

ABC INTERNATIONAL SCHOOL

Powai, Mumbai – Maharashtra

IT & DIGITAL POLICY DOCUMENTS

Category 11 — Acceptable Use · Device Policy · Password Security · LMS · Online Classes · Data Privacy · Cyber Safety

Institution	ABC International School – Powai
Location	Hiranandani Gardens, Powai, Mumbai – 400076, Maharashtra
Dataset Category	11 — IT / Digital Policy Documents
Applicable To	All Students (Grades 1–12), Teaching Staff, Admin Staff & Contractors
Board	CBSE (Pre-Primary – XII) Cambridge IGCSE (Gr. 9–10)
Academic Year Ref.	2025–26
Document Generated	19 May 2026
Regulatory Basis	IT Act 2000 & Amendment 2008 PDPB 2023 CBSE ICT Policy NCPCR Guidelines IEEE/ISO 27001
LMS Platform	Google Workspace for Education (Primary) Moodle / iSAMS (Secondary) Zoom / Google Meet (Online Classes)
Purpose	Digital Governance, Student & Staff IT Compliance, Chatbot Training & Audit Readiness

DISCLAIMER: This is a synthesised representative dataset for ABC International School, Powai, prepared for IT documentation, training and compliance-readiness purposes. Always verify technical specifications, platform details and legal clauses with the IT department and school administration before implementation.

TABLE OF CONTENTS

#	Section	Page
1	Acceptable Use Policy (AUP)	3
2	Student Device Policy	6
3	Password & Security Policy	9
4	LMS Usage Guide	11
5	Online Class Policy	14
6	Data Privacy Policy	17
7	Cyber Safety Guidelines	20

1. Acceptable Use Policy (AUP)

The Acceptable Use Policy governs all use of school-owned and personally-owned digital devices, networks, platforms and online services on campus and during school-related activities. All students (with parent co-signature for those under 18), staff and contractors must read, understand and sign the AUP Agreement before accessing any school digital resource. Signed agreements are filed in the student/staff record.

1.1 Scope of Policy

Covered Resource	Examples	Who It Applies To
School Network & Wi-Fi	Campus Wi-Fi (PIS-Students, PIS-Staff networks), wired lab connections	All students, staff, visitors with access
School-owned devices	Chromebooks, iPads, desktop PCs in labs, smart boards, printers	Students (assigned devices), all staff
Personal devices on campus	Student smartphones, personal laptops, tablets brought to school	All students (Grades 5+); staff personal devices
School digital platforms	Google Workspace (Gmail, Drive, Classroom), Moodle LMS, Zoom, iSAMS ERP	All users with school credentials
School email accounts	@ABCInternational.school student and staff email addresses	All users issued school accounts
Online content & internet	Any website, app, social platform accessed via school network	All users on school network

1.2 Permitted Uses

- Accessing academic content, research databases, educational websites and online learning platforms for school-related purposes.
- Using school-approved communication tools (school email, Google Classroom) for academic collaboration and teacher-student communication.
- Creating, editing and sharing academic documents, presentations, and projects through school platforms (Google Drive, Moodle).
- Participating in online classes, virtual labs, coding environments and educational apps as prescribed by teachers.
- Responsible use of the internet for research, fact-checking and digital literacy skill development.
- Accessing career guidance, scholarship, and educational resources on approved sites.

1.3 Prohibited Uses — Absolute

■ ZERO TOLERANCE: The following activities are grounds for immediate suspension of digital access privileges and may result in disciplinary action, parental involvement, and/or referral to law enforcement under the IT Act 2000 and POCSO Act 2012.

Prohibited Activity	Relevant Law / Policy	Consequence
Accessing, downloading, or distributing pornographic, violent, or hate content	IT Act 2000 Sec. 67/67A/67B; POCSO Act	Immediate suspension; police referral for child pornography
Cyberbullying, trolling, harassing or threatening any person online	IT Act 2000 Sec. 66A/66C; Anti-Bullying Policy	Suspension; police complaint if criminal threshold met
Hacking, attempting to access unauthorized systems or bypassing network filters	IT Act 2000 Sec. 43/66	Immediate access ban; police complaint; civil liability
Sharing, using, or attempting to obtain another person's login credentials	IT Act 2000 Sec. 66C (identity theft)	Suspension; legal action

Prohibited Activity	Relevant Law / Policy	Consequence
Installing unauthorized software, malware, VPNs or proxy tools on school devices	School IT Policy; IT Act 2000	Device confiscation; repair costs charged to student
Recording or photographing students, staff or school premises without consent	IT Act 2000; Privacy Law; POCSO Act	Suspension; legal referral if minors involved
Online gambling, gaming for real money, or cryptocurrency trading	School Policy; FEMA	Access revocation; parent meeting
Plagiarism using AI tools without disclosure; submitting AI-generated work as own	CBSE Academic Integrity Policy; School Policy	Zero marks on assignment; escalating consequences
Selling, sharing or distributing copyrighted material (music, films, software)	Copyright Act 1957; IT Act	Access ban; legal liability for student/parent

