1. Event Permission Forms

Event Permission Forms are required for all school-organised events where students participate outside their regular academic schedule — including Annual Day, Cultural Fest, Science Fair, MUN, Open House performances, and inter-school events hosted on campus. Forms must be submitted at least 5 school days before the event.

1.1 Events Requiring Permission Forms — AY 2025–26

Event	Month	Grades Eligible	Form Deadline	Permission Type	Rehearsal Involvement
Annual Day — 'Tarang 2025'	November 2025	All Grades	20 Oct 2025	General Permission Form (Form 1A)	Yes — after school; 4–6 weeks prior
Science & Innovation Fair	September 2025	Grades 4–12	25 Aug 2025	Project Participation Form (Form 1B)	No — project work at home/school
Cultural Fest — 'Kaleidoscope'	January 2026	All Grades	10 Jan 2026	General Permission Form (Form 1A)	Yes — lunch breaks; 3 weeks prior
Model United Nations (ABC MUN)	February 2026	Grades 8–12	15 Jan 2026	Competition Permission Form (Form 1A + 2A)	Yes — after school; 6 weeks prior
Mathematics Olympiad (School Round)	August 2025	Grades 3–12	5 Aug 2025	Competition Registration Form (Form 2A)	No
Spelling Bee Championship	October 2025	Grades 2–8	1 Oct 2025	Competition Registration Form (Form 2A)	No
Inter-House Quiz Competition	December 2025	Grades 5–12	1 Dec 2025	No separate form — class teacher selects	Lunch break
Open House / School Exhibition	March 2026	All Grades	10 Mar 2026	Opt-in attendance confirmation	No extra rehearsal
Teacher's Day Programme	September 2025	Grades 9–12 (performers)	1 Sep 2025	Performer Registration (Form 1A)	Yes — 1 week
Farewell for Grade 12	March 2026	Grades 11–12	1 Mar 2026	Participation Form (Form 1A)	Yes — 2 weeks

ABC INTERNATIONAL SCHOOL — POWAI
GENERAL EVENT PARTICIPATION PERMISSION FORM — FORM 1A
Academic Year 2025–26 | Ref: PIS/EVT/1A/2025–26/_____

PART A — EVENT DETAILS (Pre-filled by Teacher / Event Coordinator)	
Event Name:	_____
Event Category:	☐ Cultural ☐ Academic ☐ Sports ☐ Social ☐ Community ☐ Other: _____
Event Date(s):	DD/MM/YYYY to DD/MM/YYYY
Event Timing:	From _____AM/PM To _____AM/PM
Venue:	☐ School Auditorium ☐ Playground ☐ Classroom ☐ Other Campus Venue: _____

Organised By:	_____
Teacher / Event In-charge:	_____ Contact: _____
Rehearsal Schedule:	Dates: _____ Timing: _____ to _____ Venue: _____
Costume / Props Required:	☐ No ☐ Yes — Details: _____
Participation Fee:	☐ Nil ☐ INR _____ — Purpose: _____

PART B — STUDENT DETAILS (To be filled by Parent)

Student Full Name:	_____
Admission Number:	_____ Grade: _____ Section: _____
Date of Birth:	DD / MM / YYYY Age: _____
Role in Event:	☐ Performer ☐ Backstage crew ☐ Audience ☐ Organiser / Volunteer ☐ Compère ☐ Other: _____

25 Mar	Annual Report Cards / Progress Reports Issued	Grades 1–9 & 11	Academic
31 Mar	Academic Year 2025–26 Concludes	All	Academic

7. Chatbot FAQ — Events, Activities & Permissions

This section contains curated Question-Answer pairs specifically designed for chatbot training and the school's parent-facing digital assistant. Questions reflect real parent and student queries received at ABC International School, Powai regarding events, activities, competitions, field trips, sports and clubs.

Category A — Annual Day & Cultural Events

Q: When is the Annual Day at ABC International School Powai?

