| Total  | June 2025 – April 2026       | 218          | Minimum 220 instructional days as per CBSE |

1.2 Month-wise Event Calendar 2025–26

| Month          | Dates          | Activity / Event                     | Applicable Grades |
|----------------|----------------|--------------------------------------|-------------------|
| June 2025      | 10 Jun         | School reopens; Orientation Day      | All               |
|                | 16–20 Jun      | Class-wise baseline assessments      | Gr. 1–12          |
| July 2025      | 14–19 Jul      | Formative Assessment 1 (FA-1)        | Gr. 3–12          |
|                | 26 Jul         | Kargil Vijay Diwas – Assembly        | All               |
| August 2025    | 15 Aug         | Independence Day Celebration         | All               |
|                | 18–22 Aug      | Science Exhibition & Project Fair    | Gr. 6–12          |
| September 2025 | 1–12 Sep       | SA-1 Examinations (Mid-Term)         | Gr. 3–12          |
|                | 27 Sep         | SA-1 Report Cards Distributed        | Gr. 3–12          |
| October 2025   | 2 Oct          | Gandhi Jayanti — School Holiday      | All               |
|                | 20 Oct – 3 Nov | Diwali Break                         | All               |
| November 2025  | 4 Nov          | Term 2 Begins                        | All               |
|                | 17–21 Nov      | Formative Assessment 2 (FA-2)        | Gr. 3–12          |
| December 2025  | 6 Dec          | Annual Day / Cultural Fest           | All               |
|                | 24 Dec – 2 Jan | Christmas & New Year Break           | All               |
| January 2026   | 5 Jan          | School Reopens — Term 3              | All               |
|                | 26 Jan         | Republic Day Celebration             | All               |
| February 2026  | 2–13 Feb       | Pre-Board Examinations (Gr. 10 & 12) | Gr. 10, 12        |

|            |           |                                               |             |
|------------|-----------|-----------------------------------------------|-------------|
|            | 16–27 Feb | SA-2 Examinations (Gr. 3–9, 11)               | Gr. 3–9, 11 |
| March 2026 | 5 Mar     | CBSE Board Exams commence (Gr. 10 & 12)       | Gr. 10, 12  |
|            | 31 Mar    | SA-2 Results & Annual Report Cards (Gr. 3–9)  | Gr. 3–9     |
| April 2026 | 1–15 Apr  | CBSE Practical Exams & Project Submissions    | Gr. 10, 12  |
|            | 30 Apr    | Academic Year Concludes                       | All         |
| May 2026   | May (TBD) | Summer Camp & Enrichment Programme (Optional) | All         |

### 1.3 Vacation & Holiday Schedule

| Holiday / Break | Dates             | Duration | Notes                       |
|-----------------|-------------------|----------|-----------------------------|
| Summer Break    | 1–9 Jun 2025      | 9 days   | Staff development week held |
| Diwali Vacation | 20 Oct–3 Nov 2025 | 15 days  | Includes Diwali, Dussehra   |
| Christmas Break | 24 Dec–2 Jan 2026 | 10 days  | Christmas + New Year        |
| Holi Holiday    | 14 Mar 2026       | 1 day    | School holiday              |
| Gudi Padwa      | 30 Mar 2026       | 1 day    | Maharashtra New Year        |
| Ram Navami      | 6 Apr 2026        | 1 day    | —                           |
| Summer Vacation | 1 May–9 Jun 2026  | 40 days  | AY 2025-26 closes 30 Apr    |

*Note: The academic calendar is approved by the Principal and circulated to parents in May each year. CBSE Board exam dates are subject to CBSE notification and may differ slightly.*

2. Curriculum Guide

The Curriculum Guide outlines the educational philosophy, framework, and subject offerings at ABC International School, Powai. It serves as the master reference for all instructional planning across Pre-Primary to Grade XII.

2.1 Curricular Philosophy

ABC International School adopts a Competency-Based Curriculum (CBC) framework aligned with NCF 2023 (National Curriculum Framework) and CBSE guidelines. The school integrates IB-inspired inquiry-based pedagogy, Design Thinking, and STEAM education. Cambridge IGCSE is offered as a parallel stream for Grades 9–10.