1.4 Activity-Permission Matrix (Students)

Activity	Grades 1–4	Grades 5–8	Grades 9–10	Grades 11–12	Staff
School email (send/receive)	~	✓	✓	✓	✓
Google Classroom / Moodle	✓	✓	✓	✓	✓
YouTube (curated / school channel)	✓	✓	✓	✓	✓
Open YouTube / social media	✗	✗	~	~	~
Personal social media on campus Wi-Fi	✗	✗	✗	~	~
School-assigned Chromebook / device	✓	✓	✓	✓	✓
Personal device on campus Wi-Fi	✗	~	✓	✓	✓
Online research / Wikipedia	✓	✓	✓	✓	✓
AI tools (approved list only)	✗	~	~	✓	✓
Video conferencing (school meetings)	~	✓	✓	✓	✓
Downloading apps / software	✗	✗	✗	✗	~
External USB / storage devices	✗	✗	✗	~	~

Note: ✓ = Permitted | ~ = Permitted with teacher/parent permission or restricted access | ✗ = Not Permitted

1.5 Network Filtering & Monitoring

- All school network traffic is filtered through a content-filtering system (Fortinet/Cisco Umbrella) that blocks adult, violent, gambling and extremist content.
- The IT department monitors network usage logs. Students are advised they have no expectation of privacy when using school network resources.
- Suspicious traffic (large downloads, VPN detection, repeated filter bypass attempts) triggers an automatic alert to the IT Coordinator and VP.
- Attempts to bypass the content filter (using proxy sites, VPNs, hotspots) are treated as a serious AUP violation.
- Staff have a separate filtered network (PIS-Staff) with broader but still monitored access.

1.6 AUP Agreement & Acknowledgement

Student Name:	_____
Grade & Section:	Grade _____ – Section _____ Academic Year: 2025–26

Student Declaration:	I have read and understood the Acceptable Use Policy. I agree to use school technology responsibly and accept that violations may result in disciplinary action.
Student Signature:	_____ Date: _____
Parent / Guardian Name:	_____
Parent Declaration:	I have reviewed this policy with my child and consent to their use of school digital resources under these terms.
Parent Signature:	_____ Date: _____
For Staff:	I acknowledge the AUP applies to my professional use of all school digital resources.
Staff Signature:	_____ Designation: _____ Date: _____ _____

2. Student Device Policy

This policy governs the use, care and management of both school-issued and personally-owned digital devices by students at ABC International School, Powai. It covers Chromebooks, tablets, laptops and smartphones across all grade levels.

2.1 School-Issued Device Programme (Grades 5–12)

Grade Group	Device Issued	Ownership	Take-Home Policy	Managed By
Grades 5–8	Chromebook (assigned per student)	School property	Yes — with signed device agreement; returned end of year	Google Admin Console (MDM)
Grades 9–10	Chromebook + optional BYOD	School property	Yes — student responsible for safe keeping	Google Admin Console (MDM)
Grades 11–12	BYOD (own laptop required)	Student property	N/A — student's own device	School Wi-Fi policy; no MDM on personal devices
Computer Labs (all grades)	Desktop PCs / iMacs	School property	Not applicable — lab-only use	IT Department centrally managed

2.2 School-Issued Device — Student Responsibilities

Area	Responsibility	Consequence of Non-Compliance
Physical Care	Keep device in provided protective case. No stickers, markings or modifications to device or case. Do not leave device unattended.	Repair costs charged to parent: cosmetic damage = 50% cost; accidental damage = 75% cost; deliberate damage = 100% replacement cost
Charging	Bring device fully charged each school day. Charging at school allowed in designated charging stations only. No charging at classroom sockets.	Repeated uncharged devices = written warning; parent note
Software	Do not install any apps or extensions not approved by IT. Report unwanted pop-ups or suspicious behaviour immediately.	Unauthorised software = device reimaged; data loss is student's responsibility
Storage	Save all school work to Google Drive (cloud), not locally on device. Local storage limited to active working files only.	Data not backed up to Drive is not recoverable if device is reset
Loss / Theft	Report lost/stolen device to IT Coordinator within 24 hours. IT will remotely lock/wipe device. File police report for theft.	Replacement cost applied if negligence established. Device remote-wiped to protect data.
Return	Device returned in original condition at end of academic year or upon leaving school. Charger and case must be included.	Cost of missing accessories deducted from security deposit

2.3 Personal Device (BYOD) Policy — Grades 9–12

BYOD (Bring Your Own Device) is permitted for Grades 9–12. Personal devices are subject to all AUP rules when on campus or connected to school Wi-Fi. The school is not responsible for loss, theft or damage to personal devices brought to school.