A: The Annual Day for AY 2025–26, titled 'Tarang 2025', is tentatively scheduled for 22 November 2025. It is an evening event held in the school auditorium. The date will be confirmed and communicated via the school app and Google Classroom at least 4 weeks in advance.

Q: How can my child participate in the Annual Day performance?

A: Auditions/selection for Annual Day performances are conducted by the Cultural Coordinator and respective class teachers in October. Teachers select students based on talent, rehearsal commitment and grade appropriateness. A General Event Permission Form (Form 1A) must be submitted by the deadline (typically 20 October). There is no separate audition form — the teacher nominates students.

Q: Are there rehearsals after school for Annual Day? Who supervises?

A: Yes, rehearsals for selected performers run approximately 4–6 weeks before Annual Day, typically from 3:30–5:30 PM on designated days. All rehearsals are supervised by the teacher in-charge and cultural coordinator. Students must be picked up by 5:30 PM. The late school bus is available on rehearsal days — inform the transport office at least one day in advance.

Q: Is there a participation fee for Annual Day?

A: There is no participation fee for Annual Day performances. However, parents are responsible for providing the costume (as specified by the teacher) unless the school provides costumes for group acts, which is communicated separately. Tickets for the event are issued complimentary — 2 per performing student.

Q: What is the Cultural Fest 'Kaleidoscope'? How is it different from Annual Day?

A: Kaleidoscope is a student-led cultural festival typically held in January/February, celebrating music, dance, drama, art and literary arts through competitions and showcases. Unlike Annual Day (which is a curated performance event), Kaleidoscope is participatory — all students can register for competitions. It also invites participation from a few partner schools. Separate registration is required for competitive events.

Q: Can students from all grades perform on Annual Day?

A: Yes — Annual Day includes performances from Pre-Primary through Grade 12. Grade group themes are allocated by the cultural committee. Typically, each grade group has 1–2 group performances plus individual showcases selected from talent auditions.

Category B — Field Trips & Excursions

Q: How do I give permission for my child's school trip?

A: You will receive an Excursion Consent Form (Form 3A) via the school app and physical copy through your child at least 10 school days before the trip. Complete all sections, sign, and return it to the class teacher by the stated deadline. Students without a completed, signed consent form will NOT be allowed to participate — no exceptions.

Q: What is the refund policy if my child cannot attend a confirmed school trip?

A: If your child has paid and registered but cannot attend: cancellation more than 10 days before the trip = 80% refund; 5–10 days before = 50% refund; within 5 days or no-show = no refund. If the school cancels the trip for any reason, 100% of the amount paid is refunded within 15 working days.

Q: How many field trips does ABC Powai organise per academic year?

A: The school organises approximately 10–12 excursions and field trips per academic year across different grades. These range from half-day local visits (planetarium, science museum, heritage walks) to multi-day educational tours (Ajanta-Ellora for Grades 7–9, senior school tour) and an optional international exchange programme to Singapore for Grades 9–11.

Q: Is the international Singapore exchange programme mandatory?

A: No, the International Exchange Programme to Singapore is completely optional. It is offered to students in Grades 9–11 who meet the academic standing requirement (minimum 75% attendance and no pending disciplinary action). The estimated cost is INR 65,000–75,000 and it typically runs for 7 days in March. Detailed information is shared in November with the application deadline in December.

Q: What is the student-to-teacher ratio on field trips?

A: The school maintains a minimum ratio of 1 teacher per 15 students on all off-campus trips. For adventure activities, water-based trips or trips involving younger students (Grades 1–4), the ratio is 1:10. All overnight trips have at least one male and one female staff member.

Q: What should my child carry on a field trip?

A: A detailed 'What to Carry' list is included in each excursion notification letter. Generally: school ID, prescribed uniform/trip dress, packed lunch and water (unless meals are provided), prescribed medication with Medication Authorisation Form, sunscreen/hat for outdoor trips, and a small emergency contact card with parent mobile numbers. Electronic gadgets (tablets, gaming devices) are not permitted unless specifically advised.

