Safety

The school provides all necessary sports equipment and safety gear. Students are responsible for proper care and maintenance of equipment. Damaged or lost equipment must be reported immediately. Safety protocols are strictly enforced for all sports activities. Protective gear is mandatory for contact sports.