Parameter	Policy Details
Permitted Device Types	Laptop (Windows/Mac/ChromeOS), tablet (iPad/Android). Smartphones classified separately under mobile phone policy.
Minimum Specs (Grades 11–12 BYOD)	RAM: 4GB+, Storage: 128GB+, OS: Windows 10/11, macOS 12+, ChromeOS 100+, Battery: 4hr+ (must last school day)

Parameter	Policy Details
Required Software	Google Chrome browser; school-specified apps (list issued at start of year by IT); antivirus (Bitdefender or equivalent)
Network Access	Connect to PIS-Students Wi-Fi only (password issued with student ID). Do NOT create personal hotspots in school.
Classroom Use	Device used only when instructed by teacher. Closed/face-down when not in use for learning. No gaming during class.
Data on Personal Device	School-related data stored on Google Drive, not locally on personal device. No student data to be stored on personal device without teacher instruction.
IT Support	Basic connectivity support provided by IT. Hardware/software repair of personal devices is NOT school's responsibility.

2.4 Smartphone / Mobile Phone Policy

Grade Group	During Class	During Breaks	During Exams	On School Bus
Grades 1–5	Not permitted on campus (must stay in bag/locker)	Not permitted	Not permitted	Not permitted
Grades 6–8	Stored in designated phone pocket / classroom box	Allowed (personal use)	Not permitted	Allowed (personal use)
Grades 9–10	Silent and face-down on desk; used only if instructed	Allowed	Not permitted — submitted to invigilator	Allowed
Grades 11–12	Silent; used only if instructed by teacher	Allowed	Not permitted — submitted to invigilator	Allowed
Staff	Personal calls during free periods / breaks only; not during class delivery	Allowed	N/A	Allowed

■ Smartphones found in use during exams will be confiscated and the student's paper cancelled. This is classified as malpractice under CBSE Examination Bye-laws.

2.5 Device Damage & Repair Cost Schedule

Damage Type	School-Issued Device Cost Recovery	Determination
Screen crack (accidental, first instance)	50% of repair cost	IT assessment; incident report required
Screen crack (second instance / careless)	100% of repair cost	IT + VP assessment
Keyboard damage	75% of repair/replacement	IT assessment
Battery replacement (wear & tear)	Nil — school absorbs	After 2-year normal use
Water damage	100% of repair/replacement	IT assessment; no exceptions
Deliberate / intentional damage	100% replacement + disciplinary action	VP + IT + parent meeting
Loss / negligence	100% replacement cost	Police report required for theft claim
Normal wear & tear (after 2 years)	Nil	School absorbs; device replaced in cycle

3. Password & Security Policy

This policy establishes standards for creating, managing and protecting passwords and user credentials for all ABC International School, Powai digital systems. It applies to all users — students, staff and administrators — and is aligned with ISO 27001 information security best practices.

3.1 Password Requirements by Account Type

Account Type	Min. Length	Complexity	Expiry	MFA Required
Student Google Workspace (Grades 1–5)	8 chars	Letters + numbers	Annual (June)	No
Student Google Workspace (Grades 6–12)	10 chars	Upper + lower + number + symbol	Every 6 months	Recommended
Staff Google Workspace	12 chars	Upper + lower + number + special char	Every 90 days	Yes — mandatory
School ERP (iSAMS / Fedena)	12 chars	Upper + lower + number + special char	Every 60 days	Yes — mandatory
Admin / IT System Accounts	16 chars	Full complexity; no dictionary words	Every 30 days	Yes — hardware token or authenticator app
Wi-Fi Passwords (student network)	School-man aged; rotated termly	N/A — student does not set	Per term	N/A
CCTV / Security Systems	16 chars	Full complexity	Every 60 days	Yes — mandatory

3.2 Password Best Practices — Staff & Student Guide

✓ DO — Good Password Habits

- Use a passphrase of 3–4 random words (e.g. 'Purple-Mango-Sky-42'): memorable and strong.
- Enable Two-Factor Authentication (2FA/MFA) on all school accounts — use Google Authenticator or Microsoft Authenticator.
- Use a different password for every platform. If one is compromised, others remain safe.
- Change your password immediately if you suspect it has been shared or compromised.
- Lock your device screen whenever you step away — even briefly (Windows: Win+L; Mac: Cmd+Ctrl+Q).
- Report forgotten passwords to IT Help Desk only via the official ticket system (helpdesk.ABCinternational.school).

✗ DON'T — Dangerous Habits

- Never use personal information in passwords: name, birthdate, roll number, pet name, school name.
- Never share your password with anyone — not even IT staff (genuine IT staff will never ask for your password).
- Never reuse old passwords when prompted to change. The system checks the last 10 passwords.
- Never write passwords on sticky notes, whiteboards or in school diaries.
- Never save passwords in an unencrypted document (Word/Notes app). Use a password manager (Bitwarden or similar) instead.
- Never use simple patterns: '12345678', 'Password1', 'ABC2025', 'abcdefgh'.

