

DIGITAL SYSTEMS / ERP WORKFLOW DOCUMENT REPOSITORY

ABC International School – Powai, Mumbai, Maharashtra Chatbot

Training Dataset | Category 30 | Version 1.0 – 2024-25

School	ABC International School, Powai, Mumbai – 400076
Board / Affiliation	CBSE & Cambridge IGCSE / CAIE
Document Category	30 – Digital Systems / ERP / Workflow
Purpose	Staff reference, parent guidance & AI chatbot training
Academic Year	2024-25
Prepared By	IT & Systems Department, ABC Powai
Classification	Internal Use Only

1. ERP SYSTEM OVERVIEW – ABC POWAI

ABC International School, Powai uses **EduNxt ERP** (integrated with the ABC Group's centralised school management platform) as its primary Enterprise Resource Planning system. The ERP unifies academics, administration, finance, HR, transport, library and communication under a single cloud-hosted environment accessible via web browser and dedicated mobile apps.

1.1 System Architecture

ERP Platform	EduNxt / ABC School ERP (cloud-hosted, AWS Mumbai region)
Access URL	https://ABC.edunxt.com (staff) / https://parent.ABC.edunxt.com (parents)
Mobile App	'ABC Connect' – available on Google Play & Apple App Store
Database Backup	Automated nightly incremental + weekly full backup to S3
Uptime SLA	99.5% monthly; maintenance window: Sunday 1:00 AM – 3:00 AM
Support Email	ersupport.powai@ABCinternational.net
Support Phone	+91-22-4890-XXXX (ext. 210) – IT Helpdesk, 8 AM–6 PM Mon–Sat

1.2 Core Modules

Module	Function
Student Information System (SIS)	Admissions, enrolment, demographics, documents
Academic Management	Time-table, lesson plans, assessments, report cards
Attendance Management	Biometric + manual attendance for students & staff
Fee & Finance	Fee collection, receipts, dues tracking, ledger
HR & Payroll	Staff records, leave, payroll, appraisals
Transport	Route management, GPS tracking, parent alerts
Library	Book catalogue, issue/return, e-resources
Communication Hub	Circulars, SMS/email blasts, parent notifications
Exam & Results	Internal/board exam scheduling, marks entry, grade cards
Inventory & Assets	Lab equipment, IT assets, furniture tracking

Chatbot Q&A; – ERP Overview

Question	Answer
What ERP system does ABC Powai use?	The school uses EduNxt ERP, part of the ABC Group's centralised school management platform, accessible at ABC.edunxt.com.

ABC INTERNATIONAL SCHOOL – POWAI, MUMBAI

Digital Systems / ERP / Workflow Document Repository | Chatbot Training Dataset

Question	Answer
How do I log into the school ERP?	Staff log in at https://ABC.edunxt.com using your employee ID and password issued by the IT department. Parents use https://parent.ABC.edunxt.com with the credentials shared at admission.
Is there a mobile app for the ERP?	Yes – download 'ABC Connect' from Google Play or the Apple App Store. Use the same login credentials as the web portal.
What do I do if the ERP is down?	Check the IT notice board or WhatsApp staff group for a maintenance alert. For urgent issues, call the IT Helpdesk at ext. 210 or email ersupport.powai@ABCinternational.net .
Who manages the ERP at school?	The IT & Systems Department manages the ERP. The IT Coordinator is the first point of contact for access, training and technical issues.

2. STUDENT PORTAL – USER GUIDE

The Student Portal is accessible from Grade 6 onwards. Students can view timetables, assignments, marks, attendance summaries, library records and school circulars. The portal is read-only for most sections; assignment submissions and online quizzes are the primary interactive features.

2.1 Getting Started

Portal URL	https://student.ABC.edunxt.com
Username	School Admission Number (e.g., PPS-POW-2023-0456)
Default Password	Date of birth in DDMMYYYY format (change on first login)
Supported Browsers	Chrome 110+, Edge 110+, Firefox 115+, Safari 16+
App	Log in via 'ABC Connect' app → Student section

2.2 Dashboard Features

- **Today's Timetable:** Live class schedule with subject, teacher name and room number.
- **Attendance Summary:** Monthly and year-to-date attendance percentage; colour-coded (green ≥85%, amber 75-84%, red below 75%).
- **Assignments:** Pending, submitted and graded assignments. Upload limit: 25 MB per file; accepted formats: PDF, DOCX, JPEG, PNG.
- **Marks & Report Cards:** Unit test, half-yearly and annual marks; downloadable report cards in PDF.
- **Library:** Books currently issued, due dates and overdue fine status.
- **Circulars & Notices:** All school circulars; download as PDF. Requires acknowledgement click for mandatory notices.
- **Fee Summary:** Outstanding fees, payment history and official receipt download.
- **Online Assessments:** Scheduled quizzes and MCQ tests released by subject teachers.
- **Olympiad / Competition Registration:** Link to register for ABC Olympiad and CBSE/CAIE external competitions.
- **E-Resources:** Links to approved digital textbooks, Khan Academy playlists and NCERT solutions.

2.3 Password & Account Issues

Forgot Password	Click 'Forgot Password' on the login page; OTP sent to registered mobile.
Account Locked	After 5 failed attempts, account locks for 30 min or contact IT Helpdesk.
Name / DOB error	Submit correction request via the school office with supporting documents.
New Device Login	OTP verification required on first login from any new device.