2.2 Programme & Subject Framework

| Stage         | Grades    | Board / Framework   | Core Subjects                                      | Hrs/Week |
|---------------|-----------|---------------------|----------------------------------------------------|----------|
| Pre-Primary   | Nsy–Sr.KG | Activity / NCF 2023 | Numeracy, Literacy, EVS, Arts, PE                  | 25       |
| Primary       | Gr. 1–5   | CBSE / NCF 2023     | English, Hindi, Maths, EVS, Computer, Art, PE      | 35       |
| Middle        | Gr. 6–8   | CBSE                | Eng, Hindi/Marathi, Maths, Science, Social, IT, PE | 40       |
| Secondary     | Gr. 9–10  | CBSE + IGCSE (opt.) | 10 subjects incl. Maths, Science, SSt, Lang        | 42       |
| Sr. Sec – Sci | Gr. 11–12 | CBSE                | PCM/PCB + English + Elective                       | 42       |
| Sr. Sec – Com | Gr. 11–12 | CBSE                | Accounts, Business, Eco, Maths/IP + Eng            | 42       |
| Sr. Sec – Hum | Gr. 11–12 | CBSE                | History, Pol.Sc., Geo/Psych + Eng                  | 42       |

2.3 Co-Scholastic & Value Education

- Life Skills Education: Communication, empathy, decision-making integrated into weekly homeroom (Gr. 1–12).
- Health & Physical Education: 2 periods/week; swimming included Gr. 3–10.
- Art Education: Visual Arts, Performing Arts (Dance, Drama, Music) — 2 periods/week.
- Work Experience / SUPW: Community service projects and vocational activities (Gr. 6–10).
- Environmental Education: Dedicated Eco-Club activities; Green Campus programme.
- Value Education: Weekly ethics/moral science period across all grades.

2.4 STEAM & 21st-Century Skills Integration

| Skill Domain       | Integration Method                           | Grades   |
|--------------------|----------------------------------------------|----------|
| Critical Thinking  | Socratic questioning; case-study analysis    | Gr. 4–12 |
| Coding & Robotics  | Python (Gr. 6+), Scratch (Gr. 3–5), Robotics | Gr. 3–12 |
| Design Thinking    | IDEATE lab; project-based challenges         | Gr. 5–12 |
| Collaboration      | Group projects; cross-grade mentoring        | All      |
| Digital Literacy   | Google Workspace; research skills; e-safety  | Gr. 1–12 |
| Financial Literacy | Commerce club; budget simulations (Gr. 9+)   | Gr. 9–12 |

3. Subject Syllabi

Subject syllabi are prepared in alignment with CBSE's curriculum document and the school's academic calendar. Each syllabus is divided into units mapped to specific terms and assessment milestones. Below is a representative overview for key subjects across stages.

3.1 Syllabus Structure Framework

| Component             | Description                                             | Reviewed By           |
|-----------------------|---------------------------------------------------------|-----------------------|
| Learning Objectives   | Measurable outcomes per unit (Bloom's Taxonomy aligned) | HOD + Academic Coord. |
| Unit Plan             | Topic breakdown with estimated periods per unit         | Subject Teacher       |
| Textbooks & Resources | NCERT/CBSE + school-adopted supplementary materials     | HOD                   |
| Assessment Mapping    | FA/SA components linked to each unit                    | Exam Dept.            |
| Enrichment Activities | Projects, lab work, field trips, guest lectures         | Teacher               |
| Differentiation       | Advanced and remedial tracks noted per unit             | Counsellor + HOD      |

3.2 Sample Syllabus — Mathematics (Grade 8)

| Unit No. | Topic                                  | Periods | Term | Assessment |
|----------|----------------------------------------|---------|------|------------|
| 1        | Rational Numbers                       | 14      | T1   | FA-1       |
| 2        | Linear Equations in One Variable       | 12      | T1   | FA-1       |
| 3        | Understanding Quadrilaterals           | 16      | T1   | SA-1       |
| 4        | Data Handling & Probability            | 12      | T1   | SA-1       |
| 5        | Squares, Square Roots & Cubes          | 14      | T2   | FA-2       |
| 6        | Comparing Quantities (% & Interest)    | 14      | T2   | FA-2       |
| 7        | Algebraic Expressions & Identities     | 16      | T2   | SA-2       |
| 8        | Mensuration                            | 14      | T2   | SA-2       |
| 9        | Exponents & Powers; Direct/Inverse     | 12      | T3   | SA-2       |
| 10       | Factorisation; Graphs; Playing Numbers | 14      | T3   | SA-2       |

