7. Parent Grievance Policy

ABC International School, Powai is committed to addressing all parent concerns and grievances promptly, fairly and transparently. This policy provides a structured escalation pathway to ensure every concern receives appropriate attention. The school aims to resolve all grievances at the lowest possible level within stated timelines.

7.1 Policy Principles

- **Accessibility:** Any parent may raise a grievance without fear of retaliation or negative impact on their child.
- **Confidentiality:** Grievances are handled with discretion. Parties involved are not disclosed beyond those necessary for resolution.
- **Timeliness:** All grievances are acknowledged within 24 hours and resolved within stated timelines.
- **Fairness:** Both parties — the complaining parent and the concerned staff member/department — are heard before a conclusion is reached.
- **Transparency:** The complainant is kept informed of the progress and outcome of their grievance.
- **No Victimisation:** Raising a grievance shall not result in any adverse action against the student. Any staff member found to have victimised a student whose parent has raised a grievance will face disciplinary action.
- **Independence:** Grievances against the Principal are escalated directly to the ABC Education Trust — they are not handled by the Principal's office.

7.2 Grievance Escalation Pathway

Level	Grievance Type	First Contact	Acknowledgement	Resolution Target	Escalation If Unresolved
Level 1 — Informal	Minor day-to-day concerns: homework load, seating, classroom interaction, communication from teacher	Class Teacher (via school app message or in-person after school — not during class)	Within 24 hours	3 working days	Escalate to HOD if not resolved
Level 2 — Department	Academic concerns (assessment, grading), teacher conduct (repeated issues), co-curricular allocation	HOD (Head of Department) — appointment via Admin Office	Within 24 hours	5 working days	Escalate to Vice-Principal
Level 3 — School Administration	Policy-related, disciplinary action appeal, bullying, safety concern, unresolved Level 2	Vice-Principal — written complaint (Form GRV-001) submitted at Admin Office or via email to vp@ABC.org	Within 48 hours	7 working days	Escalate to Principal
Level 4 — Principal	Unresolved Level 3, serious misconduct of staff, systemic concerns, fee-related disputes	Principal — written complaint; appointment arranged by Admin Office	Within 48 hours	10 working days	Escalate to ABC Education Trust
Level 5 — Trust / External	Grievance against Principal, Trust-level policy concern, unresolved after Principal's review	ABC Education Trust — trust.grievance@ABC.org MCGM School Cell Maharashtra Fee Regulatory Authority (fee disputes)	Within 5 working days	30 working days	Regulatory authority / legal recourse

7.3 What Constitutes a Grievance vs. a Request

Situation	Classification	Appropriate Channel
Child's seat changed without explanation	Grievance (academic welfare)	Class Teacher → HOD if unresolved
Parent wants child's seat changed (preference)	Request	Class Teacher — accommodated at teacher's discretion
Teacher gave incorrect information in class	Grievance (academic accuracy)	HOD → Academic Head
Parent wants a different teacher for their child	Request (not a grievance)	Principal — may or may not be accommodated
Child bullied by classmate; school did not act	Grievance (safety/welfare)	VP → Principal → Trust (if unresolved); also CHILDLINE if child safety at risk
Fee charged incorrectly / different from circular	Grievance (fee dispute)	Admin Manager → Accounts → Principal → Maharashtra Fee Regulatory Authority
Report card marks seem wrong	Grievance (academic)	Class Teacher → HOD (subject) — revaluation request form to be submitted
Parent unhappy with school event timing	Feedback (not a grievance)	School App feedback section / PTA meeting
Staff member rude to parent	Grievance (conduct)	VP → Principal — taken very seriously; investigated formally
Child not selected for school sports team	Request / Appeal	PE Teacher → Principal — explained rationally; selection criteria shared

■ **IMPORTANT:** Grievances should never be raised via the teacher's personal WhatsApp or personal mobile number. Always use official channels (school app, email to school address, or Admin Office). Messages on personal numbers are not considered official grievances and may not be addressed.