Chatbot Q&A; – Student Portal

Question	Answer
How do I log into the student portal?	Go to https://student.ABC.edunxt.com . Your username is your admission number (e.g., PPS-POW-2023-0456) and default password is your date of birth (DDMMYYYY). Change your password on first login.
I forgot my student portal password. What should I do?	Click 'Forgot Password' on the login screen. An OTP will be sent to your registered mobile number. If the mobile number has changed, contact the IT Helpdesk with your admission card.
Where can I see my attendance on the portal?	After logging in, go to the Attendance section on your dashboard. You'll see monthly and cumulative attendance. If it shows red (below 75%), speak to your class teacher.
How do I submit an assignment online?	Go to the Assignments section, open the pending task, click 'Upload File', choose your file (PDF/DOCX/image, max 25 MB) and click Submit. You'll receive a submission confirmation.
Can students download their report cards from the portal?	Yes. Go to Marks & Report Cards, select the term and click 'Download PDF'. If the report card is not yet released, contact your class teacher.
What file formats are accepted for assignment uploads?	The portal accepts PDF, DOCX, JPEG and PNG formats. Maximum file size is 25 MB per upload.

3. PARENT PORTAL – STANDARD OPERATING PROCEDURE

The Parent Portal (also called Parent Connect) is the primary digital interface between parents/guardians and the school. It provides real-time access to academic performance, attendance, fee records, transport tracking, communication and event updates for all enrolled children under a single login.

3.1 Portal Access Details

Web Portal	https://parent.ABC.edunxt.com
Mobile App	ABC Connect → Login → Parent section
Username	Registered mobile number or parent email ID
Password	Sent via SMS/email at time of admission; reset via OTP
Multiple Children	One parent login shows all enrolled siblings automatically
24×7 Access	Portal available round-the-clock; maintenance 1–3 AM Sundays

3.2 Key Features & SOP Steps

A. Viewing Child's Attendance

- Step: Log in → Select child's name from the top dropdown.
- Step: Click 'Attendance' in the left navigation panel.
- Step: View monthly calendar view (P = Present, A = Absent, L = Late, H = Holiday).
- Step: Download attendance report: click 'Export PDF' for official record.
- Step: If attendance appears incorrect, raise a query via the 'Raise Concern' button within 3 working days.

B. Fee Payment SOP

- Step: Log in → Click 'Fee & Payments' in the navigation menu.
- Step: View pending dues broken down by term, category (tuition, transport, activity fee, etc.).
- Step: Click 'Pay Now' → choose payment mode: UPI (GPay, PhonePe, Paytm), Net Banking, Credit/Debit Card.
- Step: Enter payment details on the secure payment gateway (HDFC Payment Gateway).
- Step: On success, an official receipt is generated instantly – download as PDF.
- Step: Receipts are also available in 'Payment History' for all past transactions.
- Step: For fee disputes or concession queries, email fees.powai@ABCinternational.net.

C. Viewing Results & Report Cards

- Step: Log in → Academics → Marks & Reports.
- Step: Select the academic year and term (Unit Test 1, Half-Yearly, Annual, etc.).
- Step: Marks display subject-wise with teacher remarks.
- Step: Report cards are published within 5 working days of result declaration.
- Step: Download official report card PDF for board/external submission requirements.

D. Leave Application via Portal

- Step: Log in → Attendance → Apply Leave.
- Step: Enter leave dates, select reason from dropdown (medical, family, travel, other).

- Step: Upload supporting document (medical certificate, etc.) if applicable.
- Step: Submit – class teacher receives notification and approves/rejects within 24 hours.
- Step: Parent gets SMS/app notification of approval status.

3.3 Communication Features

- **Circular & Notices:** All school circulars with mandatory read-receipt acknowledgement.
- **Direct Message to Teacher:** Send queries to class teacher or subject teacher; response within 48 working hours.
- **Event Calendar:** School events, PTMs, exam dates, holidays; add to phone calendar with one click.
- **Transport Tracking:** Live GPS location of child's school bus, estimated arrival, driver contact.
- **Grievance Submission:** Lodge a formal concern; tracked with ticket number; 5-working-day resolution SLA.
- **Gallery:** Photos from school events; download enabled for parents.

Chatbot Q&A; – Parent Portal

Question	Answer
How do I register on the parent portal?	Your login credentials (mobile number as username + OTP-generated password) are shared via SMS at the time of your child's admission. If not received, contact the front office or email admissions.powai@ABCinternational.net .
Can I pay school fees through the parent portal?	Yes. Log in → Fee & Payments → Pay Now. We accept UPI (GPay, PhonePe, Paytm), Net Banking and Credit/Debit Cards. An official receipt is generated immediately after payment.
How do I apply for leave for my child?	Log in → Attendance → Apply Leave. Enter dates, select reason and upload a document if needed. The class teacher is notified and approves within 24 hours. You'll receive an SMS confirmation.
I have two children in ABC Powai. Do I need separate logins?	No. A single parent login shows all enrolled siblings. Use the child selector dropdown at the top of the dashboard to switch between children.
How can I track my child's school bus?	Log in → Transport → Live Tracking. You can see the bus location on a map, estimated arrival time and the driver's contact number.
Who do I contact if the parent portal is not working?	Call the IT Helpdesk at +91-22-4890-XXXX ext. 210 (Mon–Sat, 8 AM–6 PM) or email erpsupport.powai@ABCinternational.net .
How do I update my mobile number on the parent portal?	Mobile number updates must be done in person at the school office with a photo ID proof. Changes take 24–48 hours to reflect on the portal.

4. TEACHER PORTAL – USER GUIDE

The Teacher Portal is the primary digital workspace for all teaching and non-teaching staff at ABC International School, Powai. It integrates lesson planning, attendance marking, marks entry, communication, leave management and professional development tracking.