3.3 Sample Syllabus — English Language & Literature (Grade 10 — CBSE)

| Unit | Section / Book        | Topics / Chapters                                | Periods | Term  |
|------|-----------------------|--------------------------------------------------|---------|-------|
| 1    | First Flight (Reader) | A Letter to God; Nelson Mandela; Two Stories     | 20      | T1    |
| 2    | Footprints w/o Feet   | A Triumph of Surgery; The Thief's Story; Midnig  | 16      | T1    |
| 3    | Grammar               | Tenses, Modals, Subject-Verb Agreement, Reported | 18      | T1    |
| 4    | Writing Skills        | Formal Letters, Notice, Article, Story Writing   | 14      | T1/T2 |

|   |                                  |                                                 |    |    |
|---|----------------------------------|-------------------------------------------------|----|----|
| 5 | <b>First Flight (cont.)</b>      | From the Diary of Anne Frank; Glimpses of India | 20 | T2 |
| 6 | <b>Advanced Grammar</b>          | Editing, Gap filling, Sentence Reordering       | 14 | T2 |
| 7 | <b>Reading Comprehension</b>     | Unseen passages — discursive & literary         | 12 | T3 |
| 8 | <b>Revision &amp; Board Prep</b> | Full-length mock papers; previous year analysis | 16 | T3 |

*Note: Complete unit-by-unit syllabi for all subjects and grades are available in the Subject Syllabus Repository maintained by the Academic Coordinator. Updated at the start of each academic year.*

## 4. Examination Policy

The Examination Policy of ABC International School, Powai governs all internal assessments and external board examinations. It is aligned with CBSE's Examination Bye-Laws and the school's commitment to transparent, stress-free, holistic evaluation.

### 4.1 Assessment Structure by Stage

| Grade Group                 | Assessment Type                             | Frequency | Weightage       | Conducted By      |
|-----------------------------|---------------------------------------------|-----------|-----------------|-------------------|
| <b>Pre-Primary (Nsy–KG)</b> | Continuous observation; portfolio           | Monthly   | No marks/grades | Class Teacher     |
| <b>Gr. 1–2</b>              | Oral & activity-based; no written exam      | Ongoing   | No marks        | Class Teacher     |
| <b>Gr. 3–5</b>              | FA x2 + SA x2 (written + oral + project)    | Quarterly | See §5          | School Exam Dept. |
| <b>Gr. 6–8</b>              | FA x2 + SA x2 + practicals                  | Quarterly | See §5          | School Exam Dept. |
| <b>Gr. 9–10</b>             | FA x2 + SA x2 + Internals + Board (Gr. 10)  | Quarterly | See §5          | CBSE / School     |
| <b>Gr. 11–12</b>            | Periodic Tests x3 + Practicals + Board Exam | Per term  | See §5          | CBSE / School     |

### 4.2 Examination Rules & Code of Conduct

- Students must carry their Hall Ticket / Admit Card and school ID to all examinations.
- Reporting time: 15 minutes before the exam starts. Late entry is not permitted after 30 minutes.
- Use of mobile phones, smart watches, or electronic devices is strictly prohibited in the exam hall.
- Any form of malpractice (copying, impersonation, unfair means) results in cancellation of that paper and disciplinary action.
- Answer sheets are the property of the school and will not be returned to students; only marks are communicated.
- Re-checking of answer sheets is permitted within 5 working days of result declaration (fee: INR 100/subject).
- Medical absence: a medical certificate from a registered MBBS doctor must be submitted within 48 hours.
- Make-up exams are conducted only on medical grounds, subject to Principal's approval.

### 4.3 Board Examinations (Grade 10 & 12 — CBSE)

| Aspect                 | Details                                                               |
|------------------------|-----------------------------------------------------------------------|
| <b>Registration</b>    | CBSE LOC (List of Candidates) submitted by school in September        |
| <b>Practical Exams</b> | Conducted at school (external examiner assigned by CBSE) in Jan–Feb   |
| <b>Theory Exams</b>    | CBSE prescribed date sheet; commences early March                     |
| <b>Admit Cards</b>     | Issued by school after downloading from CBSE portal                   |
| <b>Results</b>         | Declared by CBSE online (cbseresults.nic.in); school notifies parents |
| <b>Compartment</b>     | Students failing in 1 subject may appear for compartment exam in July |
| <b>Re-evaluation</b>   | CBSE offers answer-sheet verification and re-evaluation (fees apply)  |

5. Assessment Guidelines

Assessment at ABC International School follows a balanced approach combining formative (ongoing) and summative (terminal) methods. Guidelines below apply to Grades 3–12 unless stated otherwise.