9. Chatbot FAQ — Parent Communication

This section contains curated Question-Answer pairs for chatbot training, covering the most frequently asked questions by parents of ABC International School, Powai regarding circulars, notices, events, holidays, PTA, consent forms, grievances and school communication channels.

Category A — School Communication Channels

Q: How does ABC International School Powai communicate with parents?

A: The school uses multiple channels: (1) ABC Learning App (iOS and Android) — primary channel for circulars, notices, fee reminders, attendance alerts and announcements; (2) Google Classroom — academic communications, assignment notifications and teacher messages; (3) SMS — urgent or time-sensitive alerts (closures, emergency notices); (4) Email — formal circulars, PTA communications and individual correspondence; (5) Physical circulars — important annual documents sent home via students; (6) School website — all circulars archived at www.ABCInternational.school under 'Circulars & Notices'. We recommend all parents install and activate notifications on the ABC Learning App as it is the fastest channel.

Q: How do I download and set up the ABC Learning App?

A: Search for 'ABC Learning' on the Apple App Store or Google Play Store. Download and install the app. Register using your child's admission number and the mobile number registered with the school. You will receive an OTP for verification. Once logged in, you can view circulars, attendance, fee dues, assignments and send messages to teachers. For login issues, contact the IT Coordinator at helpdesk@ABC.org or +91 22 2570 0123 Ext. 301.

Q: Where can I find old/previous circulars?

A: All circulars issued from AY 2023–24 onwards are archived on the school website at www.ABCInternational.school under the 'Circulars & Notices' section. They are also available on the ABC Learning App under 'Circulars'. Physical circulars sent home via students are typically retained by the school office for 2 academic years. You can also email info@ABC.org to request a specific circular.

Q: I missed an important circular. Can the school resend it?

A: Yes — you can access all circulars on the school app or website at any time. If you need a physical copy, contact the Admin Office. The class teacher can also resend the circular via Google Classroom. We strongly recommend turning on push notifications on the ABC Learning App to avoid missing any communication.

Q: How can I message my child's teacher?

A: Teachers can be messaged through the ABC Learning App (Help Desk → Message Teacher) or via the class teacher's Google Classroom (Private Comment or direct email to the school email address). Please do not message teachers on their personal WhatsApp or mobile numbers — these are not official school channels and messages may not be addressed. For urgent matters, call the school reception at +91 22 2570 0123 who will connect you to the relevant teacher or department.

Category B — Holidays & School Calendar

Q: How many holidays does the school have in a year?

A: ABC International School, Powai observes a total of approximately 45–50 non-working days per academic year including public/gazetted holidays, school breaks (Diwali 5 days, Christmas/New Year 11 days), and the Summer Vacation (approximately 69 days from April 1 to June 9). The school working year has approximately 220 school days as per CBSE norms. The complete annual holiday calendar is shared with parents at the start of every academic year (June) via the school app and website.

Q: Will school be closed tomorrow due to heavy rain?

A: School closure decisions due to heavy rain are taken by 6:00 AM on the day, based on BMC's weather advisory and IMD alerts for Mumbai. The decision is communicated immediately via: (1) Push notification on the ABC Learning App; (2) SMS to all registered parent numbers; (3) School website homepage announcement. If you haven't received any communication by 7:00 AM on the day, school is open as normal. Please check the app before leaving home on days with

heavy rain.

Q: Does school close on all national and state holidays?

A: Yes — the school observes all national holidays (Independence Day, Republic Day, Gandhi Jayanti) and Maharashtra state government gazetted holidays. For national holidays that involve school celebrations (Independence Day, Republic Day), attendance is voluntary — a flag hoisting ceremony and programme are held, and students are encouraged to attend but are not penalised for absence. The complete holiday list is published in the annual circular (PIS/CIR/HOL/) shared at the start of the academic year.

Q: When does the academic year start and end?