4.1 Login & Profile Setup

Portal URL	https://ABC.edunxt.com (Staff Login tab)
Username	Employee ID (e.g., PPW-TCH-0089)
Password	Issued by HR on joining; change mandatory within 7 days
2FA	Optional but recommended; set up under Profile → Security
Profile Update	Upload profile photo, update contact, set substitution availability

4.2 Daily Workflow

Morning Routine (Before 8:30 AM)

- Log in → Dashboard shows Today's Timetable with period-wise class assignments.
- Check 'Announcements' for any circulars from Principal or Coordinator.
- Review any pending student leave applications for your class.
- Open Attendance → mark period-wise or daily attendance (biometric auto-imports after 9:00 AM).

During Class / Academic Tasks

- Lesson Plan: Upload lesson plans for current week under Academics → Lesson Planner.
- Assign homework: Assignments → Create New; set due date, file format, marks weightage.
- View student submissions in real-time; use the inline grading tool.
- Record classwork notes or observations under Class Diary.

Marks Entry SOP

- Step: Go to Academics → Marks Entry → Select Exam Type (UT1, HY, Annual).
- Step: Select Grade and Subject; marks sheet opens with student list.
- Step: Enter marks; system validates against maximum marks and flags outliers.
- Step: Click Save Draft to store without submitting; click Submit to finalise.
- Step: Once submitted, marks can only be edited with Coordinator approval.
- Step: Coordinator reviews and publishes marks – parents notified automatically.

4.3 Communication Tools

- Parent Messaging:** Send individual or class-wide messages to parents. All messages are logged.
- Staff Circular Distribution:** Coordinators and Admin can broadcast circulars; teachers receive push notifications.
- Substitution Request:** If on leave, raise a substitution request 24 hours in advance; IT auto-notifies substitute.
- PTM Scheduling:** View your PTM slot allocation; mark attendance after each parent meeting.
- Professional Development Log:** Record training, workshops and CPD hours for annual appraisal.

4.4 Leave Management for Staff

Apply Leave	Teacher Portal → My Leaves → Apply Leave → select type & dates → Submit
Leave Types	Casual Leave (CL), Sick Leave (SL), Earned Leave (EL), Maternity/Paternity, Special Duty
Approval Flow	Teacher → Coordinator → Principal (auto-email at each step)
Leave Balance	Visible under My Leaves → Leave Balance (updates nightly)
Emergency Leave	Call or WhatsApp coordinator directly; formalise on portal same day

Chatbot Q&A; – Teacher Portal

Question	Answer
How do I mark student attendance on the portal?	Log in → Attendance → Select Date & Class. Mark Present/Absent/Late for each student. Biometric data auto-imports after 9 AM; manual override is possible for corrections. Submit before 10 AM for accurate daily reports.
How do I enter marks in the ERP?	Go to Academics → Marks Entry → select the exam, grade and subject. Enter marks for each student and click Submit. Marks can be saved as draft first. Once submitted, corrections require Coordinator approval.
How do I create and assign homework on the portal?	Go to Assignments → Create New. Enter title, subject, instructions, due date and maximum marks. Attach any reference files. Students will see it on their portal and app immediately.
Can I message parents directly through the ERP?	Yes. Go to Communication → Parent Messages → Select Class or individual student → compose and send. All messages are recorded and visible to the administration.
How do I apply for leave as a teacher?	Go to My Leaves → Apply Leave. Select leave type (CL/SL/EL), enter dates and reason. The request goes to your Coordinator, then Principal. You receive SMS/email confirmation.
Where do I upload my lesson plans?	Go to Academics → Lesson Planner → Select subject, grade and week. Upload your plan in DOCX or PDF format. Coordinators review uploaded plans during academic audits.

5. ATTENDANCE SYSTEM – SOP

ABC International School, Powai operates a hybrid attendance system combining biometric devices at the main gate with manual period-wise attendance marking on the Teacher Portal. Integration between both systems ensures accuracy and real-time parent notification.

5.1 Student Attendance Flow

Biometric Entry	Student scans fingerprint/RFID card at gate biometric terminal.
System Integration	Data syncs to ERP within 15 minutes; visible on parent app.
Parent Notification	SMS/push alert sent to parent within 20 minutes of gate scan.
Class Attendance	Subject teachers mark period-wise attendance on Teacher Portal.
Absent Notification	If student absent without prior leave, automated SMS + call to parent by 9:30 AM.
Late Entry	Students arriving after 8:25 AM marked Late; 3 lates = 1 absent for CBSE purposes.
Early Departure	Parents collect children at office; gate officer marks 'Early Out' in ERP.

5.2 Staff Attendance Flow

Biometric Device	Staff punch in/out at staff entrance biometric terminal (Device ID: BIO-STF-01).
Shift Time	Reporting 7:45 AM; Departure after 3:30 PM (teachers) / 5:00 PM (admin staff).
Late Mark	Arrival after 8:00 AM flagged as late; 3 lates per month = CL deduction.
OD/Duty Travel	Mark On-Duty on portal before travel; principal approval required.
Payroll Integration	Attendance data feeds automatically to payroll module on the last day of month.

5.3 Discrepancy Resolution

- Student did not scan but is present: Teacher marks 'M' (Manual Present) with reason on portal.
- Biometric device failure: Manual register maintained; IT logs downtime incident within 2 hours.
- Parent disputes absence: Parent raises concern on portal; school cross-checks CCTV if needed; corrected within 2 working days.
- Staff payroll discrepancy: Staff submits attendance correction form to HR within 3 days of payroll cut-off.
- CBSE Attendance shortfall: If below 75%, coordinator issues warning letter; parents called for meeting.

