A: Yes, a local guardian must be designated for all hostel residents. The local guardian must be a responsible adult above 18 years of age, residing within 50 km of the school campus. The local guardian's Aadhaar card, address proof, and contact details are collected at admission. The local guardian is contacted in emergencies when parents cannot be reached within 30 minutes.

Q: What is the hostel fee structure?

A: Hostel fees are separate from school tuition fees and cover accommodation, all meals (5 meals per day), utilities, housekeeping, medical check-ups, and supervised study hall. Fees vary by room type (double/triple occupancy) and are payable quarterly along with school fees. Please contact the school accounts office for the current year's hostel fee schedule as it is updated annually.

Category C — Daily Life & Rules

Q: What time do hostel students wake up?

A: The wake-up bell rings at 5:30 AM on school days. Students are expected to complete personal hygiene and be ready for morning exercise by 6:00 AM. On weekends and holidays, the wake-up time is relaxed to 7:00 AM. Lights are turned off at 10:00 PM on all days.

Q: Can hostel students use mobile phones?

A: Mobile phone use is strictly regulated. During school hours and after 9:00 PM, personal mobile phones must be deposited with the warden. A designated 30-minute phone time is provided between 6:30 PM and 7:00 PM daily for students to call home. During study hall (7:00–9:00 PM) and meals, phones are not permitted. Repeated violations result in the phone being withheld and parents being informed.

Q: Are visitors allowed to meet students in the hostel?

A: Yes, but only during designated visiting hours: Saturdays and Sundays from 10:00 AM to 5:00 PM. Visitors are received only in the Visitor's Room — they are not permitted inside hostel blocks. Visitors must carry a government-issued photo ID and register at the security gate. Parents visiting on weekdays (for emergencies) must obtain prior permission from the Chief Warden.

Q: What happens if a student is caught with prohibited items?

A: Consequences depend on the item. Prohibited substances (tobacco, alcohol, drugs) result in immediate expulsion from the hostel, parents are called, and a formal disciplinary inquiry is initiated. Mobile phones used outside permitted times are confiscated and returned to parents on their next visit. Cooking appliances in rooms are confiscated and a fine of INR 500 is charged. All violations are recorded in the student's conduct register.

Q: Is the hostel safe? What security measures are in place?

A: The hostel has comprehensive security measures including 96 CCTV cameras covering all corridors, common areas, and entry/exit points. All hostel blocks have biometric entry (fingerprint + RFID card) so only registered residents and authorised staff can enter. Security guards are posted at all campus gates 24×7. Boys and girls blocks are completely segregated with separate entry points. A warden is on duty in each block at all times.

Category D — Leave & Outings

Q: Can hostel students go home every weekend?

A: Yes, weekend home visits are permitted every Saturday after school until Sunday at 6:00 PM. This is subject to good conduct, academic performance, and prior leave application submitted 24 hours in advance. Students with poor academic performance (below 50% aggregate) may be restricted to fortnightly home visits. Parents must personally collect the student or send a pre-authorised adult with ID proof.

Q: How do I apply for leave from the hostel?

A: Fill a Hostel Leave Application Form available at the warden's office or on the school ERP. Submit it at least 24 hours before the planned departure (except medical emergencies). The form requires details of the leave period, reason,

destination, and the person collecting the student. Approval is given by the warden for routine leaves; the Chief Warden must approve extended leaves; the Principal must approve any leave during exam periods.

Q: Can students leave the hostel campus during the week for shopping or outings?

A: Weekday outings are not permitted except for pre-approved educational trips, medical appointments (with warden escort), or special occasions (Principal's approval required). Students may not leave campus independently on weekdays under any circumstances. Supervised group outings to nearby areas may be organised by the hostel management once a month.

Q: What happens if a student returns late from leave?

A: Students must return by the approved time — Sunday 6:00 PM for weekend leave. Delays beyond 30 minutes without prior notification to the warden trigger an immediate call to parents. Three or more late returns in a term result in the weekend leave privilege being suspended for four weeks. All late returns are recorded in the conduct register.

Category E — Mess & Food

Q: How many meals are provided in the hostel mess?