5.1 Formative Assessment (FA) Guidelines

- FA-1 conducted in July; FA-2 conducted in November.
- Tools include: class tests, quizzes, oral presentations, group activities, projects, and lab work.
- Each FA contributes 10% toward the annual grade (Gr. 6–10) or is recorded as a grade band.
- Teachers provide written feedback within 7 days of assessment.
- No ranking or comparison between students is published for formative assessments.
- FA scores may not be re-attempted; however, remedial support is offered to underperforming students.

5.2 Summative Assessment (SA) Mark Distribution — Grades 6–10

| Component                       | SA-1 (Mid-Term) | SA-2 (Annual) | Remarks                                       |
|---------------------------------|-----------------|---------------|-----------------------------------------------|
| Written Theory Paper            | 80 marks        | 80 marks      | 3-hour paper for Gr. 9–10; 2.5 hr for Gr. 6–8 |
| Internal Assessment / Practical | 20 marks        | 20 marks      | Lab work, projects, portfolio, oral           |
| Total per Subject               | 100 marks       | 100 marks     | Passing: 33% aggregate (CBSE norm)            |
| Annual Weightage (SA-1 + SA-2)  | 40%             | 60%           | Combined for final report card                |

5.3 Assessment Calendar Summary

| Assessment | Month   | Duration  | Grades     | Result Timeline       |
|------------|---------|-----------|------------|-----------------------|
| FA-1       | July    | 1 week    | Gr. 3–12   | Within 7 working days |
| SA-1       | Sep     | 2 weeks   | Gr. 3–12   | Report cards: end Sep |
| FA-2       | Nov     | 1 week    | Gr. 3–12   | Within 7 working days |
| Pre-Board  | Feb     | 2 weeks   | Gr. 10,12  | Within 10 days        |
| SA-2       | Feb–Mar | 2.5 weeks | Gr. 3–9,11 | Report cards: end Mar |
| CBSE Board | Mar–Apr | 6 weeks   | Gr. 10,12  | CBSE: May–June        |

6. Grading System Policy

ABC International School follows the CBSE grading and marking scheme for Grades 3–12. Pre-Primary and Grades 1–2 use a 5-point descriptive grade scale. The grading policy ensures consistent, transparent communication of academic performance.

6.1 Grading Scale — Grades 3–10 (CBSE Pattern)

| Grade | Marks Range (%) | Grade Point | Descriptor            | Remarks                  |
|-------|-----------------|-------------|-----------------------|--------------------------|
| A1    | 91–100          | 10.0        | Outstanding           | Distinction              |
| A2    | 81–90           | 9.0         | Excellent             | Merit                    |
| B1    | 71–80           | 8.0         | Very Good             | —                        |
| B2    | 61–70           | 7.0         | Good                  | —                        |
| C1    | 51–60           | 6.0         | Average               | —                        |
| C2    | 41–50           | 5.0         | Satisfactory          | —                        |
| D     | 33–40           | 4.0         | Needs Improvement     | Pass                     |
| E     | Below 33        | —           | Unsatisfactory / Fail | Fail — Remedial required |

6.2 Pre-Primary & Primary (Grades 1–2) Grading

| Grade | Descriptor              | Meaning                                                           |
|-------|-------------------------|-------------------------------------------------------------------|
| O     | Outstanding             | Consistently exceeds expectations; independently applies concepts |
| A     | Achieving               | Meets all learning goals; shows consistent effort                 |
| PA    | Progressing As Expected | Meeting most goals; some areas need attention                     |
| NI    | Needs Improvement       | Working towards goals; additional support recommended             |
| NA    | Not Assessed            | Absent or insufficient evidence to grade                          |

6.3 CGPA Calculation & Reporting

- CGPA = Average of Grade Points of best 5 subjects (as per CBSE norm for Gr. 10).
- Grade 12 results are reported as aggregate percentage and individual subject marks/grades.
- Co-scholastic activities (Sports, Art, Values) are graded A–D and reported separately (not included in CGPA).
- Report cards are issued after SA-1 (September) and SA-2 (March/April) each year.
- Digital report cards are accessible via the school's parent portal (ERP system) within 5 working days of result declaration.

7. Homework Policy

The Homework Policy of ABC International School ensures that assignments are purposeful, age-appropriate, and aligned with learning objectives. It discourages rote copying and encourages independent thinking, reading, and revision.

7.1 Purpose of Homework

- Reinforce classroom learning and consolidate concepts taught during the day.
- Develop independent study skills, self-discipline, and time management.
- Encourage reading habits and research skills.
- Provide teachers with formative feedback on student understanding.
- Foster creativity through open-ended assignments and projects.