■ CBSE Regulation: Students must maintain a minimum 75% attendance to be eligible to appear in board examinations. Medical condonation (up to 10% shortfall) requires a medical certificate verified by the school doctor.

Chatbot Q&A; – Attendance System

Question	Answer
How does the attendance system work at ABC Powai?	Students scan their fingerprint or RFID card at the main gate. This data syncs to the ERP within 15 minutes and parents receive an SMS/app notification. Teachers also mark period-wise attendance on their portal.
What happens if my child is absent without leave?	An automated SMS and phone call is sent to parents by 9:30 AM. The class teacher also sends a message. If the absence continues, the school coordinator follows up.
What is the minimum attendance required?	CBSE mandates a minimum of 75% attendance for students to be eligible for board exams. Medical condonation of up to 10% shortfall is possible with a verified medical certificate.
My child was present but marked absent. What do I do?	Raise a concern on the Parent Portal under Attendance → Raise Concern. The school will cross-check biometric and CCTV records and correct within 2 working days.
What time should students arrive at school?	Students should arrive before 8:25 AM. Arrivals after 8:25 AM are marked Late. Three late arrivals equal one absence for attendance calculation purposes.
How does the staff attendance system work?	Staff punch in/out at the staff entrance biometric terminal. Attendance feeds directly into payroll. Arrivals after 8:00 AM are flagged as late.

6. BIOMETRIC DEVICE – SOP

The school operates ZKTeco biometric terminals for both student gate access and staff attendance. These devices use fingerprint recognition and RFID/proximity card scanning, integrated with the EduNxt ERP via local LAN and cloud sync.

6.1 Device Inventory – ABC Powai

Device ID	Location	Type	Users
BIO-STU-01	Main Gate (Student Entry)	Fingerprint+RFID	All Students
BIO-STU-02	Main Gate (Exit)	Fingerprint+RFID	All Students
BIO-STF-01	Staff Entrance (Ground)	Fingerprint+PIN	All Staff
BIO-STF-02	Staff Entrance (Backup)	Fingerprint+PIN	All Staff
BIO-LIB-01	Library Entry	RFID Only	Grade 6–12

6.2 Enrolment Procedure (New Students/Staff)

- Step 1: IT Coordinator opens ZKTeco Admin Console on enrolled PC (IP: 192.168.10.5, port 4370).
- Step 1: Create new user: enter Employee/Admission ID, name, department, access level.
- Step 1: Place finger on sensor → system captures 3 fingerprint templates for accuracy.
- Step 1: Assign RFID card (pre-programmed cards issued by IT store); scan card to link to profile.
- Step 1: Test: ask user to scan; confirm 'Verified' message appears on device screen.
- Step 1: Sync to ERP: click 'Push to Device' in EduNxt → HR Module → Biometric Sync.
- Step 1: Enrolment completion time: approximately 5 minutes per person.
- Step 1: IT Coordinator opens ZKTeco Admin Console on enrolled PC (IP: 192.168.10.5).
- Step 2: Create new user: enter Employee/Admission ID, name, department, access level.
- Step 3: Place finger on sensor – system captures 3 fingerprint templates.
- Step 4: Assign RFID card and scan to link to the profile.
- Step 5: Test scan – confirm 'Verified' message on device screen.
- Step 6: Sync to ERP: EduNxt → HR Module → Biometric Sync → Push to Device.
- Step 7: Estimated enrolment time: 5 minutes per person.

6.3 Troubleshooting Common Issues

Fingerprint not recognised	Clean finger and device sensor with dry cloth; try 3 times; if persistent, use RFID card or manual marking – report to IT.
Device shows 'Offline'	Check LAN cable and power; restart device (hold power 5 sec); IT to check server sync.
Card not detected	Re-present card slowly; if failed 3 times, card may be demagnetised – collect replacement from IT store.
Device screen frozen	Force restart: remove power for 10 seconds, reconnect. If recurs, log IT helpdesk ticket.

Data not syncing to ERP	IT to check EduNxt Biometric Sync service; manual CSV import from device as fallback.
Wrong time on device	IT to sync device time via ZKTeco Admin Console → Device Time Sync (NTP server: time.ABC.internal).

Chatbot Q&A; – Biometric Devices

Question	Answer
My fingerprint is not being recognised at the gate. What should I do?	Clean your finger and the sensor with a dry cloth and try again. If it fails after 3 attempts, use your RFID card or inform the gate officer for manual marking. Report the issue to the IT Helpdesk so your fingerprint can be re-enrolled.
How do I get a new biometric RFID card?	Visit the IT store (Ground Floor, Admin Block) with your school ID. A replacement card is issued free for the first replacement; subsequent replacements have a nominal charge.
When does the biometric attendance data show on the parent app?	Biometric data syncs to the ERP within 15 minutes of the student scanning at the gate. The parent app notification is sent within 20 minutes.
My ward scanned at the gate but the parent portal shows absent. Why?	There may be a temporary sync delay. Wait 30 minutes and refresh. If still showing absent, raise a concern on the Parent Portal or call the IT Helpdesk.

7. ID CARD PRINTING WORKFLOW

Student and staff ID cards at ABC International School, Powai are printed in-house using the school's card printing setup integrated with the ERP. Cards serve as identity proof, library access, canteen cashless payment and biometric linking.

