Chatbot Q&A; — Section 27.1: Vendor Evaluation & Onboarding

Q: How many vendors does ABC International School Powai currently have?

A: As of FY 2024-25, the school has 12 registered vendors across categories like IT, housekeeping, security, catering, transport, and civil works. 10 are actively empanelled, 1 is under review, and 1 is blacklisted.

Q: What documents are required to become a vendor at ABC International School Powai?

A: Vendors must submit: company registration documents, GST certificate, PAN, 3-year audited financials, EPF/ESIC registration, trade licence, police clearance for key personnel, professional indemnity insurance, bank details, a signed NDA, and references from at least 3 schools.

Q: What is the minimum score to qualify as a vendor?

A: Vendors must score at least 70 out of 100 in the evaluation matrix. Those scoring between 60-69 are placed on probation with enhanced monitoring.

Q: Who is the canteen vendor and what is their annual contract value?

A: NutriMeals Catering (VND-004) is the canteen/food vendor, empanelled since January 2023. Their annual contract value is ₹22,80,000. They hold a valid FSSAI licence (No. 11224567).

Q: Why was SkyNet CCTV blacklisted?

A: SkyNet CCTV (VND-012) was blacklisted due to three repeated SLA breaches. The school maintains a zero-tolerance policy for vendors who fail to meet agreed service levels after prior warnings.

Q: What is the evaluation criterion weightage for vendor selection?

A: Technical competence carries the highest weight at 25 points. Financial stability and compliance each carry 20 points. Pricing and service capability carry 15 points each, and CSR/sustainability carries 5 points, totalling 100.

Q: Does ABC Powai have an NDA requirement for vendors?

A: Yes, all vendors are required to sign a Non-Disclosure Agreement (NDA) before being onboarded. This protects the school's confidential data, student information, and operational details.

Q: Which vendor provides IT software services?

A: EduSmart Pvt. Ltd. (VND-001) provides IT/software services. They are an IB Technology Partner, empanelled since June 2022, with an annual contract value of ₹18,40,000.

27.2 Service Level Agreements (SLA)

Contractual performance benchmarks for all critical service vendors

SLAs define minimum service standards, response times, penalty clauses, and escalation paths for each vendor. All SLAs are reviewed annually and signed by the Principal, Administrative Officer, and vendor representative.

Chatbot Q&A; — Section 27.2: SLA

Q: What uptime SLA does ABC Powai require from its IT vendor?

A: The school requires EduSmart Pvt. Ltd. to maintain 99.5% uptime. If this is breached, a penalty of 2% of the monthly contract value is charged for each day of downtime, per SLA-IT-01.

Q: What happens if the school bus is late?

A: If SwiftTrans Logistics fails to meet schedule, a penalty of ₹2,000 per delay incident is levied under SLA-TRN-01. The school's escalation procedure also requires vendor briefing and documented corrective action.

Q: How many SLA breaches occurred in FY 2024-25?

A: There were 5 recorded SLA breaches in FY 2024-25, covering housekeeping, transport, IT, catering, and AV services. All were resolved. Total penalties levied were approximately ₹60,150.

Q: What is the response time for a medical emergency vendor?

A: MediFirst Health is required to respond within 5 minutes and fully resolve the issue within 15 minutes under SLA-MED-01. The penalty for breach is ₹10,000 per incident.

Q: Who handles a Level 4 SLA escalation?

A: A Level 4 repeated breach escalates to the Chairman of the ABC Group. This is the most serious level and typically results in contract termination.

Q: What action was taken when NutriMeals had a food quality complaint?

A: A penalty of ₹5,000 was levied (Breach ID: BR-004). The incident triggered an FSSAI audit of the canteen operations to ensure compliance with food safety standards.

27.3.2 Standard Contract Clauses — ABC Powai

Force Majeure: Contract suspended during natural disasters, pandemic, or government-declared emergencies without penalty.

IP Ownership: All data, reports, software, and content created during the contract remain property of ABC International School.

Data Privacy: Vendors must comply with DPDP Act 2023; no student data may be shared with third parties.

Sub-Contracting: Not permitted without prior written approval from the Administrative Officer.

Termination for Cause: School may terminate with 30-day written notice for repeated SLA breaches or legal violations.

Termination for Convenience: Either party may terminate with 90-day written notice; no penalty if notice period served.

Audit Rights: School reserves the right to audit vendor premises and records twice per year with 7-day notice.

Insurance: Vendors must maintain public liability and professional indemnity insurance throughout the contract.

Dispute Resolution: Disputes resolved through mediation; if unresolved, jurisdiction is Mumbai High Court.

Price Escalation: Annual price revision capped at WPI + 2%; any revision requires written agreement amendment.

Chatbot Q&A; — Section 27.3: Outsourcing Contracts

Q: What is the total annual outsourcing expenditure at ABC Powai?

A: The total annual expenditure across all active outsourcing contracts is approximately ■1,00,35,000 (■1 crore 35 thousand) for FY 2024-25, covering IT, transport, catering, security, housekeeping, health, civil, and other services.

Q: Can a vendor sub-contract their work to another company?

A: No. Sub-contracting is strictly prohibited without prior written approval from the Administrative Officer. Doing so without permission is considered a contract breach.

Q: Which contract is longest and with which vendor?

A: CleanPro Facility Management and SafeGuard Security both hold 5-year contracts, making them the longest-running vendor relationships. Both contracts commenced in 2020/2021.