3.3 Account Security — Procedures

Situation	Action	Timeline	Contact
Forgotten password	Self-service reset at accounts.ABCinternational.school or raise IT Help Desk ticket	Reset within 1 working hour	helpdesk@ABC.org Ext. 301
Suspected account compromise	Immediately report to IT Coordinator; change password from unaffected device; IT investigates	Immediate	IT Coordinator (emergency line)
Phishing email received	Do NOT click any links; forward email to security@ABC.org; delete original; IT will investigate	Same day	security@ABC.org
New staff joining	IT creates account with temporary password; staff must change on first login; MFA enrolled within 24 hours	Day 1 of joining	IT Department
Staff leaving school	Account suspended on last working day; data archived per policy; permanent deletion after 6 months	Last working day	IT + HR
Student graduating / leaving	Account suspended on TC date; personal data exported and provided to student; account deleted after 90 days	TC date	IT Department

3.4 Network & System Security Standards

- All school servers are hosted on-premise with daily encrypted backups to cloud (Google Cloud / AWS India region).
- Antivirus / EDR (Endpoint Detection & Response) installed on all school-managed devices — auto-updated daily.
- Network segmented into: Admin VLAN, Staff VLAN, Student VLAN, IoT/Smart Board VLAN — cross-segment access restricted.
- External USB drives and personal storage devices blocked on school computers via MDM policy (exceptions by IT approval only).
- Annual penetration testing conducted by an empanelled cybersecurity firm; report reviewed by Principal and Trust IT committee.
- Software and OS updates applied within 48 hours of critical patch release; routine updates monthly.

4. Learning Management System (LMS) Usage Guide

ABC International School uses Google Workspace for Education as its primary LMS platform (Google Classroom) for all grades, supplemented by Moodle for Grades 9–12 advanced coursework. All students and staff receive school-issued Google accounts (@ABCinternational.school).

4.1 Platform Overview

Platform	Used By	Primary Functions	Access URL
Google Classroom	All Grades (1–12) + Staff	Assignment submission, class announcements, resource sharing, grading, feedback, Meets integration	classroom.google.com
Google Drive	All Grades (1–12) + Staff	Document storage, collaborative editing (Docs, Sheets, Slides), project folders	drive.google.com
Google Meet	All Grades + Staff	Online / hybrid classes, parent meetings, staff professional development	meet.google.com
Moodle LMS	Grades 9–12 + Staff	Course content library, quiz banks, discussion forums, IGCSE/CBSE resource repository	lms.ABCinternational.school
iSAMS Portal	Staff + Parents	Student records, attendance, fee management, report cards, timetable	erp.ABCinternational.school
ABC Learning App	All Grades + Parents	Mobile access to assignments, notices, attendance, marks, fee dues — iOS and Android	App Store / Play Store

4.2 Google Classroom — Student Guide

Getting Started		
Step	Action	Tips
1. Login	Go to classroom.google.com → Sign in with your school Google account (rollno@ABCinternational.school)	Use school email only; never personal Gmail on school Classroom
2. Join Class	Your teacher will share a class code (e.g. abc1xyz). Click '+' → 'Join class' → Enter code	You should be enrolled in all subjects by your form teacher on Day 1
3. View Stream	The 'Stream' tab shows all announcements, reminders and class updates from your teacher	Turn on notifications in the app so you don't miss deadlines
4. Assignments	Click 'Classwork' tab → Click on any assignment to view instructions, attachments and due date	Always check 'Classwork' daily — not just 'Stream'
5. Submit Work	'Add or create' → Upload your file from Drive / device → Click 'Turn In' before deadline	Once submitted, you can 'Unsubmit' to make changes before deadline
6. View Grades	Click assignment → 'View your work' after teacher returns it. Feedback shown in comments	Respond to teacher feedback — it improves your next submission
7. Private Comment	To ask the teacher a private question on an assignment, type in the 'Private comment' box	Use for academic queries only; not for personal messages

