SECTION 2 – CANTEEN POLICY

2.1 General Conduct Policy

All students, staff, and canteen personnel are expected to maintain dignity, cleanliness, and orderly conduct within the cafeteria premises. Queue-jumping, wastage of food, and littering are strictly prohibited. Students must consume meals only within the designated canteen area or approved outdoor seating zones.

2.2 Food Procurement Policy

All raw materials and packaged food items must be sourced exclusively from FSSAI-registered suppliers. Perishable items (dairy, vegetables, meats) are procured fresh daily. A 72-hour emergency stock of non-perishable essentials is maintained at all times. No food items with artificial trans-fats, excessive preservatives, or MSG are permitted.

2.3 Junk Food & Banned Items Policy

In alignment with CBSE Circular No. F.56-2/2015-AFF (Dt. June 2, 2015) and Maharashtra Government Directive 2018 on School Nutrition, the following are STRICTLY BANNED from the school canteen: carbonated beverages, energy drinks, deep-fried packaged snacks with >30% fat, chewing gum, gutka/pan masala, and any food item with artificial colour exceeding permissible limits.

2.4 Vegetarian & Non-Vegetarian Policy

ABC International School Powai operates a PURE VEGETARIAN canteen. No eggs, meat, fish, or poultry products are served on the school premises during school hours. The decision is in keeping with the school's inclusive philosophy, serving the diverse student body. Jain meal options are available every day on request (no onion, no garlic, no root vegetables).

2.5 Hygiene & Sanitation Policy

All canteen staff must wash hands every 30 minutes and after handling waste. Food-contact surfaces are sanitised with food-grade disinfectant every 2 hours. Disposable gloves and hair nets are mandatory for all food handlers. The kitchen is deep-cleaned every Saturday. Pest control is carried out on the last Saturday of every month by Rentokil PCI.

2.6 Cashless Transaction Policy

Effective April 2023, the canteen operates on a fully cashless model. Students use RFID-enabled ABC Smart Cards for all purchases. Cards can be recharged online via the ABC Parent App, school office, or canteen kiosk. Minimum recharge:

- 100. Daily spending limits can be set by parents via app.

2.7 External Food Policy

Students are permitted to bring home-cooked tiffin from home. However, ordering food from external food delivery services (Zomato, Swiggy, etc.) to school premises is strictly prohibited for security and hygiene reasons. Birthday treats/celebration food may be brought with prior written permission from the class teacher and must be packed, sealed, and FSSAI-compliant items only.

2.8 Food Waste Management Policy

The school follows a Zero Food Waste initiative. Leftover cooked food is donated to registered NGO 'Robin Hood Army' every Tuesday and Thursday. Vegetable waste and peels are composted in the school's organic composting unit. Used cooking oil is collected and supplied to biodiesel manufacturers quarterly.

■ Policy Acknowledgement: All parents/guardians receive a copy of this policy in the School Diary at the start of each academic year. Digital acceptance is also collected via ABC Parent App during admission/re-admission process.

Total Fat	10–14g	5–8g	< 10% saturated fat; no trans fat
Dietary Fibre	6–10g	2–4g	Via vegetables, whole grains, legumes
Sodium (Salt)	< 800 mg	< 300 mg	Salt in cooking kept minimal
Iron	≥ 4mg	≥ 1mg	Spinach, fortified flour, jaggery used
Calcium	≥ 200mg	≥ 80mg	Dairy, ragi, sesame sources
Vitamin C	≥ 15mg	≥ 10mg	Fresh salad, lemon, tomato daily
Sugar (Added)	< 10g	< 5g	No refined sugar in main meals

Wellness Initiatives

■ Eat the Rainbow Week

Last week of September – Each day features a different colour of fruits/vegetables to educate students about phytonutrients.

■ Millet Monday

Every Monday snack features a millet-based item (bajra, ragi, jowar, foxtail millet) as part of the government's Millets 2023 initiative.

■ Hydration Drive

Students are reminded to drink at least 6–8 glasses of water daily. Water dispensers are placed at canteen entry.

■ Zero-Waste Meal Challenge

Quarterly initiative where students earn 'Green Points' for finishing their meal and reducing waste.

■ Nutrition Awareness Boards

Updated monthly at canteen entrance – calorie counts, nutrient highlights, and fun food facts.