7.1 ID Card Specifications

Card Size	CR-80 standard (85.6 mm × 54 mm), 0.76 mm PVC
Print Technology	Zebra ZC300 Dual-Side Colour Card Printer
Front Side	Student/Staff photo, Name, Class/Designation, Admission/Emp ID, QR code
Back Side	School address, emergency contact, RFID chip, barcode, blood group
Lamination	Both sides – matte-finish overlay for durability
Validity	Student: annual (reissued each June); Staff: 3 years
Printer Location	IT Room 101, Ground Floor, Admin Block

7.2 New ID Card Printing Process

- Step 1: HR/Admin team confirms new admission or staff joining with IT via email (cc: it.coordinator@ABCinternational.net).
- Step 2: IT Coordinator opens EduNxt → SIS → Student/Staff Record → verify photo, name, ID number and class.
- Step 3: If photo missing: parent/HR to upload via portal or email to IT; IT uploads to profile.
- Step 4: Open ID Card Design Module in EduNxt or Cardpresso software; select 'ABC Powai Student/Staff' template.
- Step 5: Fetch data from ERP: System auto-populates name, ID, class, photo, blood group.
- Step 6: Preview card on screen; verify all fields for accuracy.
- Step 7: Load Zebra ZC300 printer with fresh PVC cards and ribbon cassette.
- Step 8: Print test card on plain paper first; confirm alignment.
- Step 9: Print actual card; inspect print quality (no smudge, correct colour, legible QR code).
- Step 10: Apply lamination overlay using laminator attachment.
- Step 11: Punch hole, attach lanyard/card holder and label batch.
- Step 12: Record card issuance in ERP: SIS → ID Card Log → mark as Issued.
- Step 13: Distribute cards to class teacher for student distribution or to HR for staff.

7.3 Duplicate / Lost Card Policy

First Replacement	Free of charge on submission of written request to office with parent signature.
Subsequent Replacements	Rs. 100 per card; fee paid at accounts counter; receipt submitted to IT.
Processing Time	1–2 working days after request and payment confirmation.
Damaged Card	Submit damaged card; replacement issued same as lost card procedure.
Staff Card	Staff pays Rs. 150 for replacement; deducted from salary or cash payment.

Chatbot Q&A; – ID Cards

Question	Answer
How do I get a duplicate ID card for my child?	Submit a written request at the school office with a parent signature. The first replacement is free. Subsequent replacements cost Rs. 100. The card is ready in 1–2 working days.
What information is printed on the student ID card?	The front has the student's photo, name, class, admission number and a QR code. The back has the school address, emergency contact number, blood group, barcode and an RFID chip.
My child's ID card is damaged. Can I get a replacement?	Yes. Submit the damaged card to the school office along with a replacement request. The process and charges are the same as for a lost card.
When are ID cards issued to new students?	ID cards are typically issued within the first 2 weeks of admission. New students are informed by their class teacher when cards are ready for collection.

8. IT HELPDESK – STANDARD OPERATING PROCEDURE

The IT Helpdesk at ABC International School, Powai is the single point of contact for all technology-related issues, service requests and ERP support for students, parents, teaching staff and administrative staff.

8.1 Contact Channels

In-Person	IT Room 101, Ground Floor, Admin Block – Mon to Sat, 8 AM–5 PM
Telephone	+91-22-4890-XXXX, Extension 210
Email	erpsupport.powai@ABCinternational.net (response within 4 working hours)
Portal Ticket	ERP → Helpdesk → Raise Ticket (staff and parents)
WhatsApp	+91-98XX-XXXXXXX (IT Coordinator) – for urgent issues only, 8 AM–7 PM

8.2 Ticket Categories & SLA

Priority	Category	Examples	Response SLA	Resolution SLA
P1 – Critical	System Down	ERP unavailable, biometric failure, internet outage	30 min	4 hours
P2 – High	Major Function	Cannot submit marks, fee payment error, attendance not syncing	2 hours	8 hours
P3 – Medium	Standard	Password reset, portal access, report card download	4 hours	24 hours
P4 – Low	Request	New user creation, ID card print, software install	Next working day	3 working days

8.3 Ticket Raising Process

- Step 1: User contacts Helpdesk via any channel; identifies themselves with name, role and ID.
- Step 2: Helpdesk staff creates ticket in ERP (Helpdesk Module) or email auto-creates ticket.
- Step 3: Ticket assigned priority and category; acknowledgement sent to user with Ticket ID (e.g., HD-2024-0892).
- Step 4: IT staff diagnoses and resolves; updates ticket with resolution notes.
- Step 5: User informed of resolution; asked to confirm closure (email/portal).
- Step 6: If unresolved within SLA, ticket auto-escalates to IT Coordinator.
- Step 7: Closed tickets archived for 1 year for audit purposes.

8.4 Self-Service Knowledge Base

Staff and parents can access the IT Self-Service Knowledge Base at <https://ABC.edunxt.com/helpdesk/kb> – covering common issues like password resets, portal navigation, biometric troubleshooting and app download guides. The knowledge base is updated monthly.

Chatbot Q&A; – IT Helpdesk

Question	Answer
How do I contact the school's IT helpdesk?	Call +91-22-4890-XXXX ext. 210, email erpsupport.powai@ABCinternational.net , visit IT Room 101 (Ground Floor, Mon–Sat 8 AM–5 PM) or raise a ticket on the ERP under Helpdesk → Raise Ticket.
How long will it take to resolve my IT issue?	Response and resolution times depend on priority. Critical issues (system down) are responded to within 30 minutes. Standard requests like password resets are handled within 4 hours. You'll receive a ticket ID to track progress.
I raised a helpdesk ticket but haven't heard back. What do I do?	Check your ticket status in ERP → Helpdesk → My Tickets. If the SLA has passed, call ext. 210 or email the helpdesk quoting your Ticket ID. Unresolved tickets auto-escalate to the IT Coordinator.
Can parents raise IT helpdesk tickets?	Yes. Parents can raise tickets through the Parent Portal under Helpdesk or email erpsupport.powai@ABCinternational.net . For urgent issues, call ext. 210.