4.3 Google Classroom — Teacher Guide

Function	How To	Best Practice
Create a Class	'+ Create' → Fill class name, section, subject, room. Share 6-digit code only with enrolled students.	Create one class per subject per section; use consistent naming: 'Gr8B-English-2025'
Post Assignment	'Classwork' → '+Create' → 'Assignment'. Set title, instructions, attachments, points, due date/time, topic.	Set due dates at 11:59 PM; assign to specific students for differentiation
Add Resources	'Classwork' → '+Create' → 'Material'. Upload PDFs, videos (YouTube link), Google Docs, external links.	Organise by 'Topic' (e.g., 'Chapter 3 — Photosynthesis') for easy navigation
Grade Submissions	'Classwork' → Click assignment → 'View student work'. Open file, add comments, enter marks → 'Return'.	Use rubrics (Google Classroom supports rubric creation) for objective grading
Schedule Posts	When creating any post: 'Schedule' instead of 'Post'. Set future date and time.	Schedule weekly lesson plans on Sunday evening to auto-publish Monday morning
Send Announcements	'Stream' → Click 'Share something with your class'. Can target all students or specific ones.	Pin important announcements (exam dates, submission deadlines) to top of Stream
Google Meet in Class	Click 'Generate Meet link' in class settings. This creates a permanent class Meet link.	Enable waiting room; admit students manually; mute all on entry for large classes

4.4 Moodle LMS — Guide (Grades 9–12)

Feature	Description	Student Access	Teacher/Admin Access
Course Enrolment	All courses auto-enrolled via iSAMS integration. Manual enrolment by IT if missing.	View at lms.ABCInternational.school/my	Course > Participants > Enrol Users
Resource Library	PDF notes, video lectures, past papers, reference materials organised by chapter/unit.	Download/view anytime; offline not available	Upload via 'Add an activity or resource' → File/Folder/URL
Quizzes & Tests	Timed online quizzes with auto-grading. Randomised question pools for integrity.	Attempt within set window; one attempt unless teacher resets	Quiz → Edit Quiz → Add Questions from Question Bank
Discussion Forums	Threaded academic discussions; teacher-moderated. Counts toward participation marks in some subjects.	Post replies; start new threads (if enabled)	Monitor; respond; mark for grading
Assignment Submission	Moodle Turnitin integration for plagiarism checking on written submissions (Grades 10–12).	Submit file/text; view Turnitin similarity score after submission	View reports; set similarity threshold; grade via feedback studio
Gradebook	All Moodle quiz/assignment marks consolidated in course gradebook; visible to student.	View own marks and feedback only	Full gradebook management; export to CSV/Excel

Note: LMS training videos and user manuals are available at support.ABCInternational.school. IT Help Desk: helpdesk@ABC.org | +91 22 2570 0123 Ext. 301 | Mon–Sat 7:30 AM – 5:00 PM

5. Online Class Policy

This policy governs the conduct, attendance, recording and platform use for all online/virtual classes conducted by ABC International School, Powai — whether in a fully online format, hybrid mode, or as supplementary digital sessions during school hours. It applies to all students, teachers and parents.

5.1 Online Class Platforms & Setup

Platform	Primary Use Case	Who Hosts	Required Setup
Google Meet (via Classroom)	All regular online classes; PTMs; staff meetings	Teacher (auto-link from Classroom)	Chrome browser or Meet app; school Google account; stable internet
Zoom (school licence)	External expert sessions; large-scale school events; MUN; webinars	IT-coordinated host account	Zoom app installed; school-provided meeting link; waiting room enabled
Google Classroom	Assignment distribution, grading, async communication during online periods	Teacher	School Google account
Moodle	Recorded lecture library; async coursework for Grades 9–12	IT-hosted	School login; browser or app

5.2 Student Code of Conduct — Online Classes

Before the Class

- Log in using your school Google account only — personal Gmail accounts not permitted in school Meet sessions.
- Join the class 2 minutes before the scheduled start time. Latecomers may be admitted at the teacher's discretion.
- Find a quiet, well-lit space free from distractions. Wear neat, presentable clothing (school uniform on school days).
- Test your camera and microphone before joining. Ensure your device is charged and internet is stable.
- Display your full name as listed in school records — not nicknames, emojis or anonymous names.

During the Class

- Keep microphone muted unless called upon by the teacher. Use the 'Raise Hand' feature to ask questions.
- Camera should be ON during class. Camera may be turned off only with prior teacher permission (connectivity issues).
- Pay full attention — do not browse other tabs, use social media or play games during class.
- Use the in-session chat only for academic questions. Personal conversations in chat are not permitted.
- Do not eat meals during class (water/light snacks acceptable for long sessions).
- Be respectful in language and demeanour — the same standards as a physical classroom apply.
- Do not share the meeting link with anyone outside the class — this is a security violation.

Recording Policy

■ RECORDING PROHIBITION: Students are strictly prohibited from recording, screenshotting or screen-capturing any part of an online class without explicit written consent from the teacher AND Principal. Violation is a serious breach of privacy and may constitute an offence under the IT Act 2000 and applicable privacy law. Teachers may record sessions for students who are absent — recordings are shared only via the school LMS.