■■■■ Dietitian Sessions

Half-yearly sessions for Grade 6–10 students on healthy eating, reading food labels, and teen nutrition.

■■■ 'Cook with Us' Workshop

Annual event where students participate in preparing a healthy recipe under chef supervision.

SECTION 11 – EMERGENCY FOOD PROTOCOLS

■ Food Contamination Incident

1. Immediately stop serving the suspected item.
2. Preserve a sample of the suspect food in a sealed container for testing.
3. Notify school nurse and canteen manager immediately.
4. Identify and monitor all students who consumed the item.
5. Contact FSSAI local office and file a preliminary report within 24 hours.
6. Inform affected parents with factual information only.
7. Arrange alternate meal from pre-approved backup supplier.
8. Conduct full kitchen inspection before resuming affected item.

■ Allergic Reaction / Anaphylaxis

1. Administer first aid immediately; school nurse to be present within 2 minutes.
2. If student has prescribed epinephrine auto-injector (EpiPen), administer per protocol.
3. Call emergency services (108) if reaction is severe.
4. Notify parents immediately.

SECTION 13 – CHATBOT TRAINING Q&A; DATASET

The following Q&A; pairs are specifically structured for training the school chatbot. They cover the most frequently asked questions by parents, students, and prospective families about ABC International School Powai's cafeteria and food services. Each answer is factual, complete, and based on the data in this document.

General Canteen FAQs

Q: Does ABC International School Powai have a canteen?

A: Yes, ABC International School Powai has a fully operational, in-house cafeteria called 'ABC Nourish Hub' located on the ground floor of Block A. It serves hygienic, nutritious, pure vegetarian meals to students and staff Monday through Friday on all working days.

Q: What are the canteen timings?

A: Snack break is from 10:00 AM to 11:20 AM (staggered by grade group). Lunch is served from 12:30 PM to 2:10 PM. An early breakfast counter is available from 7:30–8:00 AM and an evening snack counter for extended-day students runs 3:30–4:00 PM.

Q: Is the school canteen vegetarian?

A: Yes, ABC International School Powai operates a PURE VEGETARIAN canteen. No eggs, meat, fish, or poultry products are served. Jain meal options (no onion, no garlic, no root vegetables) are also available daily on subscription.

Q: Is the canteen FSSAI certified?

A: Yes. The canteen holds FSSAI State Licence No. 11224999000579, valid until March 2027. The catering partner, Annapoorna Food Services Pvt. Ltd., also holds their own FSSAI licence (No. 10024999001821). The last FSSAI inspection in June 2024 scored 88/100 (B+) with all issues resolved.

Q: Can students bring food from home?

A: Yes, students are welcome to bring home-cooked tiffin from home. However, ordering food via external delivery apps like Zomato or Swiggy to school premises is strictly prohibited. Birthday treats may be brought with prior written permission from the class teacher.

Q: How do I check what is being served today?

A: The monthly menu schedule is published on the ABC Parent App under the 'Canteen' section. The menu is also displayed on the notice board outside the cafeteria every morning.

Q: How many students can the canteen seat at one time?

A: The cafeteria can seat up to 320 students simultaneously. To manage capacity, lunch and snack breaks are staggered by grade group.

Meal Plans & Pricing FAQs

Q: How much does a school meal plan cost?

A: Meal plans start from ₹750/month for a snack-only plan and go up to ₹2,350/month for a Jain Full Meal plan. The most popular Full Meal Plan (snack + lunch, 5 days/week) is ₹2,200/month or ₹6,400/term. All plans are billed termly and can be customised.

Q: What is the ABC Nourish Card (Smart Card)?

A: The ABC Nourish Card is an RFID Smart Card used for all cashless canteen transactions. It is issued at the time of admission for ₹150 (refundable). Cards can be recharged via the ABC Parent App, school finance desk, or canteen kiosk. Parents can set daily spending limits via the app.

Q: What is the minimum recharge amount for the Smart Card?

A: The minimum recharge amount is ₹100. The maximum balance allowed on the card at any time is ₹2,000.

Q: How can I check my child's canteen spending?

A: Real-time transaction alerts are sent to parents via SMS and the ABC Parent App every time the Smart Card is used. You can also view the full transaction history in the app under 'Canteen' → 'Transaction History'.

Q: What if my child loses the Smart Card?

A: Report the loss immediately to the school administration office. The card will be blocked within 1 hour of reporting. A replacement card costs ₹75. Any balance on the old card will be transferred to the new card within 3 working days.

