A: Yes. The library opens at 7:45 AM on school days, which is before the first bell at 8:00 AM. Students who arrive early may use the reading hall for quiet reading or study.

B — Borrowing, Returns & Renewals

Q: How many books can I borrow?

A: It depends on your grade. Nursery to Grade 2: 2 books. Grade 3 to 5: 3 books. Grade 6 to 8: 4 books. Grade 9 to 10: 4 books. Grade 11 to 12: 5 books. Teaching staff: 8 books. Guest / parent members: 3 books. You may also borrow additional books under special loan categories like Project Loan or Exam Prep Loan.

Q: For how long can I keep a borrowed book?

A: Nursery to Grade 2: 7 days. Grades 3 to 5: 14 days. Grades 6 to 10: 14 to 21 days. Grades 11 and 12: 21 days. Teaching staff: 30 days. Guest members: 14 days. If you need more time, you can renew the book before it is due.

Q: How do I borrow a book?

A: Find the book in the library or search for it on opac.ABC.org. Bring the book and your Library Card (physical or the digital card on the school ERP app) to the Issue Counter on the Ground Floor. The librarian scans the book barcode and your card, and the loan is recorded instantly. You will receive an SMS with the due date. For students in Grade 6 and above, you may also use the Self-Checkout Kiosk near the exit.

Q: How do I renew a book?

A: You can renew in two ways. Online: Log in to opac.ABC.org using your school ERP credentials, go to My Account → Checked Out Items, select the book, and click Renew. At the counter: bring the book and your card to the Issue Counter before the due date. Renewal is not allowed if another member has placed a hold on the book or if the book is already 7 days overdue. Maximum 3 consecutive online renewals are permitted.

Q: Can I renew a book online?

A: Yes. Log in to opac.ABC.org using your school ERP username and password. Go to My Account → Checked Out Items → select the book → click Renew. You can also renew via the school ERP mobile app. A confirmation SMS is sent immediately after successful renewal.

Q: What happens if I return a book late?

A: A fine is charged for every day past the due date. For students in Grades 1 to 5 the fine is INR 1 per day per book. For Grades 6 to 12 it is INR 2 per day per book. There is a 1-day grace period for most members. Fines are tracked in Koha ILS and must be paid at the school accounts office. Unpaid fines above INR 100 result in borrowing being suspended until cleared. Fines also appear on your term report card.

Q: What is the maximum fine I can be charged per book?

A: The fine cap is: INR 30 per book for Grades 1 to 5; INR 60 per book for Grades 6 to 12; INR 90 per book for teaching staff; INR 150 per book for guest members. After the cap is reached, fines stop accumulating but the book must still be returned or declared lost.

Q: Can I borrow reference books?

A: Reference books — encyclopaedias, atlases, dictionaries, and all items shelved in the Reference Section — are for in-library use only and cannot be borrowed for home use. Teaching staff may borrow reference books for up to 7 days with librarian approval. In-library use of reference books is available to all members during library hours.

Q: How do I borrow books for a project?

A: A Project Loan allows you to borrow up to 8 books for 21 days for class assignments or research projects. You need a written requisition from your subject teacher, countersigned by the HOD. Submit this at the Issue Counter. Project Loan books are tracked separately in Koha and carry the same fine rules if returned late.

Q: What is a weekend loan?

A: Students in Grade 6 and above can borrow up to 2 additional books as an Overnight or Weekend Loan. These are issued on Friday afternoon and must be returned on Monday by 9:00 AM. Normal overdue fines apply from Tuesday if not returned on time.

Q: How do I know when my book is due?

A: Three ways: (1) A date-due stamp is placed inside the back cover when you borrow. (2) An SMS reminder is sent to your parent's registered mobile number 2 days before the due date. (3) Log in to opac.ABC.org → My Account → Checked Out Items to see all borrowed books and their due dates.

Q: Can I borrow a book that someone else currently has?

A: Yes. Log in to opac.ABC.org, search for the book, and click 'Place Hold'. You will receive an SMS when the book is returned and available. The book is held for 3 days after notification — if not collected in 3 days, the hold is cancelled automatically.