5.3 Attendance & Participation Standards

Parameter	Standard	Consequence of Non-Compliance
Login Attendance	Student must join within first 10 minutes to be marked Present	Late join (>10 min) = Half-day absent; no-show = Full-day absent

Parameter	Standard	Consequence of Non-Compliance
Minimum Online Attendance	75% of online sessions minimum (same as physical attendance — CBSE rule)	Below 75% triggers same escalation as physical absence
Camera Policy	Camera ON for minimum 70% of class duration	Repeated camera-off without reason = marked absent by teacher
Participation	Students expected to respond to teacher questions, polls and breakout activities	Passive attendance (connected but unresponsive) = teacher flags as 'Present – Not Engaged'
Technical Issues	Report genuine connectivity issues to class teacher by email before / immediately after class	Unverified 'connectivity' claims beyond 3 instances per month reviewed by VP
Parent Supervision (Jr. KG–Grade 4)	Parent must be available in the vicinity during online classes for young students	School not responsible for incidents during unsupervised online sessions for young children

5.4 Teacher Obligations — Online Class Delivery

Obligation	Standard
Class link sharing	Share Google Meet link via Google Classroom only — not via WhatsApp or personal channels. Activate 'Waiting Room'.
Recording (if done)	Inform students at start of recording. Upload to Google Classroom / Moodle within 24 hours. Recording stored for 30 days max.
Session duration	Online class periods should not exceed 45 minutes without a 5-minute break. No back-to-back online periods without break.
Admitting participants	Admit only students on the class roster. Reject unknown participants. Report attempted unauthorized joins to IT Coordinator.
Breakout rooms	Never leave students unsupervised in breakout rooms for >10 minutes. Check in regularly.
Accessibility	Share materials in Classroom before the session. Provide captions if available. Speak clearly; repeat key points in chat.
Behaviour management	Mute disruptive participants; remove repeat offenders and report to VP. One warning before removal.
Lesson plans	Submit online lesson plan to HOD via Google Classroom 'Teacher Resources' folder — same as physical class requirement.

6. Data Privacy Policy

LEGAL BASIS: This policy is framed under the Digital Personal Data Protection Act (DPDPA) 2023 (India), Information Technology Act 2000, IT (Amendment) Act 2008, and CBSE Data Protection Guidelines. ABC International School acts as a 'Data Fiduciary' for all student and staff personal data collected and processed.

6.1 Categories of Personal Data Collected

Data Subject	Data Category	Examples	Purpose	Legal Basis
Students	Identity Data	Name, DOB, Aadhaar, photo, gender, religion (optional), nationality	Admission, ID card, CBSE registration	Contractual + Legal obligation
Students	Academic Data	Marks, grades, reports, attendance, learning assessments	Education delivery, board submission, parent communication	Contractual
Students	Health Data	Blood group, medical conditions, immunisation record, disability status	Campus safety, medical response, PE participation	Legitimate interest + Consent
Students	Behavioural Data	Disciplinary records, counsellor notes, BIP records	Student welfare, safety management	Legitimate interest
Students	Device/Tech Data	Device usage logs, LMS activity, Wi-Fi access logs, CCTV footage	Security monitoring, AUP enforcement, safety	Legitimate interest
Parents	Contact Data	Mobile, email, address, Aadhaar, PAN, annual income (for EWS)	Communication, fee management, legal compliance	Contractual + Legal obligation
Staff	Employment Data	Name, qualification, experience, salary, PAN, PF, bank details, police verification	Payroll, compliance, HR administration	Contractual + Legal obligation
Visitors	Identity Data	Name, ID type & number, contact number, vehicle registration, visit timestamp	Campus security, accountability	Legitimate interest

6.2 Data Retention Schedule

Data Type	Retention Period	Storage Location	Deletion Method
Student academic records	Permanent (for CBSE compliance)	iSAMS ERP + Physical file	N/A — permanent
Attendance records	5 years from academic year end	ERP + Physical register	Secure shredding + digital deletion
Medical / health records	Until student turns 25 years of age	Locked medical file + ERP (restricted)	Shredding + secure deletion
Disciplinary records	5 years; archived after student leaves	Principal's confidential file + ERP	Shredding + deletion
CCTV footage	90 days (routine); 1 year (incident-flagged)	On-site NVR (encrypted)	Auto-overwrite / manual purge
Visitor logs	1 year from date of visit	Physical register + digital log	Shredding + deletion
Staff employment records	7 years post-leaving (statutory)	HR file + ERP	Shredding + deletion

Data Type	Retention Period	Storage Location	Deletion Method
Payroll / financial records	8 years (Income Tax Act requirement)	Accounts system + physical	Secure destruction
LMS / device usage logs	1 academic year	Google Admin Console; IT server	Google auto-purge + manual deletion
Email communications	3 years	Google Workspace	Admin deletion via Google Workspace
Parent contact & personal data	Until student leaves school + 1 year	ERP	ERP deletion after confirmation