7.2 Recommended Daily Homework Time

| Grade      | Max. Daily Time | Nature of Work                                      | Weekend HW           |
|------------|-----------------|-----------------------------------------------------|----------------------|
| Nursery–KG | None            | No formal homework; reading with parents encouraged | None                 |
| Gr. 1–2    | 20–30 min       | Reading, basic Maths practice, drawing/colouring    | None                 |
| Gr. 3–5    | 45–60 min       | Subject revision, reading, comprehension, projects  | Light project work   |
| Gr. 6–8    | 60–90 min       | Subject-wise assignments, map work, lab reports     | 1 project/week max   |
| Gr. 9–10   | 90–120 min      | Extensive revision, practice papers, practicals     | Revision papers      |
| Gr. 11–12  | 120–150 min     | Board prep, numericals, essays, research            | Full revision papers |

7.3 Rules & Responsibilities

- Teachers must ensure that combined homework from all subjects does not exceed the recommended daily time.
- Homework instructions are written in the student diary and/or posted on the class portal (Google Classroom).
- Students must complete and submit homework on the due date. Repeated non-submission is reported to parents.
- Copying from peers or online sources without attribution is treated as academic dishonesty.
- Parents should support (not do) homework; queries must be noted in the diary for teacher clarification.
- No homework is assigned over long vacations (Diwali, Summer) except optional enrichment tasks.
- Homework coordinators (form teachers) monitor the total homework load monthly.

## 8. Promotion Policy

The Promotion Policy defines the criteria by which students are promoted to the next grade. It is aligned with CBSE's no-detention policy (Grades 1–8 per RTE Act) and the school's academic standards for Grades 9–12.

### 8.1 Promotion Criteria by Grade Band

| Grade Band | Promotion Basis                             | Minimum Requirement          | Detention?                   |
|------------|---------------------------------------------|------------------------------|------------------------------|
| Gr. 1–8    | Continuous & Comprehensive Evaluation (CCE) | No detention (RTE Act 2009)  | No                           |
| Gr. 9      | SA-1 + SA-2 + Internals; 6 subjects         | 33% in each subject overall  | Yes — if <33%                |
| Gr. 10     | CBSE Board Exam + Internals                 | 33% in theory + 33% internal | Compartment exam             |
| Gr. 11     | Periodic tests + Annual exam                | 33% in each subject          | Yes — stream change possible |
| Gr. 12     | CBSE Board Exam                             | 33% per subject (Board)      | Compartment exam             |

### 8.2 Attendance Requirement for Promotion

- Minimum 75% attendance is mandatory for eligibility to appear in SA-2 / Annual examinations.
- Students with attendance between 65–74% may apply for condonation (medical or emergency grounds) to the Principal.
- Attendance below 65%: student is not eligible for promotion; held back in the same grade regardless of academic performance.
- Attendance is computed term-wise and cumulatively; absenteeism during exams counts as absence.

### 8.3 Promotion with Grace Marks Policy

| Situation                                          | Grace Marks Applicable       | Conditions                    |
|----------------------------------------------------|------------------------------|-------------------------------|
| 1–2 marks short of passing in 1 subject (Gr. 9–12) | Up to 2 marks                | Only once per academic year   |
| Overall aggregate 1% below passing threshold       | Rounding up to nearest whole | Auto-applied by Exam Dept.    |
| Medical grounds — missed internals                 | Marks interpolated           | Medical certificate mandatory |
| CBSE Board — compassionate consideration           | As per CBSE grace policy     | Applied by CBSE, not school   |

9. Timetable Templates

Timetables at ABC International School are prepared by the Time-Table Committee before the start of each academic year and revised at the beginning of Term 2. Templates below represent the standard formats used for Middle and Senior Secondary sections.

9.1 Standard School Timing Structure

| Period      | Time             | Duration | Activity                                      |
|-------------|------------------|----------|-----------------------------------------------|
| Assembly    | 7:40 – 8:00 AM   | 20 min   | Morning assembly, prayer, announcements       |
| Period 1    | 8:00 – 8:45 AM   | 45 min   | Regular subject period                        |
| Period 2    | 8:45 – 9:30 AM   | 45 min   | Regular subject period                        |
| Period 3    | 9:30 – 10:15 AM  | 45 min   | Regular subject period                        |
| Break 1     | 10:15 – 10:30 AM | 15 min   | Short break / snack time                      |
| Period 4    | 10:30 – 11:15 AM | 45 min   | Regular subject period                        |
| Period 5    | 11:15 – 12:00 PM | 45 min   | Regular subject period                        |
| Lunch Break | 12:00 – 12:40 PM | 40 min   | Lunch + recreation                            |
| Period 6    | 12:40 – 1:25 PM  | 45 min   | Regular subject period                        |
| Period 7    | 1:25 – 2:10 PM   | 45 min   | PE / Art / Activity / Lab                     |
| Period 8    | 2:10 – 2:55 PM   | 45 min   | Regular / Library / Remedial                  |
| Dispersal   | 3:00 PM          | —        | School buses depart; after-school care begins |