C — Library Card & Membership

Q: How do I get a library card?

A: Library membership is created automatically for all enrolled students and full-time staff at the start of each academic year in June. Your library card is included in your admission kit. Transfer students: submit the Student Library Membership Form at the library counter — your card is issued within 2 working days.

Q: I lost my library card. What should I do?

A: Visit the Issue Counter and fill a Duplicate Library Card Request Form. A replacement card is issued within 2 working days. A fee of INR 50 is charged for the duplicate. Please report the loss promptly to avoid misuse of your borrowing account.

Q: Can parents get a library membership?

A: Yes. Parents and guardians of currently enrolled students, and alumni within 3 years of leaving ABC, can apply for a Guest Membership. The annual fee is INR 500 (April to March). Guest members can borrow 3 books for 14 days with 1 renewal, and use the library for in-house reading. Submit the Guest Membership Form at the Issue Counter with Aadhaar Card and the latest school fee receipt.

Q: What is my library member ID?

A: Your member ID follows the format LIB-[Level]-[Year]-[Number]. Examples: a primary student joining in 2025 would be LIB-PR-2025-1204; a senior student LIB-SR-2025-0381; teaching staff LIB-TS-2025-0041. Your ID is printed on your library card and visible in your ERP profile under Library → My Account.

Q: Can I register my reading preferences?

A: Yes. When filling your Library Membership Form, you can tick your favourite genres from 16 categories including Fiction, Non-Fiction, Science & Technology, History & Biography, Mystery & Thriller, Fantasy & Adventure, Comics & Graphic Novels, Poetry & Drama, Sports, Art & Music, Nature, Self-Help, Indian Mythology, World Cultures, Humour, and True Crime. The librarian uses these to make personalised recommendations.

Q: How do I change my registered contact details?

A: Visit the library counter with a new Contact Update Form (available at the counter or on the school ERP). Fill in the updated mobile number or email. The librarian updates your record in Koha ILS within 24 hours. SMS reminders will go to the new number from the next transaction.

D — Lost & Damaged Books**Q: I lost a library book. What do I do?**

A: Report it to the library counter immediately — do not wait, as fines accumulate every day until the book is formally declared lost. Fill a Lost Book Declaration Form. You will be charged: overdue fine up to the declaration date + replacement cost (MRP + 20%) + a processing fee of INR 50. Pay at the accounts office and bring the receipt to the librarian. Your borrowing rights are restored after payment is confirmed.

Q: How much will I pay for a lost book?

A: The replacement cost is the current MRP of the book plus 20%, subject to a minimum: fiction paperbacks about INR 180, hardbacks about INR 450, CBSE textbooks about INR 150, reference books and encyclopaedia volumes about INR 700. A processing fee of INR 50 is added. Plus any accumulated overdue fines. If the book is out of print, the librarian estimates a fair market replacement value.

Q: If I find the lost book after paying, do I get a refund?

A: Yes — return the book to the library in good condition and the replacement cost will be refunded. However, overdue fines and the INR 50 processing fee are non-refundable regardless.

Q: I returned a book but it was already a little damaged. Will I be charged?

A: The librarian inspects all returned books. Minor damage like a small tear results in a damage fine of INR 50. Moderate damage (torn pages, broken spine) costs the repair fee plus INR 100. If you noticed pre-existing damage when you borrowed the book, you should have reported it at the Issue Counter at the time of borrowing — the librarian would have

noted it and you would not be held responsible. Always check books for existing damage before leaving the counter.

Q: What if I accidentally wrote in or highlighted a library book?

A: Writing in, highlighting, annotating, or defacing library books in any way is treated as severe damage. You will be required to pay the full replacement cost of the book plus an additional INR 100 fine. This applies to all materials including textbooks, novels, and reference books.

Q: Will my TC be held if I have library dues?

A: Yes, absolutely. No Transfer Certificate (TC) will be issued to any student who has outstanding library dues — whether overdue fines, lost book replacement costs, or damage charges. You must obtain a Library No-Dues Certificate before a TC can be processed. Visit the library counter to get your dues statement, pay at the accounts office, and return the receipt to the librarian to receive your No-Dues Certificate.