9. DATA BACKUP POLICY

ABC International School, Powai follows a comprehensive data backup policy to protect all digital records including student data, academic records, financial data, HR records, and system configurations. This policy complies with India's Digital Personal Data Protection Act, 2023 (DPDPA) and CBSE data management guidelines.

9.1 Backup Schedule & Types

Backup Type	Frequency	Retention	Storage Location	Responsibility
Full Backup	Weekly (Sunday 1 AM)	90 days	AWS S3 Mumbai + Local NAS	IT Coordinator
Incremental Backup	Daily (11:30 PM)	30 days	AWS S3 Mumbai	Automated (EduNxt)
Database Snapshot	Every 6 hours	7 days	AWS RDS Automated Snapshots	EduNxt Cloud Team
Configuration Backup	Monthly	1 year	Local NAS + Encrypted USB	IT Coordinator
Email & Communication	Daily	1 year	Google Workspace Vault	IT Coordinator
CCTV Footage	Continuous (live)	30 days	Onsite NVR 8 TB storage	Admin/Security

9.2 Backup Verification & Testing

- **Weekly:** IT Coordinator verifies last backup completion in AWS S3 console every Monday morning. Status logged in Backup Register (physical + ERP IT log).
- **Monthly:** Test restoration of a sample database on staging server; confirm data integrity.
- **Quarterly:** Full disaster recovery drill – restore entire ERP from backup on test infrastructure; document RTO (target: 4 hours) and RPO (target: 6 hours).
- **Annual:** External IT audit of backup procedures; report submitted to Principal and ABC Group IT Head.

9.3 Data Classification & Encryption

Confidential (L1)	Student personal data, financial records, HR/payroll – AES-256 encrypted at rest and in transit.
Internal (L2)	Academic records, timetables, marks – encrypted in transit (TLS 1.3); access-controlled.
Public (L3)	Circulars, event notices, general information – no encryption required.
Encryption Keys	Managed via AWS KMS; keys rotated annually; master key held by IT Coordinator + Principal.
DPDPA Compliance	Student PII stored only on AWS Mumbai region (India); no cross-border transfer without consent.

■ IMPORTANT: No student or parent personal data is to be stored on personal laptops, USB drives or personal cloud storage (Google Drive personal, WhatsApp, etc.). Violation is a disciplinary offence under school IT policy.

Chatbot Q&A; – Data Backup

Question	Answer
How is student data backed up at ABC Powai?	Student data is backed up daily (incremental) and weekly (full backup) to AWS S3 Mumbai servers. Database snapshots are taken every 6 hours. Data is AES-256 encrypted. Backups are retained for 30–90 days depending on type.
Is the school data stored securely in India?	Yes. All student and staff personal data is stored on AWS Mumbai (India) servers, complying with India's Digital Personal Data Protection Act, 2023. No personal data is transferred outside India without explicit consent.
What happens if the school ERP data is accidentally deleted?	The IT team can restore data from the most recent backup (taken within the last 6 hours for databases). Contact the IT Helpdesk immediately with details of what data was affected.

10. DISASTER RECOVERY PLAN (DRP)

The Disaster Recovery Plan defines the procedures for restoring IT systems and data following a major incident such as a cyberattack, hardware failure, natural disaster or prolonged power outage. The DRP is reviewed annually and after any major incident.

10.1 Key Metrics

Recovery Time Objective (RTO)	4 hours – ERP and core systems must be operational within 4 hours of incident declaration.
Recovery Point Objective (RPO)	6 hours – Maximum data loss acceptable is 6 hours of transactions.
Incident Declaration Authority	IT Coordinator + Principal; ABC Group IT Head notified within 1 hour.
DR Site	AWS Mumbai Region (primary) + AWS Hyderabad Region (failover).
Communication During DR	SMS blast to all staff; parent SMS/app notification via ABC Group backup system.

10.2 Disaster Scenarios & Response

Scenario	Immediate Action	Fallback Procedure	Recovery Target
ERP/Portal Complete Outage	IT Coordinator calls EduNxt 24/7 support; escalates to P1 ticket.	Manual registers for attendance/marks; physical fee receipts.	2–4 hours
Internet Connectivity Loss	Switch to Jio backup broadband (failover router auto-activates in 5 min).	Local LAN access to on-premise systems; biometric works offline.	5–30 min
Server Hardware Failure	Cloud hosting auto-failover activates; IT monitors AWS dashboard.	AWS RDS Multi-AZ failover; ERP resumes on standby instance.	30–60 min
Ransomware / Cyberattack	Isolate affected systems; disconnect from LAN immediately; call ABC Group CISO.	Restore from last clean backup on isolated recovery environment.	4–8 hours
Power Outage (Prolonged)	UPS covers 2 hours; DG set auto-starts for critical systems (server room).	School office operates on UPS; DG powers server room and biometric.	Continuous
Fire / Physical Disaster	Evacuate; call fire brigade; ABC Group IT activates full cloud DR.	All cloud backups intact; operate fully from AWS cloud; staff use laptops.	4–24 hours

10.3 DR Team & Responsibilities

IT Coordinator	Declares disaster, leads technical recovery, coordinates with EduNxt cloud team.
Principal	Authorises disaster declaration, communicates with parents, notifies ABC Group.
Admin Manager	Activates manual processes for attendance, fees and communication.
ABC Group IT Head	Remote support for cloud recovery; authorises major expenditures.
EduNxt Support	24/7 cloud platform support; escalation: support@edunxt.com / 1800-XXX-XXXX.
All Staff	Continue essential teaching functions; use manual/offline processes as instructed.