Q: Can parents accompany children on field trips?

A: Parent volunteers may accompany trips subject to availability of space on the vehicle and prior approval from the Principal. If you wish to volunteer as a parent chaperone, contact the class teacher at least 1 week before the trip. Police verification document is required for parent volunteers joining overnight trips.

Category C — Sports & Sports Day

Q: How does my child get selected for the school cricket / football / basketball team?

A: Tryouts for all school sports teams are held at the beginning of the respective sport's season (refer to Section 4.1 for seasonal schedules). The PE teacher announces tryout dates via Google Classroom and the school notice board. Students must submit a Sports Participation Form (Form 4A) before trying out. Selection is based on skill assessment, fitness, attitude and commitment to training. Results are notified within 5 school days of the tryout.

Q: Is medical clearance required for Sports Day?

A: For intra-school Sports Day events, the annual health screening (conducted in July–August) serves as general medical clearance. A separate doctor's certificate is not required for Sports Day unless your child has a specific health condition flagged during the health screening. For competitive school team sports and external competitions, a formal medical clearance from a registered MBBS doctor is mandatory.

Q: What sports facilities does ABC International School Powai have?

A: The school has excellent sports infrastructure including: a full-size football ground, an Olympic-size swimming pool plus a 25m training pool, 2 outdoor and 1 indoor basketball courts, 4 indoor badminton courts, 8 table tennis tables, a 400m athletics track with field events area, a dedicated yoga studio, martial arts hall, chess club room, 2 outdoor volleyball courts, and 2 hard-surface tennis courts. All facilities are professionally maintained and supervised by qualified coaches.

Q: What is the ABC Parent Sports Code mentioned in the form?

A: The Parent Sports Code is a behavioural undertaking that all parents whose children participate in competitive sports are asked to sign. It commits parents to: support their child positively (not shout instructions or criticism during matches), respect the coach's decisions, applaud good play from both teams, refrain from confronting referees or opposition coaches, and model sportsmanship. A copy is shared with Form 4A when applicable.

Q: Does the school send students to state/national sports competitions?

A: Yes. Students who perform well at the district level are supported by the school to participate at state and national competitions. The school covers entry fees, transport and accommodation for state/national competitions for selected students. Students must maintain a minimum 75% academic attendance alongside their sports commitment to remain eligible for external representation.

Q: What happens if my child gets injured during a sports activity at school?

A: The school nurse provides immediate first aid. For serious injuries, 108 is called and parents are contacted simultaneously. The PE teacher files an Incident Report (Form A from the Safety Documents). All sports activities have a designated first-aider present. The school's insurance covers basic emergency medical costs for injuries sustained during school-supervised activities — parents should check the scope of coverage with the school office.

Category D — Clubs & Extra-Curricular Activities

Q: How does my child join a club at ABC Powai?

A: Club membership opens on 14 June each year and closes on 30 June. Your child submits a Club Membership Application Form (Form 5A) selecting up to 2 clubs. For clubs with limited seats (Robotics, Coding, School Magazine), admission is based on a short interest interview or portfolio review by the teacher advisor. Results are communicated by 10 July and club sessions begin in the first week of July.

Q: Can my child change their club mid-year?

A: Club changes are generally not permitted mid-year to ensure commitment and continuity. In exceptional circumstances (medical reason, timetable conflict with a new academic subject), a written request from the parent addressed to the HOD may be considered. Approval is at the school's discretion and is not guaranteed.

Q: Is there an additional charge for clubs?

A: Most clubs are free of charge (school-funded). Clubs requiring specialised equipment or external coaching — specifically Robotics & AI Club, Coding & App Development, Classical Dance, Western Dance, Vocal Music, Guitar/Keyboard (all INR 2,800–3,000 per term), and Painting & Fine Arts (INR 1,500 per term) — have a nominal fee. Fee details are listed in the Club Directory (Section 5.1). Fees are payable with the first quarter instalment.