E — Digital Library & E-Resources

Q: How do I access the digital library?

A: Visit library.ABC.org and log in using your school ERP credentials (same username and password as your school ERP portal). The OPAC for searching physical books is at opac.ABC.org and requires no login.

Q: Can I print documents in the library?

A: Yes. You get 10 free A4 black-and-white pages per day in the Digital Lab. Additional printing costs INR 2 per page (B&W;) and INR 5 per page (colour). Scanning is free with a 20-page limit per session. Output can be saved to a USB drive or emailed to your school email address.

Q: What is Khan Academy and how do I access it through the library?

A: Khan Academy is a free platform with over 10,000 video lessons and practice exercises covering Mathematics, Science, English, History, and more. Physical audio books on USB and CD are also available for borrowing from the AV Section on the First Floor.

F — Library Rules & Conduct

Q: Can I bring my bag inside the library?

A: No. Bags and backpacks must be deposited in the numbered bag rack at the library entrance before entering. You may carry only your notebook, pen or pencil, and (for Grade 9 and above) your personal laptop. The library is not responsible for items left in the bag rack, so do not leave valuables.

Q: Can I use my mobile phone in the library?

A: Mobile phones must be on silent mode in all library areas. Phone calls are not permitted anywhere in the library. Earphones may be used only in the Digital Lab. A first violation results in your phone being held by the librarian for the rest of the day. A second violation triggers a written warning to your parents. Persistent misuse can result in a one-week library suspension.

Q: Can I eat or drink inside the library?

A: Food is strictly prohibited throughout the library. Only sealed, transparent water bottles are permitted. Students found with food inside will have it confiscated and receive a warning. A third offence can result in a 3-day library suspension.

Q: What happens if I misbehave in the library?

A: The library has a clear disciplinary matrix. Noise and disruption: first offence — verbal warning; second — written warning with parent note; third — 3-day library suspension. Bullying or intimidation is immediately referred to the Principal. Theft results in recovery of the item, a fine of INR 500, and a formal disciplinary inquiry. Tampering with RFID tags or barcodes results in a fine of INR 200 and a parent call.

Q: Is the library accessible for students with disabilities?

A: Yes. The Ground Floor of The ABC Knowledge Hub is fully wheelchair accessible with ramp entry. Large-print books are available in the Reference Section — ask the librarian. Audio books are available for students with visual impairments or dyslexia through the Audible Schools subscription. The SENCO can coordinate special library access arrangements for students with IEPs. Contact library@ABC.org for specific accessibility requirements.

G — Reading Programmes, Events & Recommendations

Q: What is the ABC Reading Challenge?

A: The ABC Reading Challenge (PRC) is an annual school-wide reading programme that runs from June to March. Students log every book they read during the year. Three achievement tiers exist: Bronze for reading 10 books, Silver for 20 books, and Gold for 30 or more books. Students who achieve any tier receive a medal and certificate at the Annual Day ceremony. All grades from Nursery to Grade 12 are eligible.

Q: Is there a book club in the school?

A: Yes. The book club is called The Page Turners and meets every alternate Friday. It is open to students in Grades 6 to 12. Each session involves a student-led discussion of a chosen book with the librarian moderating. Active members receive reading log recognition. To join, speak to Ms. Anjali Joshi at the library counter or email library@ABC.org.

Q: Does the library have storytelling sessions?

A: Yes. Storytelling Hour is held every Tuesday at 10:00 AM and is designed for students in Nursery to Grade 2. The librarian or a trained volunteer reads picture books aloud and children participate interactively. Each participant receives a sticker for attendance. Parents may attend on prior invitation from the librarian.

Q: How can I get book recommendations?

A: The library team is always happy to suggest books. Walk up to the Issue Counter and ask for a recommendation based on your age, favourite genres, or what you have recently enjoyed. You can also email library@ABC.org with your preferences and receive a curated list within 2 school days. Check the Peer Book Review Board near the Junior Corner for student-written 100-word reviews of their favourite reads.

