Q: My Aadhaar card is not with me. Can I enter school to pick up my child?

A: You will need a valid government-issued photo ID (Aadhaar, PAN, Driving Licence, or Passport) to collect a child. Alternatively, use the ABC Connect App QR code. If neither is available, the on-duty reception supervisor will call the registered parent number to verify identity before granting supervised entry.

Q: Can I show a digital copy of my Aadhaar on my phone?

A: Yes, DigiLocker-verified Aadhaar or the mAadhaar app display is accepted as a valid primary ID at the gate.

Q: What if someone else (e.g., grandparent) is picking up my child?

- b) Call the school office to give verbal authorization, which is documented by the receptionist.
- The one-time authorized person must carry: (i) their own photo ID and (ii) a copy of the parent's written authorization.
- Guard verifies identity and calls the registered parent to confirm before release.
- One-time authorizations are logged separately in the Temporary Pickup Register.

7.3 Chatbot Q&A; – Pick-Up Authorization

Q: My maid will pick up my child today. What should I do?

A: Call the school office before 12:00 PM or send an email/message via the school app authorizing your maid by full name. She must carry a valid photo ID. The security guard will call you to confirm before releasing your child.

Q: Can my child's older sibling (age 17) pick them up?

A: Yes, provided the sibling is listed in the Pick-Up Authorization Form. If not listed, follow the one-time authorization process — the registered parent must call the school office in advance.

Q: What if my child's pick-up person is not on the list and I can't be reached?

A: The child will not be released. The school will attempt to contact both registered parent numbers and the emergency contact. The child stays safely in the school office under staff supervision until an authorized guardian is reached.

Q: How do I update the pick-up authorization list?

A: Visit the school Admin Office with your photo ID and fill out an updated Pick-Up Authorization Form. Changes take effect after 24 hours to allow system update. Urgent changes same-day require CSO approval.

A: The guard will not release your child to any person not on the authorized list, including a biological parent if they are not listed. The school will call you immediately. If you have a court order restricting pick-up by a specific individual, please submit a copy to the Admin Office so it is flagged in our system.

Q: My child's unauthorized aunt became aggressive at the gate. What did the school do?

A: If an unauthorized person becomes aggressive, the CSO is called immediately and Mumbai Police may be contacted. The incident is fully documented with CCTV footage. Your child remains safe inside the school premises throughout.

Q: Can a teacher authorize an unlisted person to take a child without parental consent?

A: No. Teachers cannot unilaterally authorize an unlisted person. Only a registered parent/guardian can provide authorization, and it must be confirmed by calling the registered contact number before the child is released.

Q: My child has autism and tends to wander. What precautions does the school take?

A: Please inform the school counsellor, class teacher, and CSO at the start of the year. A personal safety wristband with contact details is issued. The child's class teacher and a designated shadow teacher/aide are briefed. A personal emergency protocol is added to the child's file.

A: Do not confront the person. Immediately inform the nearest security guard or call the security desk. Note their physical description and location. Guards are trained to handle such situations and will contact police if required.

A: No. The school playground and all campus facilities are for the exclusive use of enrolled students and authorized staff. Outside individuals are not permitted in recreational areas at any time.

Q: Is there security at the school bus stops?

A: A designated staff member accompanies each school bus route. Bus arrival and departure times are logged. The transport security coordinator is in radio contact with the CSO for all buses. Parents are notified of any delays via the school app.

Q: How does the school handle suspicious packages or unattended bags?

A: All unattended bags or suspicious packages are reported to the CSO immediately. The area is cordoned off, students and staff are moved away, and Mumbai Police bomb squad is contacted if the CSO deems necessary. This follows standard school emergency protocol.

Q: What happens to access credentials when a staff member leaves?

A: On the last working day, HR notifies the CSO. The staff ID card and RFID token are collected during the exit formalities. Biometric data is de-registered from the system within 24 hours. System access is revoked simultaneously by IT.

Q: What is the protocol for a staff member who has lost their ID card?

A: Report to the HR and Security Office immediately. A Temporary ID is issued for up to 5 working days while a replacement is processed. The lost ID is deactivated in the system within 1 hour of reporting. A replacement fee of ₹ 200 is charged for lost IDs.

10.4 Emergency & Crisis Security

Q: What is the school's protocol during a security threat or lockdown?

Q: What is the fire and evacuation procedure at ABC Powai?

A: Note: Fire is a Safety (not Security) protocol. However, security guards support evacuation by directing students to assembly points and securing gates. The CSO coordinates with the safety officer. Guards are trained in basic fire response and operate fire extinguishers.