9.2 Weekly Timetable Template — Grade 8 (Sample)

| Period / Day | Monday        | Tuesday    | Wednesday  | Thursday   | Friday        |
|--------------|---------------|------------|------------|------------|---------------|
| P1           | English       | Maths      | English    | Science    | Maths         |
| P2           | Maths         | Hindi      | Science    | English    | Social Sc.    |
| P3           | Science       | Social Sc. | Maths      | Hindi      | English       |
| P4           | Social Sc.    | Science    | Hindi      | Maths      | Science       |
| P5           | Hindi         | English    | IT/Comp    | Social Sc. | Hindi         |
| P6           | IT/Comp       | Art/Music  | PE         | IT/Comp    | Value Ed.     |
| P7           | PE            | Library    | Social Sc. | Art/Music  | Homeroom      |
| P8           | Remedial/Free | Maths      | Science    | PE         | Assembly Prep |

Note: Timetable is indicative. Lab periods are double-blocked (90 min) on alternate weeks for Science and IT.

## 10. Lesson Planning Templates

All teachers at ABC International School are required to prepare lesson plans before each class. Lesson plans are reviewed by the Head of Department (HOD) monthly and by the Academic Coordinator during supervisory visits.

### 10.1 Standard Lesson Plan Template (45-Minute Period)

| Section                             | Field / Content Required                                               |
|-------------------------------------|------------------------------------------------------------------------|
| <b>School &amp; Teacher</b>         | Name, Grade & Div., Subject, Date, Period No.                          |
| <b>Topic</b>                        | Chapter name and specific topic/concept for the day                    |
| <b>Learning Objectives</b>          | 3–5 measurable outcomes (Bloom's Taxonomy level noted)                 |
| <b>Pre-requisites</b>               | Prior knowledge / concepts students should already know                |
| <b>Materials &amp; Resources</b>    | Textbook (page nos.), Smart Board slides, manipulatives, lab equipment |
| <b>Introduction (5 min)</b>         | Hook / activation activity; connecting to prior knowledge              |
| <b>Direct Teaching (15 min)</b>     | Explanation, demonstration, board work, concept development            |
| <b>Guided Practice (12 min)</b>     | Worked examples; Q&A; think-pair-share; whiteboard responses           |
| <b>Independent Practice (8 min)</b> | Classwork; worksheet; exercise from textbook                           |
| <b>Closure (5 min)</b>              | Summary; exit ticket; key takeaway; preview of next lesson             |
| <b>Differentiation</b>              | Modifications for advanced learners and students needing support       |
| <b>Assessment Alignment</b>         | Link to FA/SA component; what will be assessed and how                 |
| <b>Homework</b>                     | Specific task assigned (page nos., questions); estimated time          |
| <b>Teacher Reflection</b>           | Completed after class: what worked, what to revisit, student responses |

### 10.2 Unit Plan Template (Monthly / Chapter Level)

| Field                            | Content                                                   |
|----------------------------------|-----------------------------------------------------------|
| <b>Unit Title</b>                | Chapter / thematic unit name                              |
| <b>Duration</b>                  | Estimated number of periods; start and end week           |
| <b>Big Questions</b>             | 2–3 essential questions the unit will explore             |
| <b>Key Concepts &amp; Skills</b> | Core vocabulary, processes, formulas, or competencies     |
| <b>Assessment Plan</b>           | FA/SA component linked; rubric reference; project details |
| <b>Period-wise Breakdown</b>     | Day-by-day topic map with activity type noted             |
| <b>Enrichment Tasks</b>          | Extension activities for advanced students                |
| <b>Resources</b>                 | NCERT chapter, supplementary book, video links, lab list  |
| <b>Cross-curricular Links</b>    | Connections to other subjects / STEAM                     |

| HOD Review Date | Date of review; HOD initials |
|-----------------|------------------------------|
|-----------------|------------------------------|

*Note: All lesson plans are submitted digitally via the school ERP (Google Classroom integration) by Sunday 8:00 PM for the following week. Physical copies are maintained in the subject file.*

11. Remedial Education Policy

The Remedial Education Policy ensures that every student receives targeted academic support when they face learning difficulties. It is framed in alignment with CBSE's Inclusive Education Guidelines and the school's commitment to every learner's success.