Q: Can I suggest a book for the library to buy?

A: Absolutely. Fill a Book Suggestion Form at the counter or email the title, author and reason for suggestion to library@ABC.org. The librarian reviews all suggestions monthly and forwards viable ones to the purchase committee. If your suggestion is accepted, the book is catalogued with 'Suggested by [Your Name]' noted on its record — a permanent part of the library's history.

Q: What newspapers does the library have?

A: The library subscribes to The Hindu, Times of India, Maharashtra Times, Navbharat Times, and The Economic Times — all available daily in the Periodical Rack on the Ground Floor. Newspapers are for in-library reading only and cannot be removed from the Periodical Section.

Q: What magazines are available in the library?

H — Special Cases & Less Common Queries

Q: Can I book a group study room in the library?

A: Yes. The library has three Group Study Rooms on the First Floor, each seating up to 5 students. Rooms must be booked at least 24 hours in advance via the school ERP portal (Library → Group Study Rooms → Book). Each booking is for 90 minutes. Rooms are available for Grade 6 to 12 students and staff. Walk-in use without prior booking is not permitted.

Q: Can I use the library for a class or group project session with my teacher?

A: Yes. Teachers can bring their class to the library for guided research, reading sessions, or project work. Prior booking is required — contact library@ABC.org at least 48 hours in advance. A class visit register must be signed at the entry point. The librarian or assistant will brief students on relevant resources.

Q: Does the library have books in Marathi or regional languages?

A: The library's primary collection is in English and Hindi. A small Marathi section is available with select titles including literature and reference. Regional language books may also be found in the donation section. If you need a specific Marathi title, ask the librarian — it may be possible to order it through the annual acquisition process.

Q: Can I donate books to the library?

A: Yes, the library welcomes book donations in good condition. Donated books are assessed by the librarian for relevance, condition, and age. Accepted donations are catalogued and added to the collection with a 'Donated by [Name]' note. Books not suitable for the school collection are donated to NGO partner schools through the annual Book Donation Drive in October.

Q: What happens if the book I want is checked out?

A: You can place a hold on it through opac.ABC.org. Log in, search for the book, and click 'Place Hold'. You will receive an SMS when the book is returned and ready for you. The hold is kept active for 3 days after the SMS — if not collected, it is automatically cancelled and the next member on the queue is notified.

Q: Can I borrow a book during summer vacation?

A: Yes. The library operates during summer vacation from Monday to Friday, 9:00 AM to 1:00 PM (May–June). Issue and return services are available during these hours. The Digital Lab is also open during summer vacation. This is a great time to borrow from the Summer Reading Programme list.

Q: Are there any books only for teachers?

A: Teaching staff have access to the full library collection including Reference Section books (7-day loan). In addition, the Career Corner stocks pedagogy and teacher development titles available to staff, and the library subscribes to academic journals like Harvard Business Review and Educational Leadership exclusively for staff. The JSTOR database is also

available to all teaching staff.

Q: How does the library handle books that are out of print?

A: If a requested book is out of print, the librarian can: (a) source a second-hand copy from authorised vendors, (b) check if an e-book version is available on Overdrive or Project Gutenberg, (c) facilitate an Inter-Library Loan (ILL) from the Mumbai Public Library Network or another school. For lost out-of-print books, the replacement value is the last known MRP multiplied by 1.5.

Q: Does the library support students preparing for competitive exams?

A: Yes. The Career Corner on the First Floor is stocked with JEE, NEET, UPSC, NDA, CAT, and other competitive exam preparation books. Students in Grade 9 to 12 have access to this section during library hours. Books can be borrowed under normal loan terms. The library also subscribes to Competition Success Review magazine and Career 360 for exam information and guidance.

Q: Is there a way to know which books are new in the library?

A: Yes. New arrivals are displayed on the New Arrivals shelf near the Issue Counter for 30 days after cataloguing. The OPAC (opac.ABC.org) has a 'New Arrivals' filter in the search bar. New additions are also announced fortnightly on the school ERP library feed and on the library's Instagram page @ABCKnowledgeHub.