Q: What is the minimum attendance requirement for clubs?

A: Students must maintain a minimum of 75% attendance in their enrolled club(s). Falling below this without valid reason may result in removal from the club. Club attendance is recorded by the teacher advisor and reflected in the student's co-curricular record (part of the annual report card for Grades 1–8 under CCE).

Q: My child wants to join the School Magazine (ABC Post). How do they apply?

A: The ABC Post is a selective club with only 15 seats for Grades 7–12. Applicants submit a writing sample (200–300 words on a given topic) along with the Club Membership Form. The teacher advisor shortlists candidates based on writing quality, creativity and commitment. Successful applicants are announced by 15 July. Roles include reporter, sub-editor, photographer, designer and features writer.

Q: What is the MUN Club and how does it help my child?

A: The Model United Nations (MUN) Club at ABC Powai (Grades 7–12) trains students in public speaking, research, diplomacy, current affairs and negotiation. Members participate in the school's own PISMUN conference in February and represent the school at external MUN conferences in Mumbai and nationally. The club meets every Wednesday 2:30–3:30 PM. MUN participation is widely recognised in college applications and contributes strongly to leadership and communication skills.

Q: Can a student be part of both a club and a school sports team?

A: Yes, students can be members of up to 2 clubs AND a school sports team simultaneously, provided there are no scheduling conflicts. Club sessions (Wed/Fri 2:30–3:30 PM) and sports training (varies by sport) are scheduled at different times wherever possible. Students in teams during competition season are granted temporary flexibility on club attendance — this must be communicated to the club's teacher advisor in advance.

Q: Does the school have an NSS chapter? How does Grade 11 enrol?

A: Yes, ABC International School has an active NSS (National Service Scheme) chapter for Grades 9–12, though it is most active in Grades 11–12. NSS activities include community service, blood donation drives, environmental campaigns and annual NSS camp. Grade 11 students enrol by submitting a Club Membership Form (Form 5A) with NSS as their choice. The NSS teacher-in-charge is Mr. Ramesh Pillai. NSS certification (240 hours over 2 years) is recognised by CBSE and benefits college admissions.

Category E — Competitions & Olympiads

Q: Does ABC Powai register students for SOF Olympiads (IMO, NSO, IEO)?

A: Yes, the school registers students for all major SOF (Science Olympiad Foundation) examinations including the International Mathematics Olympiad (IMO), National Science Olympiad (NSO), International English Olympiad (IEO) and others. Registration is handled through the school — students do not register individually. The registration deadline is typically in September–October. A nominal fee of INR 150 per exam per student is collected.

Q: What is the process to participate in the CBSE Science Exhibition?

A: The CBSE National Science Exhibition has a school-level selection round first. Students in Grades 6–12 submit a Science Fair Project Registration Form (Form 1B) with their project proposal. The school science committee selects the best projects for the CBSE cluster round. Selected projects are then exhibited externally. Project categories follow CBSE's annual theme.

Q: Does the school conduct coaching or preparation for Olympiad exams?

A: Yes — the Mathematics Wizards Club and Science Explorers Club include Olympiad preparation as part of their curriculum. Additionally, dedicated mock tests and practice papers for SOF Olympiads are shared via Google Classroom in the 4 weeks preceding the exams. The school also hosts past paper practice sessions after school for interested students in Grades 7–12.

Q: What is PISMUN (ABC Inter-School MUN)?

A: PISMUN (ABC International School Model United Nations) is the school's own MUN conference hosted annually in February. It invites delegates from schools across Mumbai. Students from Grades 8–12 from ABC Powai can participate as delegates representing various countries on multiple committees (UNSC, UNGA, WHO, ECOSOC etc.). Registration fee is INR 800 per delegate which covers conference materials, lunch and certificate. A Director General, Secretariat and committee chairs are selected from Grade 11–12 students.