11.1 Identification of Students Requiring Remediation

- Students scoring below 40% in any subject in FA-1 or SA-1 are automatically flagged.
- Class teachers may identify students based on consistent classroom non-performance or inattention.
- The school counsellor screens students for learning disabilities (dyslexia, dyscalculia) using standardised tools.
- Parents may request remedial support by submitting a written request to the class teacher.
- FA-2 data is used to evaluate effectiveness of Term 1 remediation and update the remediation list.

11.2 Remedial Support Structure

| Support Level                | Who                        | When                   | Mode                          | Duration  |
|------------------------------|----------------------------|------------------------|-------------------------------|-----------|
| Level 1 — In-Class           | Subject teacher            | During Period 8 / free | Small group; peer tutoring    | Ongoing   |
| Level 2 — After School       | Subject / remedial teacher | Mon & Wed, 3–4 PM      | Dedicated remedial class      | 6–8 weeks |
| Level 3 — Counsellor Support | School counsellor          | By appointment         | 1-on-1; study skills coaching | As needed |
| Level 4 — Special Education  | SENCO / special educator   | Timetabled sessions    | IEP-based; modified tasks     | Full year |
| Level 5 — Parent Partnership | Teacher + parent           | Monthly meeting        | Home learning plan shared     | Ongoing   |

11.3 Individual Education Plan (IEP) for SEN Students

- Students identified with Special Educational Needs (SEN) are provided an IEP within 4 weeks of identification.
- IEP components: current performance level, annual goals, specific accommodations, support personnel, review timeline.
- Accommodations may include: extra time in exams, larger font papers, scribe facility, oral exam option.
- IEPs are reviewed every quarter by the SENCO, class teacher, and counsellor.
- Confidentiality: IEP details are shared only with relevant teachers and parents; not disclosed to peers.

11.4 Monitoring & Exit Criteria

| Milestone            | Criteria                                | Action                                   |
|----------------------|-----------------------------------------|------------------------------------------|
| Entry to Remediation | Below 40% in FA-1 or SA-1               | Parent informed; remedial plan activated |
| 4-Week Review        | Teacher observation + short test        | Progress noted; plan adjusted if needed  |
| Exit from Level 1–2  | Sustained 50%+ in subsequent assessment | Student monitored for 2 more months      |

|                        |                                                   |                                         |
|------------------------|---------------------------------------------------|-----------------------------------------|
| Referral to Counsellor | No improvement after 6 weeks of Level 1–2 support | Formal psycho-educational assessment    |
| Annual Review          | End-of-year SA-2 performance                      | Report shared at parent-teacher meeting |

*Note: Remedial education is not a punitive measure. Participation is treated with full confidentiality and sensitivity. Teachers are trained annually in differentiated instruction techniques.*

## 12. Chatbot FAQ — Academic & Curriculum Queries

This section contains curated Question–Answer pairs for chatbot training and parent/student-facing digital assistants at ABC International School, Powai. Questions cover the most frequently asked academic and curriculum-related queries.

### Category A — Academic Calendar

**Q: When does the school year start and end at ABC International School Powai?**

A: The academic year 2025–26 at ABC International School, Powai begins on 10 June 2025 and concludes on 30 April 2026. The school follows three terms: Term 1 (June–September), Term 2 (October–January), and Term 3 (February–April).

**Q: How many working days does the school have in a year?**

A: The school maintains a minimum of 218 instructional days per year across three terms, meeting the CBSE requirement of at least 220 working days (including teacher training days). The exact count may vary slightly due to CBSE notifications or state government holidays.

**Q: When is the Diwali break in 2025?**

A: The Diwali vacation for Academic Year 2025–26 runs from 20 October to 3 November 2025 — a break of 15 days. School resumes on 4 November 2025 for the start of Term 2.

### Category B — Examinations & Assessments

**Q: Does ABC International School conduct a written exam for Nursery or KG?**

A: No. There are absolutely no written examinations for Nursery, Junior KG, or Senior KG students. Assessment at the Pre-Primary level is entirely through continuous observation, portfolios, and activity-based evaluation by the class teacher, as per CBSE and NCF 2023 guidelines.

**Q: What is FA and SA in school exams?**

A: FA stands for Formative Assessment — these are ongoing, low-stakes assessments conducted twice a year (FA-1 in July, FA-2 in November) through tests, projects, activities, and oral work. SA stands for Summative Assessment — these are written examinations held twice a year: SA-1 (Mid-Term, September) and SA-2 (Annual, February–March). Both contribute to the student's annual grade.