Q: Are there à la carte options at the canteen?

A: Yes, students can also purchase individual items at the à la carte counter. Prices range from ₹20 (lemon water) to ₹110 (paneer butter masala thali). A full thali (dal + sabzi + rice + roti) is available for ₹90.

Q: Is a 3-day meal plan available instead of 5-day?

A: Yes, a 3-day Full Meal Plan (snack + lunch) is available at ₹1,450/month or ₹4,200/term for families who prefer it.

Food Safety & Quality FAQs

Q: How does the school ensure food safety in the canteen?

A: The school maintains rigorous food safety standards: FSSAI-licensed kitchen and catering partner, ISO 22000:2018 certification, monthly pest control by Rentokil PCI, water tested by a NABL-accredited lab, and regular inspections (internal + third-party). The last third-party audit by Eurofins in January 2025 scored 96/100 (A+).

Q: Are the vegetables and ingredients fresh?

A: Yes, all perishable items including vegetables, fruits, and dairy are procured fresh daily from FSSAI-registered vendors. The school maintains a 72-hour stock only for non-perishable essentials. All vendors are audited twice a year.

Q: Is the cooking oil used in the canteen safe?

A: The canteen uses fortified edible oil from M/s Kisan Oil Mills, an FSSAI-registered supplier. No reuse of cooking oil is permitted. Deep-frying of foods is minimised in the health-conscious menu. Trans-fat-containing oils are banned.

Q: How is water quality ensured in the kitchen?

A: The kitchen uses an AquaSure RO water filtration system that is maintained monthly. An annual water quality test is conducted by H2O Analytics, a NABL-accredited laboratory. The February 2025 test confirmed full compliance with BIS IS 10500 standards for all 10 parameters including bacteria, TDS, pH, and nitrates.

Q: Are junk foods and carbonated drinks available in the canteen?

A: No. In compliance with CBSE Circular No. F.56-2/2015-AFF and the Maharashtra Government 2018 Nutrition Directive, all carbonated beverages, energy drinks, deep-fried packaged snacks, chewing gum, and items with artificial colours are strictly banned from the school canteen.

Q: How often is the kitchen inspected?

A: The kitchen undergoes daily internal hygiene checks, monthly BMC or internal committee inspections, bi-annual FSSAI surprise audits, and annual third-party audits. A pest control inspection is conducted monthly by Rentokil PCI. All inspection reports are maintained on file.

Q: What hygiene practices do canteen staff follow?

A: All canteen staff wear mandatory hair nets and disposable gloves, wash hands every 30 minutes and after waste handling, wear clean uniforms daily, and carry valid health cards from registered medical officers. The kitchen is deep-cleaned every

Saturday and sanitised with food-grade disinfectant every 2 hours during operating hours.

Allergy & Special Diet FAQs

Q: How do I declare my child's food allergy to the school?

A: Fill the Allergy Declaration Form (ADF-2024) available at the school office or downloadable from the Parent App. Submit it to the school nurse with a doctor's certificate if required. Once submitted, the canteen staff is notified, and your child's meals are prepared separately with allergen-free ingredients and packed with a colour-coded allergy label.

Q: Can the canteen accommodate a nut-free diet for my child?

A: Yes. Nut-free meal options are available all 5 days at no extra charge. Once you file the Allergy Declaration Form citing nut allergy, the canteen ensures your child's meals are prepared using separate utensils in a dedicated kitchen area, away from nut-containing preparations.

Q: Are Jain meals available?

A: Yes, Jain meals (no onion, no garlic, no root vegetables including potato, carrot, beet) are available every day on subscription. The Jain Full Meal Plan costs ₹2,350/month. Advance notice at the time of meal subscription is required.

Q: Does the canteen offer gluten-free options?

A: Gluten-free roti made from jowar or bajra flour is available on Monday, Wednesday, and Friday for students with declared gluten intolerance. The surcharge is ₹200/month. A doctor's certificate is recommended when subscribing to this plan.

Q: What happens if my child has an allergic reaction at school?

A: The school nurse is available within 2 minutes for any allergic reaction. If the student has a prescribed EpiPen, it is administered immediately. Emergency services (108) are called if the reaction is severe. Parents are notified immediately. A full incident report (form AI-2024) is filed and the root cause is investigated within 48 hours.