6.3 Data Subject Rights (DPDPA 2023)

Right	What It Means	How to Exercise	School Response Time
Right to Access	Know what personal data the school holds about you / your child	Written request to Principal / Data Protection Officer (DPO)	15 working days
Right to Correction	Request correction of inaccurate or incomplete data	Written request with supporting documents	10 working days
Right to Erasure	Request deletion of data no longer needed (where legally permissible)	Written request; note statutory retention obligations apply	15 working days (post-legal review)
Right to Grievance	Lodge a complaint if data rights are violated	Email to dpo@ABC.org; escalate to Data Protection Board if unresolved	Acknowledge in 3 days; resolve in 30 days
Right to Nominate	Parent nominates rights on behalf of minor child	At time of admission; can update in writing	Immediately on receipt

6.4 Third-Party Data Sharing Policy

- Student or staff data is NOT sold, rented or traded to any third party under any circumstances.
- Data is shared with Google (Workspace for Education — data processing agreement in place; FERPA/COPPA compliant), CBSE (for board registration), government authorities (on legal mandate), and empanelled service providers (transport, payroll) under strict NDAs.
- Any new third-party vendor requiring access to school data must sign a Data Processing Agreement (DPA) before onboarding.
- Staff who access student data must do so only for their legitimate professional role — accessing data outside one's scope is a disciplinary offence.
- Data breach incidents must be reported to the DPO within 24 hours of discovery; DPO files report with Data Protection Board within 72 hours if breach affects personal data (DPDPA 2023 obligation).

Data Protection Officer (DPO):	IT Coordinator / Designated Admin Officer
DPO Email:	dpo@ABC.org
DPO Phone:	+91 22 2570 0123 Ext. 302
Policy Review Cycle:	Annual (every April, before new academic year)

7. Cyber Safety Guidelines

These guidelines are designed to educate and protect students, staff and parents at ABC International School, Powai from online threats. Cyber safety education is embedded in the school curriculum from Grade 1 onwards and reinforced through annual awareness programmes, parent webinars and digital literacy sessions.

7.1 The Cyber Threat Landscape — What You Need to Know

Threat	What It Is	Warning Signs	What to Do
Phishing	Fake emails/messages pretending to be from trusted sources (school, bank, Google) to steal login details or install malware	Urgent language; typos in email address; unexpected attachment; request for password or OTP	Do NOT click links or download attachments. Report to security@ABC.org. Delete email.
Cyberbullying	Repeated online harassment, threats, humiliation or exclusion via social media, messaging apps or gaming platforms	Distress after using device; avoiding online accounts; sudden change in mood	Screenshot and save evidence. Block the person. Report to trusted adult. School anti-bullying protocol activated.
Online Predators / Grooming	Adults who build trust with children online with intent to exploit or abuse. May pose as peers or celebrities.	Stranger offers gifts/money online; asks to keep friendship secret; requests photos; asks to move to private chat	STOP chatting immediately. Tell a trusted adult. Report to cybercrime.gov.in or call 1930. School DSL informed.
Identity Theft	Someone steals personal details (name, DOB, school ID, photos) to impersonate you or commit fraud	Unknown accounts using your photos; messages from 'you' that you didn't send; unfamiliar logins	Change passwords immediately. Report to IT Coordinator. Report to cybercrime.gov.in.
Malware / Ransomware	Malicious software downloaded via fake apps, links or USB drives that damages your device or locks your files	Slow device; unexpected pop-ups; unknown programs; files asking for password to open	Do NOT pay ransom. Disconnect from internet. Report to IT immediately. Do not plug in unknown USB drives.
Scams (Prize / Job / Scholarship)	Fake messages promising prizes, easy money, or scholarships in exchange for personal details or advance payment	'You've won!' messages; request for bank details; 'limited time offer'	Verify independently. Do NOT share financial or personal details. Report to 1930 (Cyber Crime Helpline).
Deepfakes / AI Misuse	AI-generated fake photos or videos that appear real, used to harass, blackmail or spread misinformation	Realistic-looking videos of people doing things they haven't done; AI-generated faces that look familiar	Do not share. Report to school. Report at cybercrime.gov.in if involving a minor.

7.2 Social Media Safety Guidelines (for Students)

Reminder: Students below 13 years are not legally permitted to create social media accounts (Instagram, Facebook, TikTok, Snapchat, YouTube) under their Terms of Service. The school actively advises parents of students in Grades 1–7 against allowing unsupervised social media use.	
Platform Guideline	Best Practice
Privacy Settings	Set all social media accounts to PRIVATE. Review followers/friends list — accept only people you know in real life.