**Q: What is the passing mark in exams at ABC International School?**

A: For Grades 3–12 (CBSE pattern), the minimum passing mark is 33% in each subject, in both theory and internal assessment components separately. For CBSE Board exams (Grade 10 and 12), CBSE's official passing criteria of 33% in theory and 33% in overall subject applies. Students in Grades 1–2 are not given percentage marks; they receive descriptive grade bands.

**Q: Can a student miss an exam due to illness?**

A: Yes. If a student is absent on medical grounds, a medical certificate from a registered MBBS doctor must be submitted within 48 hours of the missed exam. A make-up examination is conducted subject to the Principal's approval. For CBSE Board exams, the student must contact CBSE directly for compassionate consideration; the school will provide supporting documentation.

### Category C — Grading System

**Q: What grading system does ABC International School follow?**

A: The school follows the CBSE 9-point grading scale for Grades 3–10. Grades range from A1 (Outstanding, 91–100%, grade point 10) down to E (Fail, below 33%). For Grades 11–12, marks are reported as percentages for the CBSE Board. Pre-Primary and Grades 1–2 use a 5-point descriptive scale (Outstanding, Achieving, Progressing As Expected, Needs

Improvement, Not Assessed).

**Q: How is CGPA calculated?**

A: CGPA (Cumulative Grade Point Average) is the average of grade points earned in the best 5 subjects as per CBSE norms for Grade 10. For example, if a student scores A1, A2, B1, B2, B1 in 5 subjects, the  $CGPA = (10+9+8+7+8) / 5 = 8.4$ . The school's ERP system automatically computes CGPA and displays it on the digital report card.

**Q: When are report cards issued?**

A: Report cards are issued twice a year: after SA-1 (end of September) and after SA-2 (end of March). Digital copies are accessible via the school's parent portal within 5 working days of result declaration. Physical copies are distributed at the Parent-Teacher Meeting scheduled after each examination cycle.

**Category D — Homework & Curriculum****Q: How much homework should my child get each day?**

A: The recommended daily homework time is: Nursery–KG: none (reading with parents only); Grades 1–2: 20–30 minutes; Grades 3–5: 45–60 minutes; Grades 6–8: 60–90 minutes; Grades 9–10: 90–120 minutes; Grades 11–12: 120–150 minutes. If your child is consistently spending more time than this, please raise it with the class teacher or homeroom coordinator.

**Q: Does the school follow NCERT books?**

A: Yes. ABC International School uses NCERT textbooks as the primary curriculum resource for all CBSE subjects. Supplementary books and school-adopted workbooks are used to provide additional practice and enrichment. For Cambridge IGCSE (Grades 9–10), Cambridge-approved textbooks published by Cambridge University Press or endorsed publishers are used.

**Q: What subjects are offered in Grade 11 Science stream?**

A: In the Science stream at Grade 11, students study English Core, Physics, Chemistry, and either Mathematics or Biology as core subjects, plus one elective which may be Informatics Practices, Physical Education, or an additional language. PCM (Physics, Chemistry, Maths) and PCB (Physics, Chemistry, Biology) tracks are both available.

**Category E — Promotion & Remedial Support****Q: Can a student be held back or detained at ABC International School?**

A: For Grades 1–8, no student is detained under the Right to Education Act 2009 — promotion is automatic. However, students who score below expected levels receive structured remedial support. From Grade 9 onwards, promotion requires a minimum of 33% in each subject. Students who do not meet this are offered supplementary exams before a final decision. Attendance below 65% can also result in detention regardless of grades.

**Q: What remedial support is available for my child who is struggling?**

A: The school offers a 5-level remedial support system: Level 1 is in-class small group support during Period 8; Level 2 is after-school remedial classes (Monday & Wednesday, 3–4 PM); Level 3 involves the school counsellor for study skills coaching; Level 4 provides a Special Education teacher for students with diagnosed learning needs (with an Individual Education Plan); Level 5 is a home learning partnership with parents. To enrol your child, please speak with the class teacher or write to the Academic Coordinator.

**Q: How does the school handle students with learning disabilities like dyslexia?**

A: Students identified with learning disabilities are assessed by the school counsellor using standardised screening tools. If a learning disability is confirmed, an Individual Education Plan (IEP) is prepared within 4 weeks. Accommodations include extra time in exams, larger font question papers, scribe facility, and oral examination options. The IEP is reviewed every quarter and kept strictly confidential.