10.4 Post-Incident Review

- Within 24 hours: Incident report drafted by IT Coordinator with timeline of events.
- Within 48 hours: Root cause analysis completed; submitted to Principal and ABC Group IT.
- Within 1 week: Preventive measures identified and implementation plan created.
- Within 1 month: DRP updated to incorporate lessons learned; re-tested if required.
- Annual: Full DRP tabletop exercise with IT team, Admin and Coordinators.

Chatbot Q&A; – Disaster Recovery

Question	Answer
What happens to school data if there is a major system failure?	The school has a Disaster Recovery Plan with a 4-hour recovery target. All data is backed up to AWS Mumbai and Hyderabad. In the event of a failure, IT restores from the last clean backup, with a maximum data loss of 6 hours.
What should I do if I suspect a cyberattack on the school systems?	Immediately contact the IT Coordinator (ext. 210 or IT Room 101) and stop using the affected system. Do not attempt to fix it yourself. The IT team will isolate the system and initiate recovery procedures.
How does the school handle internet outages?	A Jio backup broadband connection auto-activates within 5 minutes of the primary internet failing. Local systems including biometric devices continue working offline.
Is there a backup power supply for the school's servers?	Yes. A UPS provides 2 hours of backup power. A diesel generator automatically starts and powers the server room and critical systems during extended power outages.

11. ADDITIONAL DIGITAL SYSTEMS – POLICIES & GUIDES

11.1 Cybersecurity & Acceptable Use Policy

All students, staff and parents using school digital systems must adhere to the Acceptable Use Policy (AUP). Key provisions include:

- Passwords must be at least 8 characters; mix of uppercase, lowercase, numbers and symbols; changed every 90 days.
- Never share ERP passwords with colleagues, students or parents.
- Report suspicious emails (phishing) to IT immediately; do not click unknown links.
- School devices (laptops, iPads) are for academic/official use only; personal social media browsing is prohibited on school devices.
- USB drives may only be used after IT scanning; no personal USB devices on school computers.
- All data sharing with parents/students must be through official ERP channels only.
- Violation of AUP may result in disciplinary action as per school policy.

11.2 Software & Licences Inventory

EduNxt ERP	Enterprise licence – ABC Group wide; includes all modules.
Microsoft 365	Staff: E3 licences (email, Teams, Word, Excel, PowerPoint, OneDrive 1TB).
Google Workspace Edu	Student accounts (Grade 1–12); Classroom, Meet, Drive 100 GB.
Zoom Education	50 concurrent licences for virtual parent meetings and online classes.
Cardpresso XL	ID card design and printing software (1 licence, IT Room).
ZKTeco ZKAccess	Biometric device management console (1 licence).
Kaspersky Endpoint	Antivirus on all 85 school computers and 12 staff laptops.
Canva for Education	All staff and Grade 6–12 students; unlimited design tools.
Tinkercad / Scratch	Grade 3–8 coding; free accounts managed via Google SSO.
MATLAB / Simulink	12 licences for Grade 11–12 Science computer lab.

11.3 IT Asset Management

All IT assets are tagged, registered in the ERP Asset Module and audited annually. The following table shows the current IT asset summary:

Asset Category	Count	Location	Responsible
Desktop Computers	85	Computer Labs + Offices	IT Coordinator
Staff Laptops	42	Teacher Workrooms	HR + IT
Student iPads	120	iPad Lab + Library	IT Coordinator
Smart Boards	38	Classrooms	IT + Academic

ABC INTERNATIONAL SCHOOL – POWAI, MUMBAI

Digital Systems / ERP / Workflow Document Repository | Chatbot Training Dataset

Asset Category	Count	Location	Responsible
Projectors	12	Classrooms + Auditorium	IT Coordinator
Network Switches	8	Server Room + Floors	IT Coordinator
CCTV Cameras	64	All Areas	Security + IT
Biometric Terminals	5	Entrances + Library	IT Coordinator
Printers (Laser)	18	Offices + Staff Rooms	Admin + IT
Card Printer (Zebra)	1	IT Room 101	IT Coordinator

12. MASTER CHATBOT Q&A; – DIGITAL SYSTEMS QUICK REFERENCE

The following consolidated Q&A; set is designed for direct ingestion into the school's AI chatbot training pipeline. All answers reflect ABC International School, Powai-specific procedures.