Q: What is the school's data privacy policy for vendors?

A: All vendors must comply with India's Digital Personal Data Protection (DPDP) Act 2023. Vendors are contractually prohibited from sharing student data, staff data, or any school records with any third party.

Q: How much notice must be given to terminate a vendor contract?

A: For termination for cause (SLA breaches or violations), 30 days written notice is required. For termination for convenience (no specific reason), 90 days written notice is required with no financial penalty.

Q: How is annual price revision handled with vendors?

A: Annual price revisions are capped at the Wholesale Price Index (WPI) plus 2%. Any revision must be formalised through a written contract amendment signed by both parties.

27.4 Background Verification of Vendors

Pre-onboarding and periodic verification protocols

Given that vendors and their staff regularly access school premises, ABC International School Powai mandates stringent background verification. This is especially critical for vendors providing security, transport, catering, health, and housekeeping services.

27.4.1 Background Verification Scope & Requirements

Personnel Type	Verification Required	Frequency	Regulatory Basis	Verification Agency
Security Guard	Police Clearance Certificate	Annual	PSARA Act	Police Station

Unverified staff found on premises	Immediate removal	Vendor penalty clause invoked

Chatbot Q&A; — Section 27.4: Background Verification

Q: Do vendor staff need police verification to work at ABC Powai?

A: Yes. All security guards, bus drivers, bus attendants, canteen staff, and housekeeping staff must provide a Police Clearance Certificate (PCC) before starting work. Verification is renewed annually.

Q: Which BGV agency does the school use for vendor checks?

A: AuthBridge Research Services is the primary BGV partner for criminal and employment verification of all vendor staff. KPMG Forensics is used for director-level financial and litigation checks.

Q: What happens if a vendor submits forged documents?

A: The contract is immediately terminated and a legal notice is served. The school also files an FIR with the police and the vendor is permanently blacklisted.

Q: How frequently are bus drivers verified?

A: Bus driver verification is conducted annually and covers driving licence validity, criminal record checks, and driving history through the Mumbai Traffic Police portal.

Q: Can a vendor employee with a criminal record work at the school?

A: No. Any vendor employee with a serious criminal record is immediately disqualified from working at the school premises. The vendor receives a notice and the individual is permanently barred from campus.

Q: Are canteen workers required to have food safety certification?

A: Yes. All canteen staff must hold a Food Handler's Certificate in accordance with FSSAI guidelines, in addition to a Police Clearance Certificate. This is verified annually by ServeSafe India.

Chatbot Q&A; — Section 27.5: Compliance Records

Q: Is the school's canteen FSSAI compliant?

A: Yes. NutriMeals Catering holds a valid FSSAI licence that is current until December 2025. The school verifies this licence annually and triggered an FSSAI audit after the food quality complaint in February 2025.

Q: How does ABC Powai ensure vendors pay their employees' PF?

A: The school tracks EPF and ESIC filings of all labour-deploying vendors monthly. Copies of challans must be submitted by the 25th of each month. BuildRight Infra was flagged for delayed filing in the current year.

Q: How many school buses does the transport vendor operate?

A: SwiftTrans Logistics operates 18 buses for ABC International School Powai, all with valid Motor Vehicle Fitness Certificates valid until December 2025.

Q: What compliance issue was found with BuildRight Infra?

A: BuildRight Infra has two compliance issues: their PWD (Public Works Department) approval expired in April 2025 and their EPF/ESIC filings have been delayed. The school has issued a compliance notice.

Q: Does the school require vendors to have fire safety clearance?

A: Yes. All vendors operating on school premises must hold a valid Fire Safety NOC. The current NOC is valid until March 2026 and is renewed annually.

Chatbot Q&A; — Section 27.7: Vendor Performance Reviews

Q: Which vendor received the highest performance score in FY 2024-25?

A: MediFirst Health received the highest annual average score of 95.0 out of 100, earning an A+ grade and a commendation letter from the school's Principal. EduSmart Pvt. Ltd. and SafeGuard Security also received A+ grades.

Q: Which vendor performed the worst and what action was taken?

A: BuildRight Infra had the lowest score at 58.8, earning a C grade. A show cause notice has been issued. If they receive a C grade for two consecutive years, contract termination is mandatory under school policy.

Q: How often are vendors formally reviewed?

A: Vendors are reviewed quarterly — four times per year. Q1 and Q2 reviews are conducted by the Administrative Officer; Q3 and Q4 reviews involve both the Admin Officer and the Principal. An Annual Vendor Day is held every April.

Q: What incentive does a vendor get for an A+ rating?

A: Vendors who consistently achieve an A+ rating (90-100 score) receive a performance bonus of 2% of their annual contract value. EduSmart, SafeGuard Security, and MediFirst Health received this bonus for FY 2024-25.

Q: What grade did NutriMeals Catering receive and what action followed?

A: NutriMeals Catering received a B+ grade with an annual average of 76.3. This triggered a mandatory FSSAI audit of their canteen operations, and improvement areas were formally communicated to them.

Q: What happens to a vendor who gets Grade B for two consecutive years?

A: A vendor receiving Grade B (60–69 score) for two consecutive years undergoes a formal contract review. The school may then decide to replace the vendor or impose additional performance conditions.

Q: How is vendor performance measured each quarter?

A: Each quarter, vendors are scored on a 0-100 scale covering service delivery, SLA adherence, staff conduct, compliance, responsiveness, and client satisfaction. The four quarterly scores are averaged for the annual grade.
