SECTION 3 · NEED-BASED AID POLICY

3.1 Purpose & Scope

Understanding that financial constraints should not be a barrier to quality education, ABC International School offers a Need-Based Aid Policy. This policy is tailored to support families facing genuine financial hardships, including single parents, families with sudden loss of income, medical emergencies, or those belonging to economically weaker sections.

The school's management conducts a thorough and confidential review of the family's financial documents to determine eligibility and the percentage of fee concession to be granted. The quantum of aid varies based on the severity of the financial need and the availability of funds allocated by the ABC Education Trust for that academic year. Typically, need-based aid ranges from 25% to 75% of the tuition fee.

SECTION 4 · FEE CONCESSION FORMS