A: The academic year at ABC International School, Powai typically starts on the second Monday of June (AY 2025–26: 10 June 2025) and concludes on 31 March of the following year. Summer vacation runs from 1 April to the school reopening date. For CBSE Board students (Grades 10 and 12), the academic year effectively ends when the Board examinations conclude (typically March end). Results for Board classes are released by CBSE in May.

Category C — PTM & PTA

Q: How many Parent-Teacher Meetings are held per year?

A: ABC International School holds 4 PTMs per academic year — one each quarter, typically in October (after Half-Yearly exams), December, February and March/April (after Annual exams). Pre-Primary PTMs are more frequent (every 6–8 weeks) given the developmental focus of early childhood education. PTM dates are communicated at least 2 weeks in advance via circular and school app. Each PTM lasts approximately 10 minutes per parent per subject teacher.

Q: Is attendance at PTM mandatory?

A: PTMs are strongly encouraged for all parents, and the school views parental engagement as a key factor in student success. Attendance is not penalised as mandatory, but if a parent misses a PTM, the school may require a parent meeting if the child has academic or behavioural concerns. For parents who genuinely cannot attend, a makeup meeting can be requested — contact the class teacher to schedule an alternative appointment within 1 week of the PTM.

Q: How can I join the PTA?

A: PTA membership is open to all parents of enrolled students as General Members — no election needed. You can attend all PTA meetings and participate in discussions. To hold an Executive Position (President, VP, Secretary, Treasurer, Executive Member), you need to contest the biennial PTA election held every 2 years (next election: June 2026). PTA election notice is issued 30 days before the election date. Any parent with a child enrolled for a minimum of 1 year is eligible to contest. Contact the current PTA Secretary (pta@ABC.org) to express interest.

Q: Can I raise a concern at a PTA meeting?

A: Yes — every PTA meeting has an 'Open Floor' agenda item (typically 15–20 minutes) where any parent can raise a general concern. For specific grievances (about a teacher, your child's assessment, a policy), the PTA meeting is not the appropriate forum as it cannot be resolved collectively. Those concerns should be raised through the formal Grievance Escalation Pathway (speak to the class teacher, then HOD, then VP). The PTA President can facilitate a separate meeting with the Principal for concerns that need management attention.

Q: What has the PTA achieved at ABC Powai?

A: The PTA at ABC International School, Powai has contributed to several improvements: additional library books (funded by PTA corpus), installation of water coolers at additional points on campus, introduction of the school nutrition policy (canteen menu review), expansion of the counselling programme to include peer support teams, and advocacy for the GPS bus tracking system upgrade. PTA fund utilisation is reported transparently at each PTA meeting and at the AGM.

Category D — Grievances & Complaints

Q: My child's teacher gave unfair marks. What should I do?

A: Step 1: Speak to the class teacher or subject teacher directly — request a review of the paper with specific questions noted. Most marking concerns are resolved at this stage. If the teacher confirms the marks but you disagree, Step 2: Request a formal revaluation by submitting a written request to the HOD of that subject within 5 working days of the report card being issued. The HOD will have the paper independently evaluated. Step 3: If still unresolved, escalate to the

Vice-Principal in writing. Note that for CBSE Board exams, a separate CBSE revaluation process applies — contact the school's Examination Cell.

Q: A teacher was rude/harsh to my child. How do I report this?

A: This is a serious concern and the school treats it with utmost priority. Please do the following: (1) Note down exactly what happened — date, time, what was said/done, any witnesses. (2) Contact the HOD of that department (not the teacher directly) via email or in-person appointment — explain the incident factually. (3) If the HOD does not address it within 3 working days, submit a written complaint (Form GRV-001) to the Vice-Principal. The school will conduct a fair investigation hearing both parties. Staff found to have behaved inappropriately face formal disciplinary action. Physical punishment is strictly prohibited under the RTE Act — any such incident should be reported immediately to the Principal.

Q: How long does the school take to respond to a complaint?