A: Hostel residents receive five meals per day: early morning milk/tea at 5:45 AM, breakfast at 6:45 AM, evening snack at 4:15 PM, dinner at 9:00 PM, and a late-night snack during exam periods only. Lunch is provided by the school canteen on school days; on study holidays or exam days, lunch is served in the hostel mess.

Q: What food options are available for vegetarian and Jain students?

A: The hostel mess offers three meal categories: Standard Vegetarian, Jain Vegetarian (no root vegetables like potato, onion, garlic, carrot, beetroot), and a medical dietary plan for students with doctor-prescribed requirements such as diabetic or gluten-free diets. Non-vegetarian options are available on Sundays and one weekday. Dietary preferences are registered at admission; changes require submission of a new preference form to the Mess Manager.

Q: Can I bring outside food to the hostel?

A: Small quantities of packaged, non-perishable snacks brought from home during weekend visits are permitted. However, cooking inside rooms is strictly prohibited. Perishable food items (fresh fruit, homemade food) should be consumed on the day of arrival and not stored in rooms. Food from outside vendors cannot be ordered to the hostel without warden permission.

Q: What should I do if I have a complaint about the mess food?

A: Write your complaint in the Mess Complaint Register at the mess counter — this is reviewed every week by the Mess Committee. You can also speak to your hostel warden or directly to the Mess Manager (Mr. Raju Pillai). Shouting or arguing with mess staff is not permitted and is treated as a conduct violation. The Mess Committee holds a monthly meeting with student representatives to review and implement improvements.

Category F — Health, Safety & Emergencies

Q: What medical facilities are available in the hostel?

A: Each hostel has a Sick Bay (infirmary) staffed by a trained nurse. The campus Medical Officer (Dr. Sunil Mehta) is available Monday to Saturday from 9:00 AM to 6:00 PM and is on-call 24×7 for emergencies. For serious illnesses, students are taken to Hiranandani Hospital (2.2 km, +91 22 2576 3599). Parents are always notified within 30 minutes of any health concern. No student is allowed to self-medicate; all medications are dispensed by the nurse.

Q: What happens if a hostel student falls seriously ill at night?

A: The duty warden and on-call nurse attend to the student immediately. If the Medical Officer determines hospital care is needed, an ambulance (108) is called or the campus vehicle is used. The Chief Warden and Principal are notified. Parents are called at any hour for serious illness. A school staff member always accompanies the student to the hospital and stays until parents arrive.

Q: What is the anti-ragging policy in the hostel?

A: The hostel has a zero-tolerance anti-ragging policy. Any form of ragging — physical, verbal, psychological, or sexual — is a criminal offence and will be reported to the police. A confidential Ragging Complaint Box is installed in each hostel block. The Anti-Ragging Committee investigates all complaints within 24 hours. Perpetrators face immediate hostel expulsion and possible FIR. Students can also call the UGC Anti-Ragging Helpline: 1800-180-5522 (toll-free, 24×7).

Q: How do I report a problem or concern about another student's safety?

A: Speak to your warden at any time — wardens are on duty 24×7. You can also write anonymously in the Suggestion / Concern Box in each hostel corridor. For urgent safety concerns, call the Hostel Control Room at +91 98201 66666. For ragging, harassment, or abuse, contact the POCSO Officer (+91 98200 44444) or call 1098 (Child Helpline). All reports are treated with strict confidentiality.

Q: What happens during a fire or other emergency in the hostel?

A: Fire alarms are installed in all hostel blocks and connected to a central control room. If an alarm sounds, all students evacuate immediately to designated Assembly Points on the sports ground — do not use elevators. Wardens conduct a roll call at the Assembly Point. Fire drills are conducted twice a year. In the event of an earthquake, students shelter under study tables and away from windows until the warden gives the all-clear. Emergency exits are clearly marked and lit in all corridors.

Q: Can parents speak to their child every day from the hostel?

A: Yes. A 30-minute supervised phone time is provided daily from 6:30 PM to 7:00 PM. Students use their personal mobile phones (returned by warden for this period) or the hostel's designated phone booths. Additional calls home are permitted with warden approval for special circumstances. Video calls are allowed during weekend evenings (Saturday, Sunday). Parents wishing to visit may do so on Saturdays and Sundays from 10:00 AM to 5:00 PM in the Visitor's Room.