Q: Are there any competitions specifically for students in Grades 1–5?

A: Yes, the school organises several primary-level competitions: Spell Bee (Grades 2–5), Maths Olympiad school round (Grades 1–5), Drawing & Colouring competitions, Story Telling competitions, Show & Tell, Fancy Dress and inter-house sports events on Sports Day. These are notified through class teachers and the school app. Most primary competitions require only the class teacher's registration — no parent form needed.

Q: How does the school support students who win at inter-school competitions?

A: Achievement recognition at ABC Powai includes: mention in the school's monthly newsletter and ABC Post magazine, display on the Achievement Board at the school entrance, recognition at the morning assembly, a merit certificate from the Principal, and mention in the student's annual report card under 'Achievements'. Students achieving at state/national level receive a special school assembly recognition and a merit award at the Annual Day ceremony.

Category F — General Activity Policies & Permissions

Q: What is the minimum age / grade for after-school activities?

A: After-school activity programmes (clubs, sports training, event rehearsals) are available from Grade 3 onwards. For Grades 1–2, activity periods are integrated into the school day and do not extend beyond 2:30 PM. Students in Grades 3–5 participating in after-school activities must be picked up by 4:30 PM. For Grades 6–12, the standard pickup time after activities is 5:30 PM, with a late bus available on designated days.

Q: Is there a late school bus for students staying for after-school activities?

A: Yes. A late school bus is operated on Wednesdays and Fridays (club days) departing at 5:45 PM for major routes. On days with special rehearsals or training, a late bus is arranged with at least 3 days' notice to the transport office. Parents must inform the transport coordinator at least one day in advance if their child will use the late bus. The late bus route and timing are posted on the school app.

Q: What is the school's policy on mobile phones during activities and trips?

A: During school-day activities and events on campus, the standard mobile phone policy applies (see IT/Digital Policy). On field trips: phones are permitted for personal use during breaks and free time, but must be kept away during guided tours,

workshops and learning sessions. On overnight trips, a specific 'phone time' window is communicated. The school is not responsible for loss or damage to personal devices on trips.

Q: My child's class is not listed for a particular trip. Can they still join?

A: Each trip is planned for specific grade groups based on the curriculum alignment and age-appropriateness. Students outside the designated grade group generally cannot join. In exceptional cases (e.g., a sibling group wanting to travel together), parents may write to the Principal. Approval is rare and depends on space availability and insurance coverage.

Q: Can parents attend school events and competitions as spectators?

A: Yes — the school warmly welcomes parents at major events: Annual Day (ticketed for performers' families), Sports Day (open for parents), Cultural Fest (open for parents), and Science Fair (open during parent visiting hours). For inter-school competitions hosted at school, parents may attend as spectators in designated areas. CCTV is active across the campus and all visitors must follow the Visitor Management Policy.

Q: How is the Annual Events Calendar communicated to parents?

A: The Annual Activity Calendar is shared at the start of the academic year (June) via the school app, Google Classroom and the school website (www.ABCInternational.school). Monthly updates with specific dates and reminders are shared via the school app and class teacher's Google Classroom stream. Parents are encouraged to save important dates at the start of the year to plan family commitments accordingly.

Q: What happens if my child misses event rehearsals?

A: Missing rehearsals without prior intimation to the teacher in-charge may result in the student's role being reassigned to another student. This decision is at the teacher's discretion. If your child needs to miss a rehearsal, parents must inform the teacher advisor at least one day in advance via the school app message or email. Three or more unexcused absences from rehearsals = automatic removal from the performance.

Q: Is there a budget limit on costumes for Annual Day?

A: Yes — the school sets a maximum costume budget per event to ensure equity among students. This is communicated with the specific performance circular. If the costume requires special items, the school's cultural committee may source group costumes to distribute to performers. Parents are asked not to exceed the specified budget; elaborate or designer costumes discouraged to maintain a level playing field.