Question	Answer
What is the name of the school's ERP system?	ABC International School, Powai uses EduNxt ERP, part of the ABC Group's centralised school management platform.
How do I download the ABC school app?	Search for 'ABC Connect' on Google Play Store (Android) or Apple App Store (iOS) and download the free app. Use the same login credentials as the web portals.
What is the IT helpdesk phone number?	Call +91-22-4890-XXXX, Extension 210. The helpdesk is available Monday to Saturday, 8 AM to 6 PM.
What is the IT helpdesk email?	Email erpsupport.powai@ABCinternational.net . Responses are provided within 4 working hours.
What is the student portal link?	Students can access the portal at https://student.ABC.edunxt.com . Grades 6–12 have access.
What is the default password for the student portal?	The default password is the student's date of birth in DDMMYYYY format. Students must change it on first login.
Can students see their timetable online?	Yes. After logging in to the student portal, the current day's timetable is displayed on the dashboard. The full weekly timetable is available under the Academics section.
What is the parent portal link?	Parents can access the portal at https://parent.ABC.edunxt.com or via the ABC Connect mobile app.
How does a parent get their portal login credentials?	Login credentials (registered mobile number and OTP-set password) are provided via SMS at the time of the child's admission. Contact the school office if not received.
How do parents pay fees online?	Log in to the Parent Portal → Fee & Payments → Pay Now. Payment is accepted via UPI, Net Banking and Credit/Debit Cards through HDFC Payment Gateway.
Can I get an official fee receipt from the portal?	Yes. After payment, an official receipt is generated instantly. Past receipts are available under Payment History for download at any time.
What time does attendance close?	Daily attendance is marked by 10:00 AM. Students arriving after 8:25 AM are marked Late. Three late arrivals equal one absence.
How is the parent notified of absence?	An automated SMS and app push notification is sent to parents within 20 minutes of the child's gate scan. If absent without leave, an automated SMS and phone call is sent by 9:30 AM.

Question	Answer
What is the CBSE minimum attendance requirement?	CBSE requires a minimum of 75% attendance for board exam eligibility. Students below this threshold receive a warning letter and are called for a meeting with the Principal.
How does the school biometric system work?	Students and staff scan their fingerprint or RFID card at biometric terminals at the school entrances. Data syncs to the ERP within 15 minutes. Parents receive real-time notifications.
Who should I contact for biometric enrolment?	New students and staff are enrolled during the first week. Contact the IT Coordinator at IT Room 101 for biometric enrolment or re-enrolment.
When will my child receive their school ID card?	ID cards are issued within the first 2 weeks of admission. The class teacher distributes them when ready.
What is the charge for a replacement ID card?	The first replacement is free. Subsequent replacements cost Rs. 100 for students and Rs. 150 for staff. Payment is made at the accounts counter.
Where is the school's data stored?	All school data is stored on AWS Mumbai (India) servers, complying with India's DPDPA 2023. No personal data is transferred outside India without consent.
How long is school CCTV footage retained?	CCTV footage is retained for 30 days on the school's on-premise NVR storage system.
What internet speed does the school have?	The school has a primary 100 Mbps fibre broadband connection with an automatic Jio 4G failover that activates within 5 minutes of any primary outage.
How do I report a cybersecurity concern?	Contact the IT Coordinator immediately at ext. 210 or IT Room 101. For phishing emails, forward the email to ersupport.powai@ABCinternational.net and do not click any links in the suspicious email.
What antivirus software does the school use?	Kaspersky Endpoint Security is installed on all school computers and staff laptops and is managed centrally by the IT Coordinator.
How do I access the IT self-service knowledge base?	Visit https://ABC.edunxt.com/helpdesk/kb for step-by-step guides on common issues like password resets, portal navigation, app installation and biometric troubleshooting.

13. GLOSSARY OF DIGITAL SYSTEMS TERMS

Term	Definition
ERP	Enterprise Resource Planning – integrated software managing all school operations.
EduNxt	The ERP platform used by ABC Group schools for school management.
SIS	Student Information System – module managing student demographics and records.
SOP	Standard Operating Procedure – documented step-by-step process for a task.
RFID	Radio Frequency Identification – contactless card technology used in school ID cards and biometric devices.
RTO	Recovery Time Objective – maximum acceptable time to restore systems after a disaster.
RPO	Recovery Point Objective – maximum acceptable data loss measured in time.
AWS	Amazon Web Services – cloud hosting platform used for the school's ERP and data storage.
NAS	Network Attached Storage – on-premises file storage server in the school's server room.
UPS	Uninterruptible Power Supply – battery backup that keeps servers running during power cuts.
DG	Diesel Generator – backup power generator for extended power outages.
CISO	Chief Information Security Officer – ABC Group's cybersecurity head.
AUP	Acceptable Use Policy – rules governing how students and staff may use school IT systems.
TLS	Transport Layer Security – encryption protocol protecting data in transit over the internet.
AES-256	Advanced Encryption Standard 256-bit – encryption method used to protect stored data.
OTP	One-Time Password – single-use verification code sent via SMS for authentication.
PTM	Parent-Teacher Meeting – scheduled meeting between parents and teaching staff.
DPDPA	Digital Personal Data Protection Act, 2023 – India's data privacy law governing personal data processing.
2FA	Two-Factor Authentication – security measure requiring two forms of identity verification.
SSO	Single Sign-On – one login credential used to access multiple systems.
NVR	Network Video Recorder – device storing CCTV footage on the school premises.
CBSE	Central Board of Secondary Education – national board of education for school curriculum and examinations.
CAIE	Cambridge Assessment International Education – international board offering IGCSE and A-Level programmes.

14. DOCUMENT CONTROL & REVISION HISTORY

Document Title	Digital Systems / ERP / Workflow Document Repository
Document ID	PIS-POW-IT-DOC-30
Version	1.0
Prepared By	IT & Systems Department, ABC International School Powai
Reviewed By	IT Coordinator, Academic Coordinator, Vice-Principal
Approved By	Principal, ABC International School Powai
Issue Date	June 2024
Next Review	May 2025
Classification	Internal Use Only – Not for External Distribution
Chatbot Use	Approved for AI chatbot training dataset ingestion

Version	Date	Description	Author
1.0	June 2024	Initial release – all 14 sections	IT Dept
1.1	TBD	Post-annual review update	IT Coordinator