Q: Is a dairy-free or vegan option available?

A: Dairy-free alternatives are available on Tuesday and Thursday on request. For regular dairy-free requirements, it can be arranged through the meal subscription with 48 hours' prior notice. A surcharge of ₹150/month applies.

Q: Can I get a low-sugar meal plan for my diabetic child?

A: Yes. A low-sugar/diabetic-friendly meal plan is available all 5 days with a doctor's certificate and subscription request. There is a surcharge of ₹100/month. The nutrition supervisor ensures meals are appropriately low in added sugars and refined carbohydrates.

Complaints & Feedback FAQs

Q: How do I file a complaint about the canteen?

A: You can file a complaint through: (1) The ABC Parent App – Canteen → Submit Feedback; (2) Email: canteen.complaint@ABC-powai.edu.in; (3) Physical Complaint Register at the canteen entrance; (4) School Reception: 022-6176-4000 Ext. 204; or (5) Anonymous feedback box at the canteen or school gate.

Q: What is the response time for canteen complaints?

A: Food quality complaints receive a 2-hour response and 24-hour resolution. Contamination or allergy incidents are handled immediately. Billing issues are resolved within 3 working days. Staff misconduct complaints are resolved within 5 working days. All complaints are logged and tracked to closure.

Q: What if I find a foreign object in the food?

A: Stop consuming the food immediately and report to the class teacher or canteen manager right away. The incident is treated as a priority-1 complaint. A sample of the food is preserved for investigation, an FSSAI report is filed within 24 hours, and a full

kitchen inspection is conducted before the item is served again. You will receive a formal response within 24 hours.

Q: Is there a way to give feedback on the food quality anonymously?

A: Yes. Anonymous feedback slips can be deposited in the feedback boxes located at the canteen entrance and near the main school gate. An online anonymous feedback option is also available on the Parent App under 'Canteen' → 'Anonymous Feedback'.

Q: What is the canteen helpdesk number?

A: The canteen helpdesk can be reached at 022-6176-4000 (Ext: 204) during school hours, 8:00 AM to 4:30 PM, Monday to Friday. Email: canteen.complaint@ABC-powai.edu.in.

Menu & Nutrition FAQs

Q: Where can I see the monthly menu?

A: The monthly canteen menu is published on the ABC Parent App at the beginning of each month under 'Canteen' → 'Monthly Menu'. It is also displayed on the notice board at the canteen entrance and sent via the school's WhatsApp broadcast group.

Q: Does the canteen serve the same food every week?

A: No, the menu rotates on a 4-week cycle to ensure variety and balanced nutrition. Special day menus are also planned for national holidays, festivals, and school events like Children's Day and Nutrition Week. The 4-week cycle repeats across the academic year with seasonal adjustments.

Q: Is the food nutritionally balanced?

A: Yes. All meals are designed by a Registered Dietitian following ICMR RDA guidelines. A school lunch provides approximately 400–550 kcal with adequate protein (12–18g), complex carbohydrates, dietary fibre, and key micronutrients. No trans fats, minimal added salt, and less than 10g added sugar per meal.

Q: Does the canteen offer anything special on festivals?

A: Yes! Special menus are prepared for festivals and national days throughout the year. For example: Diwali Week features festive sweets like Besan Ladoo and Dry Fruit Barfi; Christmas Week offers Pasta and Garlic Bread; Republic Day features a North Indian feast. The annual Children's Day menu includes student favourites like whole-wheat pizza and pasta.

Q: What is 'Millet Monday'?

A: Every Monday, the snack item features a millet-based preparation – such as ragi dosa, bajra khichdi, jowar bhakri, or foxtail millet upma. This initiative supports the Government of India's promotion of millets as part of the International Year of Millets 2023 programme and continues as part of the school's nutrition policy.

Q: Is there a separate menu for Pre-Primary students?

A: Yes. Pre-primary students (Nursery–KG, age 3–6) receive a specially curated lighter menu with age-appropriate textures, smaller portions, no spicy ingredients, and soft/mashed items as needed. Their lunch break is at 12:30 PM and is supervised by class teachers.

Q: Does the canteen cater to students with religious dietary preferences?

A: The canteen is fully vegetarian, making it suitable for most religious dietary preferences. Jain meals are available daily on subscription. Sattvic meals (no root vegetables, no non-veg) are also available on subscription at ₹100/month surcharge.