Platform Guideline	Best Practice
What NOT to post	Never post: home address, school name (or tag location at school), phone number, daily routine, vacation plans (while away), photos in school uniform showing school gate/name.
Photos & Images	Never post photos of other students without their consent. Never share photos received privately without permission. Remember: deleted photos may already be shared.
Stranger Contact	Never accept friend/follow requests from strangers. Never agree to meet someone you met online without telling a trusted adult and taking one with you.
School Reputation	Posts about teachers, staff, classmates or school events that are defamatory, embarrassing or false are a violation of the AUP and Code of Conduct — even from personal accounts outside school hours.
Screen Time	Recommended: Grades 1–5: max 1 hour recreational screen time per day; Grades 6–9: max 2 hours; Grades 10–12: 3 hours (excluding school work).
Reporting	Use platform 'Report' features for bullying, inappropriate content and fake accounts. Screenshot evidence before reporting.

7.3 AI Tools — Responsible Use Policy

AI Tool / Platform	Permitted For Students	Conditions of Use	What Is NOT Permitted
Google Gemini (school-integrated)	Grades 8–12	Research assistance; idea generation; grammar checking; code explanation	Submitting AI-generated work as original; sharing personal data with AI
ChatGPT / Claude / Copilot	Grades 10–12	With teacher's explicit lesson-level permission only	Submitting verbatim AI output; using without disclosure
AI Image Generators	Grades 9–12	Art & Design projects with teacher permission; cited as AI-generated	Creating deepfakes; generating inappropriate or violent images
AI Code Assistants (GitHub Copilot)	Grades 11–12	Computer Science elective students; with transparency to teacher	Submitting AI code as own in assessments without disclosure
Speech-to-Text / Translation AI	All grades	Accessibility tool; language learning support	Using to avoid learning; submitting machine-translated essays as own

Note: AI Disclosure Rule: Any work that used AI tools must include a disclosure note stating the tool used and how it was used. This is not penalised — concealment is.

7.4 Cyber Safety Curriculum — Grade-wise Delivery

Grade Group	Topics Covered	Delivery	Frequency
Grades 1–3	Good touch/bad touch online; stranger danger online; age-appropriate internet use; asking trusted adults	Class teacher + Counsellor; interactive storytelling	Monthly (embedded in EVS/Computer class)
Grades 4–6	Password safety; recognising safe/unsafe websites; cyberbullying awareness; social media age rules	Computer Science teacher + Counsellor; short videos + Q&A;	Monthly
Grades 7–9	Privacy settings; phishing; digital footprint; online predators; identity theft; responsible posting	IT Coordinator + Counsellor; case studies; role-play exercises	Monthly + termly deep-dive workshop
Grades 10–12	Data privacy law; AI ethics; deepfakes; online reputation management; cyber laws (IT Act 2000); career safety online	IT Coordinator + external cybersecurity expert; seminars	Termly (3x per year) + external webinar

Grade Group	Topics Covered	Delivery	Frequency
Parents	Parental controls; monitoring apps; recognising distress signs; screen time management; reporting incidents	Annual parent cybersafety webinar (October); newsletter articles	Annual webinar + monthly newsletter
Staff	Phishing simulations; data handling; social media policy; student privacy; DPDPA obligations	Annual mandatory training + phishing simulation (bi-annual)	Annual mandatory + bi-annual simulation

7.5 Cyber Incident Reporting & Support

Incident Type	Whom to Tell	External Report	Evidence to Preserve
Cyberbullying (school-related)	Class Teacher → Counsellor → VP	—	Screenshots; save chat logs; do NOT delete
Online predator / grooming	DSL (Vice-Principal) immediately	Cybercrime.gov.in; CHILDLINE 1098	All chat logs; profile details; screenshots
Phishing / account compromise	IT Coordinator immediately	Report to platform; cybercrime.gov.in if financial loss	Email headers; suspicious links
Malware on school device	IT Coordinator immediately; isolate device	—	Do NOT use device; do NOT pay ransom
Sextortion / image-based abuse	DSL + Counsellor + Principal	Cybercrime.gov.in; NCMEC CyberTipline; Police	Screenshots; do NOT share image further
Identity theft	IT Coordinator + Parents + Principal	Cybercrime.gov.in (1930 helpline)	Account activity logs; screenshots

■ KEY CYBER SAFETY CONTACTS

Contact	Number / Link	When to Use
National Cyber Crime Helpline (India)	1930 (toll-free)	Financial fraud, identity theft, online harassment
Cyber Crime Reporting Portal	cybercrime.gov.in	File online FIR for all cyber crimes; anonymous reporting available
CHILDLINE India	1098 (24×7 toll-free)	Child online safety; exploitation; grooming
School IT Coordinator	+91 22 2570 0123 Ext. 301	Device issues; account problems; phishing; malware
School Counsellor	+91 22 2570 0123 Ext. 205	Cyberbullying distress; online harassment emotional support
School DSL (VP)	+91 22 2570 0123 Ext. 201	Child protection; online predator concerns
CERT-In (National CSIRT)	incident@cert-in.org.in +91 11 2430 7061	For serious cyber incidents affecting school systems