A: All grievances are acknowledged within 24 hours. Resolution timelines: Level 1 (class teacher) — 3 working days; Level 2 (HOD) — 5 working days; Level 3 (VP) — 7 working days; Level 4 (Principal) — 10 working days. If a grievance requires external investigation (e.g., police verification, legal advice), timelines may extend and the parent is informed of the revised timeline. The school commits to keeping parents informed of progress even if the full resolution is pending.

Q: Can I complain anonymously?

A: Anonymous feedback can be submitted via the school app's feedback form. However, for formal grievances requiring investigation (especially involving staff conduct, safety or academic fairness), the school needs to know who the complainant is to conduct a fair investigation and communicate the outcome. Anonymous complaints are reviewed but cannot be formally investigated or resolved with full due process. The school guarantees confidentiality — your identity as a complainant will not be disclosed to the staff member being complained about without your consent.

Q: My complaint was not resolved even after speaking to the Principal. What are my options?

A: If your grievance is not resolved after the Principal's review, you may escalate to: (1) ABC Education Trust — trust.grievance@ABC.org. (2) For fee-related disputes: Maharashtra School Fee Regulatory Authority. (3) For academic issues: CBSE Regional Office (if school is non-compliant with CBSE norms). (4) For child safety/POCSO matters: local Child Welfare Committee (CWC) or Special Juvenile Police Unit (SJPU). The school genuinely commits to resolving all concerns — escalation beyond school level is rare and usually avoidable with open communication.

Q: The school sent a circular about a fee hike. Can parents challenge this?

A: Fee revisions at ABC International School are made in compliance with the Maharashtra Fee Regulation Act, which caps annual fee increases. If you believe the fee hike exceeds the legally permitted limit or the process was not followed correctly, you may: (1) First raise the concern with the school Accounts department and Principal in writing. (2) If unresolved, file a complaint with the Maharashtra School Fee Regulatory Authority. The school is obligated to provide fee structure justification and comply with the Act. The PTA may also collectively represent parent concerns on fee matters to the school management.

Category E — Consent & Permissions

Q: Do I have to sign a consent form every year?

A: Yes — certain consent forms are required annually: the Medical Consent & Emergency Treatment Form (submitted at start of each academic year), the Media & Photography Consent Form (annual — AY 2025–26), and the Digital Device & LMS Usage Consent (annual). One-time consents (at admission) include the general school policy acknowledgement and the AUP agreement. For specific events (trips, competitions, vaccinations), separate consent forms are issued as needed.

Q: What if I don't consent to photos of my child being posted on social media?

A: You can tick 'No' (X) next to that specific item on the Annual Media Consent Form. The school will ensure your child's photographs are not posted on official school social media. However, group photographs at events (Annual Day, Sports Day) where your child may incidentally appear alongside many other students are difficult to fully prevent in a public venue — the school will make best efforts to honour your preference. Please communicate your preference clearly on the consent form and directly to the class teacher.

Q: I forgot to submit the field trip consent form. Can my child still go?

A: A signed consent form is mandatory for all off-campus field trips and excursions — no exceptions. Without it, your child cannot participate due to insurance and liability reasons. If you missed the deadline, contact the class teacher immediately.

— depending on how close the trip date is, the teacher may be able to accept a late submission (within 2 school days of the deadline). After that, the trip list is finalised and cannot be changed. We strongly recommend setting reminders on the school app for consent form deadlines.

Q: Does the school share my contact details or my child's information with any third party?

A: No. The school does not sell or share personal data with any third party. Data is shared only with: CBSE (for board registration), government authorities on legal mandate, and empanelled service providers (transport, payroll) under strict Non-Disclosure Agreements. Google (for Workspace for Education) processes data under a data processing agreement compliant with international privacy standards. Your rights under the Digital Personal Data Protection Act (DPDPA) 2023 include access, correction and erasure of data — contact dpo@ABC.org to exercise these rights.
